Packaging: 12in colored single
Box Lot: 20

Vinyl:

A family comes of age together as does a band, weathering life's trials and triumphs as a unit. Comprised of three siblings, multiplatinum Southern California trio Echosmith —Sydney Sierota [lead vocals], Noah Sierota [vocals, bass], and Graham Sierota [drums]—transpose their collective growth into vibrant, vulnerable, and vital alternative pop anthems upheld by lush guitars and analog synths. Their personal songcraft blossoms to its fullest potential on the group's 2019 second full-length and first independent offering, *Lonely Generation*.

An unbelievable journey empowered them to do so. Within a few years, Echosmith cemented themselves as an inescapable presence throughout popular music and culture. Streamed over 1 billion times by 2019, they earned a triple platinum single with "Cool Kids" and a double-platinum single with "Bright" as their 2016 full-length debut, *Talking Dreams*, went gold. They headlined countless shows, toured alongside twenty one pilots and Pentatonix, performed on major TV shows including *The Ellen DeGeneres Show* & *The Tonight Show Starring Jimmy Fallon* and received praise from the likes of *Billboard*, *Vulture*, *Variety*, *Elle*, *Rolling Stone*, *Teen Vogue*, and *Nylon*.

The group formed their own JV record label called Echosmith Music LLC in 2018 with a deal with Warner/ADA. Over the course of the year, they embraced the freedom of having such independence.

In the end, Echosmith craft an uplifting soundtrack to coming-of-age on *Lonely Generation*. "We want to give people hope through our music," concludes Noah. "It's a wonderful thing to know you're not alone. That's our message."

Cat no: SLM097P44
UPC: 190296878763
SPR: \$42.98

Back to the front in so many ways, Apocalyptica are proud to announce the release of their 9th studio album *Cell-0*. Bristling with an epically baroque life and energy, January 10th 2020 is not just the sound of Apocalyptica returning to their expansive instrumental roots, it is the sound of Apocalyptica revisiting their deepest love with a renewed sense of knowledge and passion. The journeys are deeper, the destinations further and the rewards so much richer than anything the exciting, ambitious quartet have ever produced. Produced by the band and mixed by Andrew Scheps, who has worked with Red Hot Chili Peppers, Lana Del Rey, Metallica and Black Sabbath, *Cell-0* sees the band soaring into ethereal space on "Ashes Of The Modern World" while diving head-first into aggressive thrash 'cello-riffery' during "En Route To Mayhem". At once a smorgasbord, symphony and crushing metallic masterpiece, *Cell-0* shows a band at the very peak of its unique and magical compositional powers.

Cell-0 will be released in the following formats: CD Mediabook, 2x 180 grams vinyl housed in a gatefold with 20 page 12" booklet, Digital Download and Streaming. Pre-orders available from Oct 4th 2019.

Track Listing CD + Digital:

1. Ashes Of The Modern World
2. Cell-0
3. Rise
4. En Route To Mayhem

THE MASTERS COLLECTION is a label from BMG designed to give an introduction to an Artist and their catalog of work. The latest launch in North America features 6 releases from iconic artists:

**GARY MOORE | GILBERT O'SULLIVAN | BEN E KING | THE DRIFTERS
GLEN CAMPBELL | MORCHEEBA**

GARY MOORE PARISIENNE WALKWAYS THE COLLECTION

As Thin Lizzy's guitarist, **Gary Moore** is one of rock's most underrated guitarists (both from a technical and compositional point of view). Remaining relatively unknown in the U.S., his solo work brought him substantial acclaim and commercial success in most other parts of the world—especially in Europe.

Features his classic tracks, including "Parisienne Walkways," "Nuclear Attack," "House Full of Blues" & more

CD1

1. Parisienne Walkways (Live)
2. The Prophet
3. Rest In Peace
4. Enough of the Blues
5. Dancin'
6. Fire
7. Can't Help Myself
8. Really Gonna Rock Tonight
9. Power of the Blues
10. Getaway Blues
11. Rectify
12. Rockin' and Rollin'
13. Stand Up
14. Ball and Chain

CD2

1. Nuclear Attack
2. Stormy Monday
3. Run to Your Mama
4. Cold Black Night
5. Surrender
6. Evil
7. How Many Lies
8. Tell Me Woman
9. World of Confusion
10. Bad News
11. I Can't Quit You Baby
12. Torn Inside
13. Go On Home
14. House Full of Blues

2CD | List Price: \$15.98 | Release Date: 01/10/20
Discount: 3% Discount Thru 01/10/20
Packaging: 2CD Set | UPC: 4050538394627 | Returnable: YES
Box Lot: 30 | Units Per Set: 2 | File Under: Rock

GILBERT O'SULLIVAN ALONE AGAIN (NATURALLY) THE COLLECTION

Singer/songwriter **Gilbert O'Sullivan** successfully combined a flair for Beatlesque popcraft with an old-fashioned music hall sensibility to emerge as one of the most distinctive and popular new performers of the early 1970s.

This new collection includes his US #1 hit single "Alone Again (Naturally)," "Clair" (#2) and "Get Down" (#7) amongst others.

CD1

1. Alone Again (Naturally)
2. Get Down
3. Ooh-Wakka-Doo-Wakka-Day
4. We Will
5. Good Company
6. What's In a Kiss?
7. I Guess I'll Always Love You
8. I Wish I Could Cry
9. Hablando del Rey de Roma
10. It Never Rains But It Pours
11. Matrimony
12. Mr Moodys Garden
13. No Way
14. Bye-Bye

CD2

1. Clair
2. Nothing Rhymed
3. No Matter How I Try
4. Heavens Above
5. Disappear
6. Hold On to What You Got
7. Doing the Best I Can
8. Easier Said Than Done
9. Who Knows, Perhaps Maybe
10. You Heard
11. Can't Find My Way Home
12. Passport Photos
13. What Am I Doing Here with You
14. Too Much Attention

2CD | List Price: \$15.98 | Release Date: 01/10/20

5. *i don't know* 6. *though i know she lies* 7. *you and your sister*

KEY SELLING POINTS

- New pressing of this sought after album.
- Liner notes from Alec Palao and Bob Mehr.
 - Pressed on translucent blue vinyl.

After co-founding Big Star, the world only received two tracks of new music from Chris Bell during his lifetime—a 1978 single on the Car Records label run by Chris Stamey (dB's, Sneakers) titled “I Am The Cosmos” b/w “You And Your Sister.” He would tragically be killed in a car accident later that same year. However, those were not the only tracks Bell had recorded in his post-Big Star years.

In 1974–1975, Bell worked in the famed Château D’Hérouville near Paris, France, and later recorded at both Shoe Studios and Ardent Studios in Memphis. That material arrived in 1992 as *I Am The Cosmos* to great acclaim, and was issued on LP by Omnivore Recordings in 2017. Due to popular demand, the LP returns in a new pressing on translucent blue vinyl.

The packaging contains liner notes from set co-producer Alec Palao as well as Bob Mehr. All Chris Bell projects are being approved and overseen by Chris’ estate run by his brother, David.

With renewed reverence for his work in Big Star, as well as a look back at his earlier work with a biography from Rich Tupica, the stars have aligned. This new vinyl edition of *I Am The Cosmos* arrives for long-time fans, as well as those who are just discovering the magic of Chris Bell.

IT'S
SUCH
A
GOOD
FEELING

The best of **MISTER ROGERS**[®]

Mister Rogers' Neighborhood premiered on television over five decades ago. While to some it seems like just yesterday when it was brand new, it's heartening to know how much it has been a part of the lives of countless children and adults who experienced and learned from the show over the decades.

While its staying power never lapsed, Academy[®]- and Grammy[®]-winning director Morgan Neville's 2018 documentary, *Won't You Be My Neighbor?*, reawakened our love for Fred Rogers, and introduced a new generation to him. With the upcoming November release of *A Beautiful Day In The Neighborhood* (starring Tom Hanks as Fred Rogers), the beloved Mister Rogers and his neighborhood will once again be front and center in the hearts, minds, and ears of everyone.

It's Such A Good Feeling: The Best Of Mister Rogers collects 21 songs from the beloved broadcaster (backed by long-time collaborator and pianist Johnny Costa, Carl McViker on bass, and percussionist Bobby Rawsthorne). Containing classics like "Won't You Be My Neighbor," "You Are Special," and the title track, this release also features five previously unissued tracks including the show's original closer, "Tomorrow."

LP packaging contains photos, an introductory note from Neville, and an essay from Pittsburgh television critic (and long-time USA Today contributor) Robert Bianco.

So, hop on the trolley for the Land Of Make Believe, because it really is such a good feeling.

KEY SELLING POINTS

- 21 track collection of Mister Rogers classics.
- Includes 6 previously unissued performances.
- Liner notes from Academy[®]- and Grammy[®]-winning director Morgan Neville and Pittsburgh television critic Robert Bianco.

RAGE

WINGS OF RAGE

FEW METAL ACTS CAN LOOK BACK AT AS COMPREHENSIVE, MULTI-FACETED AND VARIED A CAREER AS RAGE. FOUNDED IN SPRING 1983 IN HERNE IN GERMANY'S RUHR REGION, THE BAND SURROUNDING VOCALIST/BASSIST PEAVY WAGNER HAS INTEGRATED A WIDE RANGE OF STYLISTIC NUANCES INTO ITS MUSICAL CONCEPT.

There have been releases which focused primarily on hard thrash sounds, but also recordings featuring anthemic power metal as well as albums with a – in the true sense of the word – symphonic orientation. Wings Of Rage, the latest offering by the three-piece, consists of all this and much more. Peavy and his colleagues Marcos Rodriguez (guitar) and Vassilios Maniatopoulos (drums) have succeeded in summarising the diversity and experience of almost 37 years of band history in twelve topical songs, starting a new chapter at the same time. "The material on Wings Of Rage is as colourful as Rage's history," confirms Peavy, "Although it's always connected with the distinct evolution of our strengths, in other words: with a contemporary style of playing and an ultramodern sound." Wings Of Rage will be available from 10 January 2020 on Steamhammer/SPV on Digipak CD and double vinyl LP and as digital stream/download.

BEN E. KING STAND BY ME THE COLLECTION

Soul singer and record producer **Ben E. King** was perhaps best known for his international hit **"Stand By Me"** and for being one of the principal lead singers of **The Drifters** notably singing the lead vocals of one of their biggest global hit singles **"Save The Last Dance For Me"** This collection brings together 28 of Ben E. King's finest recordings. Highlights include: **"Supernatural Thing Pt 1"**, **"Street Tough"**, **"Dream lover"**, **"What A Difference A Day Made"**, **"Tower Of Strength"**, **"Moon River"**, **"Spanish Harlem"**, there are just too many great tracks to mention.

His music has been covered by many contemporary artists of today and continues to inspire musicians the world over and will do for generations to come.

CD1

1. What A Difference A Day Made
2. Dream Lover
3. Will You Still Love Me Tomorrow
4. Save The Last Dance For Me (With The Drifters)

THE DRIFTERS UNDER THE BOARDWALK THE COLLECTION

The original Doo-Wop band, **the Drifters** managed to carve out a place for themselves in music history producing a number of chart hits over a total of three decades, setting them apart from counterparts of the time.

Founded in 1953, the Drifters updated the American vocal group from the traditional gospel groups and barbershop quartets, their soulful sound, sculpted by producers and songwriters Leiber and Stoller and delivered by the likes of Ben E King influenced a generation and produced international hits—classics like **"Up on The Roof"**, **"Save the Last Dance For Me"** and **"On Broadway"** will stand forever and all feature here on the Masters Collection.

CD1

1. Stand By Me (performed by Ben E. King)
2. Save The Last Dance For Me
3. Come On Over To My Place
4. Dance With Me
5. Desafinado
6. Quando Quando, Quando
7. Temptation
8. On The Street Where You Live
9. As Long As She Needs Me
10. What Kind Of Fool Am I
11. There Goes My Baby
12. This Magic Moment
13. At The Club
14. Baltimore

CD2

1. Saturday Night At The Movies
2. Up On The Roof
3. Under The Boardwalk
4. Sweets For My Sweet
5. Some Kind Of Wonderful
6. Ruby Baby
7. Moonlight Bay
8. I Gotta Get Myself A Woman
9. Fools Fall In Love
10. Drip Drop
11. Honey Love
12. Let The Music Play
13. I Feel Good All Over
14. What'cha Gonna Do

**MORCHEEBA
PART OF THE PROCESS
THE COLLECTION**

London based **Morcheeba** feature the sweet and fluid vocals of Skye Edwards accompanied by a fusion of laidback fun and blues produced by brothers Paul and Ross Godfrey. Formed in 1995 the band rose to fame with platinum selling album *Big Calm* and their music and unmistakable sound has been featured in a number of high profile film and media ventures. Notable tracks include: "The Sea," "Part Of The Process," "Trigger Hippie," "World Looking In," "Rome Wasn't Built In A Day," "Blindfold" and "Tape Loop" all of which appear on this superb Masters Collection album.

Rediscover Morcheeba with **The Masters Collection**, 28 tracks of laid back, Trip Hop Funk.

CD1

1. The Sea
2. Part Of The Process
3. Rome Wasn't Built In A Day
4. Tape Loop
5. Trigger Hippie

FEVER RAY

Plunge Remix

Physical Street Date: 12/13/19

Mute are excited to announce a collection of remixes of tracks from Fever Ray's acclaimed 2017 album *Plunge*, out on CD and on double 12" vinyl on December 13.

Plunge Remix will include contributions from Karin Dreijer's (Fever Ray) contemporaries including Glasser, Paula Temple, and DJ Marfox. This is the first time these tracks will be available physically.

Plunge is a powerful record that is sometimes harsh, often dissonant, frequently audacious. In the accompanying manifesto for *Plunge*, Dreijer wrote that "The decision to fall is harder than the fall itself," underlining that the plunge in question is falling in love. However, *Plunge* is not just a record about falling; it is more fundamentally about transformation.

These remixes provide an exciting new take on the tracks, bringing them a new sense of meaning and furthering the story behind the record.

PRAISE FOR PLUNGE:

"Plunge is Karin Dreijer at her most vulnerable and powerful..." – NPR

"a profoundly, thrillingly restless album, Fever Ray stakes out something like freedom." – Pitchfork

"...searing and incisive...the most dementedly thrilling music that Dreijer has ever made." – Stereogum

FOR FANS OF: The Knife, Perfume Genius, Bjork, Oneohtrix Point Never, ANOHNI, Zola Jesus

ERIN ANNE TOUGH LOVE

The debut album from Erin Anne, *Tough Love* is an unruly yet elegant collage of all the elements that make up her musical vocabulary: wildly shredded riffs and lo-fi acoustic ramblings, punk-rock energy and folky austerity, new-wave whimsy and high-flown pop theatrics. With a narrative voice at turns thoughtful and rebellious, confrontational and shy, the L.A.-based singer/songwriter presents a body of work that bravely documents the slow and strange process of becoming yourself.

Co-produced with Alex Rogers (Family Hahas, Tambourines), *Tough Love* offers a potent introduction to Erin's kaleidoscopic musicality and infinitely unpredictable guitar work. In bringing the album to life, the two collaborators drew from an earlier version of *Tough Love* self-released by Erin in early 2019, re-recording each song with live drums and Rogers's lavish collection of analog synths. With Erin playing every instrument except drums, *Tough Love* bears an expansive sonic palette wholly suited to its emotional thrust—a state of mind she encapsulates as “standing in the doorway between presents you’ve grown out of and futures you’re afraid you’re too small for, and using music as the catalyst to take those steps into the unknown.”

An album charged with restless intensity, *Tough Love* reaches a glorious peak on its title track, a song initially informed by Erin's experience in earning her Ph.D. in musicology at UCLA. “Being a woman in academia can be exhausting,” says Erin. “‘Tough Love’ started when I came from a day at seminar when I was trying to make a very simple point and couldn’t get a word out—I was incredibly frustrated, and tried to write a vaguely ‘80s, ‘9 to 5’-style song that would feel good to Jazzercise to.” But as the track took shape, “Tough Love” eventually morphed into a massive anthem, a thrillingly cathartic refusal to let her voice go unheard.

On the track “Bedroom Track (Carrie),” Erin transforms sentences lifted from Carrie Brownstein's 2015 memoir *Hunger Makes Me A Modern Girl* to deliver a “personal manifesto about wanting things—a very specifically female/queer kind of wanting.” The album's hypnotic centerpiece, “Gaslighter,” which explores the confusion of abuse, is simultaneously jarring, mesmerizing, and oddly transcendent.

During her undergrad studies at Bowdoin College, Erin experienced a life-changing revelation upon viewing the Kathleen Hanna documentary *The Punk Singer* for a course on gender, sexuality, and popular music. “I grew up in New Jersey where everybody played lacrosse and I had very limited access to anything remotely queer, which meant I'd never heard of riot grrrl before,” she says. Not long afterward, Erin formed a riot grrrl band named the Navel Gazers, and began performing her own material for the first time. After graduating from Bowdoin, Erin moved to Portland, Maine, where she started a solo project called REGI RKT (a nod to a zine-making, feminist, street-hockey-playing character from the Nickelodeon cartoon “Rocket Power”), then put out an EP titled *Vulnrubble* in 2017. Her first release under her own name, the original version of *Tough Love* arrived in June 2019, and soon landed her a deal with Carpark Records.

In releasing her newly reimagined take on *Tough Love*, in all its frenetic grandeur, Erin hopes that the album might leave her audience with a sense of wholeness similar to what she found in its creation—an adventure she describes as “a journey to becoming a more comfortable self.”

APPARAT

LP5_RMXS

Street Date: 11/29/19

Mute are excited to announce the November 29 release of a 12" of remixes of songs from Apparat's latest album *LP5*.

For almost two decades, Sascha Ring has been one of the defining protagonists of electronic music. As Apparat he has explored the entanglement of programmed sounds and analogue instruments like no other; as part of Moderat (the trio he founded with Modeselektor's Gernot Bronsert and Sebastian Szary), he has transformed this knowledge and art into an aesthetic of indulgence and sublimity.

Apparat's recent album, *LP5*, is sublime and delicate, finding greatness in small things and in unexpected twists, it joins musical fragments together and glows from the cracks in between: this is Sascha Ring's best work to date. Like previous Apparat albums, the new release was essentially the result of collaboration between Sascha Ring and cellist Philipp Thimm and on the album you can also hear trombone, trumpet and saxophone, a harp, a double bass and other strings. John Stanier, the dancing dervish from math-rock outfit Battles, plays percussion and the songs were developed over endless group improvisations and lavish orchestral sessions.

The remixes of these songs breathe a different life into the tracks, highlighting their depth and versatility. With contributions from Stimming, Radio Slave, Substance, and Solomun the listener is able to experience the diversity of Apparat's exciting creative community and better understand the musical world in which he operates.

MAMMOTH MAMMOTH

Kreuzung

Kreuzung is the ultimate rock'n'roll manifesto!

RELEASE DATE: 1/10/20
ARTIST: MAMMOTH MAMMOTH
TITLE: KREUZUNG
LABEL: Napalm Records
COUNTRY: AUSTRALIA
FILE UNDER: METAL, STONER
FORMAT: LP / Digital
LIST PRICE: \$19.98 (LP)
CATALOG #: NPR871VINYL
UPC: 840588128877 (LP) / 840588128914 (digital)
BOX LOT: 12 (LP)

DESCRIPTION:

'I'm Ready' comes out swinging with a tornado of riffs – and hell yes, we're more than ready! The high voltage Australian outfit have seized the opportunity to boil down their hard rock formula since the release of Mount The Mountain two years ago, and the result is an electrifying sledgehammer that cements the name Mammoth Mammoth. Kreuzung's (German for crossroads) groovy title track could quite possibly manage to crack open a beer through sheer soundwave force itself, and the bodacious saunter of 'Tear it Down' will have heads bobbing in no time. This album proves that the gritty rock 'n' roll manifesto of Mammoth Mammoth is truly realized, and they know exactly where they are headed next.

KEY SALES & MARKETING POINTS:

- Official music & lyric videos in the works for "Kreuzung", "Tear It Down" & "Mad World"
- Full servicing to national, regional, metal, lifestyle and online press and media outlets

IRMIN SCHMIDT

Villa Wunderbar

Street Date: 11/22/19

Mute are pleased to announce the release of Irmin Schmidt's *Villa Wunderbar* on November 22. This piece will be on limited edition clear vinyl with a booklet containing extensive notes.

This updated version of the Can founder's retrospective compilation album includes music from 2018's *5 Klavierstücke* and other tracks released on vinyl for the first time. The compilation includes tracks such as *Villa Wunderbar*, *Kick On The Floods* and *Bohemian Step*, alongside remixes by Schmidt of two Can tracks, *Alice* and *Last Night Sleep*, as well as extracts from his extensive soundtrack work.

With the heartbreaking passing of Jaki Liebezeit and Holger Czukay in 2017 – and Michael Karoli in 2001 – Irmin Schmidt is now the last living founding member of CAN, one of the most celebrated avant-garde bands in music history.

BROTHER ALI SECRETS & ESCAPES

[PRODUCED BY EVIDENCE]

Secrets & Escapes is a compendium of Brother Ali's time with Evidence over the course of three trips to California, recording in a Venice garage with no regard for pleasing the internet or competing with the music industry. Evidence chopped up records on old-school samplers and ran them through a compressor (2 track) so they couldn't be re-arranged or mixed. Brother Ali sat with the mic and spit rhymes as they came to him, without writing or organizing them into songs. Ev smoked a lot of weed, Ali prayed a lot, and their influences on each other can be heard in the recordings. Every time they made something that reminded them of what they've become known for, they threw it away and started something new. **Talib Kweli**, **Pharoahe Monch** and **C.S. Armstrong** all came through to bless the project with contributions too. This album is two friends making rap music for no other reason than because it's what they love to do.

Now available in physical form Brother Ali's *Secrets & Escapes* comes packaged as a 12" picture disc vinyl with die cut jacket, sleeve and digital download card, or in a plastic jewel case with full color CD imprint and sticker with album liner notes.

- Headlining US midwest tour Dec. 11th - Dec. 20th.
- Headlining "Secrets & Escapes" tour to support album starting February 2020.

Sodom

“Out Of The Frontline Trench”

PARENTAL
ADVISORY
EXPLICIT CONTENT

‘Out Of The Frontline Trench’ forging an arch between (Sodom’s) past, present and future.

There can be no doubt: The latest Sodom line-up oozes energy and imagination, which they are fortunately happy to share with their fans, making the wait until the release of their next album more bearable thanks to ‘Out Of The Frontline Trench’.

ACROSS THE BARRIER OF SOUND

PostScript

KEY SELLING POINTS

- The final recordings from the last Game Theory line-up featuring Michael Quercio (The Three O'Clock).
- LP contains 14 commercially unissued tracks (one previously included on a fan club only release).
- CD/Digital adds 10 more previously unissued tracks.
- The last recordings made by Game Theory.
- Packaging contains photos, liner notes & remembrances from members of Wilco and Guided By Voices

THROUGHOUT THE 1980S, THE CALIFORNIA BASED GAME THEORY WAS ONE OF THE MOST original (and critically acclaimed) indie-rock bands. Their blend of '60s and '70s pop influences such as Todd Rundgren and Big Star coupled with a post-punk energy led to a string of diverse albums—nearly all produced by Mitch Easter of Let's Active.

For the past several years, Omnivore has painstakingly reissued each and every one of their original albums with the addition of a slew of unreleased bonus tracks. Their final album, 1988's *Two Steps From The Middle Ages* was reissued in June 2017. That appeared to be the final chapter of their story, or was it?

Hardcore Game Theory fans still talk about the band's final line-up that toured the West Coast, but never released an album. Circa 1989–90, the band was rejuvenated with leader Scott Miller being joined by the legendary Michael Quercio from The Three O'Clock (who had recently broken up). Other interesting line-up changes included longtime Game Theory drummer Gil Ray moving over to guitar and keyboards, while Scott Miller's former Alternate Learning bandmate (the original template of Game Theory) Jozef Becker, formerly of True West and Thin White Rope, joined as the drummer. Jozef is the brother of Game Theory's original keyboardist, Nan Becker.

Across The Barrier Of Sound: PostScript is the album that might have been at the time. There's a blend of home and studio and live recordings. Songs that many fans haven't heard unless they were lucky enough to catch a live show at the time—and some songs which reappeared in significantly different form on the debut album from Scott Miller and Jozef Becker's post-Game Theory band The Loud Family, *Plants And Birds And Rocks And Things*. Miller uniquely blended classic pop songwriting with groundbreaking art-rock influences, which is reflected in home recordings of Brian Eno's "Needle In The Camel's Eye" and The Nazz's "Forget All About It".

There's a feast of Scott Miller penned delights on the 14-song vinyl LP, and the CD includes an additional 10 unissued bonus tracks with Game Theory originals and songs originally recorded by artists such as Big Star and The Three O'Clock. Journey *Across The Barrier Of Sound* and enjoy this *PostScript* to a great band's career, but also as a wonderful album in its own right.

1. **All My Loving** (Home Recording)
2. **My Free Ride**
3. **Go Back To Sleep Little Susie (Aerodeliria)** (Home Demo)
4. **Forget All About It** (Home Recording)
5. **Take Me Down (To Halloo)**
6. **The Second Grade Applauds** (Home Demo)

of Montreal

UR FUN

Record Label: Polyvinyl Record Co.

STREET DATE

January 17, 2020

The new love we heard about on the last of Montreal record, *White is Relic/Irrealis Mood*, is settling. If that was the falling-in-love record, then this is the staying-in-love record. That was the easy part; this is the interesting part, the challenging part, the next chapter of Kevin Barnes' autobiographical album streak, *UR FUN*.

Inspired by albums like **Cyndi Lauper's** *She's So Unusual* and **Janet Jackson's** *Control*, Barnes set out to make *UR FUN* into the kind of album where every song could be a single, complete with huge hooky choruses and nostalgic dance grooves. The result is an unstoppably fun album that could also pass for a carefully sequenced greatest-hits collection if taken out of context.

UR FUN is another fascinating look into what makes Barnes one of the most prolific and gifted songwriters of this decade.

MAGNUM

THE SERPENT RINGS

MAGNUM GUITARIST TONY CLARKIN IS A MAN WHO SEEMS TO NEVER STOP WORKING. HE IS RESPONSIBLE FOR WRITING ALL THE MATERIAL RELEASED BY THE BAND, AND ON TOP OF THAT HE PRODUCES THEIR ALBUMS FROM THE VERY FIRST DEMO TO THE FINAL MIX.

“As soon as an album is finished, I start to collect new ideas,” he explains. “That’s how I’ve worked since the early seventies, for me that’s the ideal method.” On their latest album *The Serpent Rings* (available on Steamhammer/SPV from 17 January 2020 on CD, double vinyl LP, and for digital download), Clarkin and Magnum’s other original member, vocalist Bob Catley, prove all over again just how perfectly this established system works.

LAUMÉ

WATERBIRTH

On January 17th, the synth-pop project Laumé (rhymes with Pflaum) will deliver the aptly-titled new LP, *Waterbirth*, by way of Carpark Records, finally sharing her most lyrically complex and musically infectious body of work to date. The New Zealand-born songwriter and former Yumi Zouma frontwoman and co-founder, Kim Pflaum, worked with French producer Rude Jude to craft a 13-track LP that broadens the scope of Laumé. The irresistibly vibrant and funky sounds of each instrumental are inspired by visionary pop artists like Sade, Kate Bush, and Grimes, but sit in stark contrast with the ideas explored in Pflaum's writing. "Spells (Oedipus)" finds Pflaum knocking the antagonist down a notch, and doing so in style overtop a punching kick drum and groovy synths. Since releasing her debut EP, *Bad Humors*, under the moniker MADEIRA, Pflaum has renamed the project, had a stint in London, and spent the past three years working to better understand the complexity of the world around her. Her travels and new experiences shaped both the content and construction of her songwriting and recordings, giving way to this expansive new full length.

Between 2016 and 2019, Pflaum wrote and recorded new material for *Waterbirth* everywhere she had the space to—from Okie Dokie studio in Auckland, to flats around London, to even a train across Poland. "I began to question human nature and who we are," Pflaum recalls. "We're so complex and we have these dark sides to us—I'm equally reflecting on myself at the same time" as heard of "Darkside." Each of her new tracks began to form like Russian dolls, filled with layers of meanings that are not easy to spot at first glance. Pflaum explains "Although at one level it might sound like I'm singing about a certain thing, I'm usually singing about something else altogether on another level."

In late 2017, Pflaum traveled to eastern Europe, where her grandfather fled Poland during WWII, in an effort to learn more about her family roots firsthand, and examine the deeper parts of her psyche. "Pflaum became more interested in lineage and the cycle of life, and the concept of birth and rebirth unified the new songs she was writing. "When I was a young child I drowned, so in a way the album is a reflection on getting another chance," explains Pflaum, "The album is actually dedicated, in part, to the two people who rescued me from the water, as I've never been able to thank them." Throughout the record Pflaum is constantly balancing the power of nature and the fragility of humanity, capturing the existential tension between both in songs like "Villains" and "Klara." Slowly as Pflaum and Rude Jude worked together, each song they crafted would reinforce the record's sonic and lyrical duality. Rude Jude's production is reminiscent of the pop golden age of the '70s and '80s, but Pflaum's writing and intentions make the album feel undeniably current.

THROBBING GRISTLE

A Souvenir of Camber Sands

Street Date: 12/13/19

Mute are happy to announce the release of Throbbing Gristle's *A Souvenir of Camber Sands* digitally, on double CD, and limited edition double white vinyl with high definition audio download on December 13.

This release is the infamous live show recorded at Throbbing Gristle's 2004 performance as part of Jake and Dinos Chapman's All Tomorrow's Parties festival line up. The performance and CD were both dedicated to their dear friend and co-conspirator, John Balance, who passed away in November 2004. The CD-R set was on sale minutes after Throbbing Gristle finished performing. The few remaining copies of this limited edition set were briefly available through Mute Records, but quickly sold out. This is the first CD reissue, and the first time *A Souvenir of Camber Sands* is available on vinyl and digital platforms.

Throbbing Gristle are Chris Carter, Peter 'Sleazy' Christopherson (who sadly passed away on November 25, 2010), Cosey Fanni Tutti, and Genesis Breyer P-Orridge.

Other recent Throbbing Gristle re-releases on Mute include *D.o.A.*, *Throbbing Gristle's Greatest Hits*, and *Part Two: Endless Not + TG Now*.

THROBBING GRISTLE

Part Two: The Endless Not + TG Now

Street Date: 12/13/19

Mute are happy to announce the release of Throbbing Gristle's *Part Two: The Endless Not + TG Now* digitally, on double CD, and limited edition triple color vinyl box set with high definition audio download on December 13.

Part Two: The Endless Not was originally released in 2007, and was the band's first full length studio record in 25 years. Pitchfork wrote, "*The Endless Not* features some of the subtlest songwriting of TG's career, playing that knot of tension for all its worth and all the more disturbing for how pensive and restrained it feels". PopMatters said that the album "sounds like a core of musicians who have rediscovered whatever spark it was that led them to create the entity that they are now so often defined by". The album has not been available on vinyl since its initial release.

TG Now was released in 2004 through the band's own record label Industrial Records and was originally sold at the RE:TG live show at the Astoria in London.

Throbbing Gristle are Chris Carter, Peter 'Sleazy' Christopherson (who sadly passed away on November 25, 2010), Cosey Fanni Tutti, and Genesis Breyer P-Orridge.

Other recent Throbbing Gristle re-releases on Mute include *D.o.A.*, *Throbbing Gristle's Greatest Hits*, and *A Souvenir of Camber Sands*.

VICTORIUS

SPACE NINJAS

FROM HELL

THE SPACE NINJAS ATTACK

THE EPIC POWER METAL CHRONICLES OF VICTORIUS
CONTINUE WITH A BRAND NEW CHAPTER IN SPACE!

RELEASE DATE: 01/17/2020
ARTIST: VICTORIUS
TITLE: Space Ninjas From Hell
CATALOG #: NPR892JC
LABEL: Napalm Records
COUNTRY: Germany
FILE UNDER: METAL, POWER METAL
FORMAT: CD / Digital
LIST PRICE: \$13.98
UPC: 840588125210 (CD) / 840588125234 (digital)
BOX LOT: 25

5% Discount through 01/21/2020 (Returnable)

DESCRIPTION:

VICTORIUS take you to a world of myths, tales and the long forgotten space ninjas: one evil ninja clan, called the Sunbladers, joined forces with the dragon god Ling Long to enslave the world! And in the very last moment, when the sunbladers were about to attack with the power of the dragon god, some super-sensei-Wu-Shu-wizard-master appeared, stopped the ninjas, cursed and banned them from earth forever... what an asshole-wizard! One thought the danger was banned. And in fact, mankind lived on for many centuries in peace, not knowing the ninjas survived. In space! For the past ages they hid in their secret headquarter, the Cosmic Space Commando Base, on the dark side of the sun regaining their power! Fueled by hatred, stronger and more evil than ever before, with improved weapons and ninja-skills, they joined forces with the dragon god again! The sunbladers are back! Sworn to attack they will enslave mankind again! Well, at least they will try! Now planet earth faces the greatest danger since...no idea! But damn, mankind is fucked now!

As a multidisciplinary artist, **Evidence** is able to effortlessly express his creativity in many forms. From his early success, rapping in the seminal independent hip-hop group, Dilated Peoples, before excelling as a solo artist, to earning praise as an esteemed photographer, to becoming a Grammy-award winning producer, it's clear that Evidence has an ability to achieve greatness in his creative endeavors. No matter what discipline he chooses to explore, all of his compositions are lauded as both cutting edge and familiar.

Following the vein of his earlier beat-tape series (*Yellow Tape Instrumentals*, *Green Tape*, *Red Tape*, etc.), Evidence continues his production legacy with a brand new series to raise the bar. ***Squirrel Tape Instrumentals vol. 1*** is a 26-track collection of unreleased instrumentals, packed full of emotive melodies woven into hard-hitting drum breaks. Each beat transports the listener to a hypnotic state of nostalgia, perfect for study sessions or writing your own hits.

As a special treat, the vinyl has been pressed on three different, limited colors of vinyl, and packaged at random, so opening the record is just the first of many pleasant surprises in store for you. Also available on three different colors of cassette tape to rock your box.

Just like the front teeth of a squirrel, Ev's growth is never-ending, and *Squirrel Tape Instrumentals vol. 1* serves as evidence of just that.

- Co-headlining US & Canada Tour with Brother Ali in support of *Secrets & Escapes* (Nov 7th – Nov 23rd, 2019).

of Montreal *Skeletal Lamping*

Record Label: Polyvinyl Record Co.

STREET DATE

January 17, 2020

Skeletal Lamping may be bizarre, complicated, and dense, but it's also extremely catchy and packed with slinky grooves that demand a physical response. Instantly ingratiating hooks abound as Kevin Barnes' compositions constantly mutate and shape-shift in ways that defy conventional pop song structure and album sequencing.

Though of Montreal have never been strangers to expressing sexuality in their music, *Skeletal Lamping* finds Barnes fully immersed in the topic. Throughout the record, sexuality is presented as a broad continuum encompassing a wide range of experiences, anxieties, emotions and orientations. In *Skeletal Lamping*, Barnes argues that identity is fluid, malleable, and limited only by one's imagination.

SELLING POINTS

- First time on colored vinyl!
- Deluxe 2xLP packaged in gatefold jacket with printed inner sleeves and a giant die-cut horse poster
