JOJI

NECTAR

OVERVIEW:

Japan-born singer and producer Joji is a multi-talented visionary, with a cult following from every corner of the internet. Joji is one of the most enthralling artists of the digital age. He has a total vision for his work, not just in the writing and producing of his music, but artwork, videos, merch, and live performances as well. It's a fully realized world that his fans can inhabit and explore—and see themselves in. “My music is not biographical,” he says, but even still, the deep, heavily shaded emotions in his songs are genuine and they speak to anyone who has ever felt stuck on the outside looking in, who knows what it means to not belong. In 2019, Joji sold-out his North America tour within minutes and performed at some of the most coveted festivals across the world, including Reading & Leeds in the UK and Lollapalooza. As Joji surpasses 5 billion global streams, 2020 promises to be his biggest year to date.

Joji's sophomore studio album, *Nectar*, arrives September 25. With a star-studded cast of features across the 18-track album, *Nectar* is Joji's most ambitious project to date. From the first 4 singles alone, *Nectar* has already garnered 750M+ streams—with “Sanctuary” earning RIAA Gold certification. “Daylight,” the fourth pre-release track from *Nectar*, is an anthemic summertime hit featuring crisp Diplo production. It follows the album's first 2020 single, “Run,” which earned Joji his highest-ever bow on the Billboard Hot 100 and his television debut on the Tonight Show with Jimmy Fallon; and second single “Gimme Love” which Complex hailed as “a sticky pop anthem with haunting vocals.”

In the build-up to the release of *Nectar*, critics have already recognized Joji's immense growth as an artist from *BALLADS 1* to now. A project Joji describes as having “a sense of urgency but calm”, *Nectar* occupies space where genres melt into each other, where downtempo R&B slides into invigorated pop, where indie alternative creeps into electronica; where emotions get tangled in an exploration of what every living being is innately drawn to - whether for pleasure or for survival - and the ends they'll go to reach it.

The album showcases the wide-ranging universe of Joji's collaborators, including New Zealand-based indie-pop darling BENEË, globetrotting producer-DJ-musician Diplo, Atlanta rapper mainstay Lil Yachty, Mexican-American R&B singer-songwriter Omar Apollo, Japanese lo-fi bed oom pop up-and-comer rei brown, and critically-acclaimed experimentalist Yves Tumor. Featuring standout production from Diplo, Bekon & The Donuts (Kendrick Lamar's DAMN., Rich Brian's The Sailor), Justin Parker (Lana Del Rey's “Born To Die”, Rihanna's “Stay”), Kenny Beats (Ed Sheeran's “Take Me Back To London” and DaBaby's “Toes”) and more, the album's thematic and sonic diversity remains unified by Joji's lyricism and tone. *Nectar* comes from the in-between place that Joji's work paces, characterized by its evocatively smeared quality.

- *Nectar* is Joji's highly anticipated second full length studio album featuring notable collaborators from producers Diplo, Bekon & The Donuts, and Kenny Beats, and feature verses from BENEË, Lil Yachty, rei brown, Yves Tumor and Omar Apollo.
- Over 750M+ streams on the album's first 3 single, with “Run” earning Joji his first late night TV performance on Jimmy Fallon. The single debuted at #68 on the Billboard Hot 100, #57 on the Billboard Canadian Hot 100, #46 on the OCC Singles Chart (UK) and #39 on the ARIA Singles Chart (AU)
- RIAA-certified Gold 2018 debut album *BALLADS 1* charted at #3 on Billboard's Top 200, making Joji the first Asian-born artist to top Billboard's R&B/Hip-Hop Albums chart
- Headlined a sold out 13-date 2019 North America tour & 6-date European Tour, with notable festival performances at Lowlands, Reading & Leeds Festivals, Westward Music Festival, Osheaga Music Festival, and Lollapalooza

ANTI-ICON

Street Date: December 11, 2020

ANTI-ICON tours Ghostemane's mind, for better and worse. He mined his darkest experiences, tore open the wounds of his past, conjured every sound he's ever loved to conceive the heaviest experience he could envision. The rise and fall. Ecstasy in pain. The fragility of the quiet moments after the crash. The deafening silence filling your brain, forcing you to scream it away. The battles raging inside you. That's the sound of ANTI-ICON.

Ghostemane Bio:

Eric Ghoste has been releasing music as Ghostemane since 2014. With every album, Ghoste has grown as a producer, writer, and performer, blending his influences with increasing fluidity and ambition. His 2018 album N/O/I/S/E marked his most aggressive, advanced work yet, setting the table for his most anticipated album to date: ANTI-ICON. ANTI-ICON is the culmination of Ghoste's musical mutations, the personal sonic statement he's been building towards his entire career.

A Certain Ratio I'd Like To See You Again

Street Date: 12/11/20

Mute are delighted to announce the reissue of *I'd Like To See You Again*, the 1982 album from A Certain Ratio. This is one of four limited edition reissue pressings to commemorate the release of the new A Certain Ratio album *ACR Loco*. They will be available on limited edition white vinyl with black and white versions of the covers.

Following the new wave classic *Sextet*, *I'd Like to See You Again* points toward a more minimal, stripped-down funk sound, influenced heavily by the New York club scene of the early '80s in which A Certain Ratio immersed themselves following their formation in Manchester. The departure of vocalist Martha Tilson left the band working in a more rhythmic instrumental approach, eschewing the pop forms of *Sextet* and focusing on a harder electro-funk sound.

The fact that this album fared well on the dancefloor some 20 years after its release may indicate that A Certain Ratio was ahead of their time. Their influence could be heard cropping up in strains of the Brit-pop, techno, post-rock, and house of the late '90s. *I'd Like to See You Again* is an album that deserves a revisit.

Kinks - Lola versus Powerman and The Moneygoround, Part One, commonly abbreviated to Lola Versus Powerman, or just Lola, is the eighth studio album by British rock band the Kinks, recorded and released in 1970. A concept album, it is a satirical appraisal of the music industry, including song publishers, unions, the press, accountants, business managers, and life on the road.

Although it appeared during a transitional period for the Kinks, Lola Versus Powerman was a success both critically and commercially for the group, charting in the Top 40 in America and helping restore them in the public eye, making it a "comeback" album. It contained two hit singles: 'Lola', which reached the #9 US, #2 UK and Germany - becoming the Kinks' biggest success since 'Sunny Afternoon' in 1966 - and 'Apeman', which peaked at #5 in the UK and Germany. The track 'Lola', written by Ray Davies, allegedly details a romantic encounter between a young man and a possible trans-gender person whom he meets in a club in Soho, London.

MEG MYERS

THANK U 4 TAKING ME 2 THE DISCO + I'D LIKE 2 GO HOME NOW

MESSAGE FROM MEG MYERS:

"I'VE BEEN GOING BACK AND FORTH FOR A WHILE NOW ON WHETHER OR NOT I SHOULD RELEASE THESE TWO BODIES OF WORK. THERE IS A LOT OF PAIN AND SUFFERING IN THESE SONGS BUT ALSO A LOT OF HOPE AND HEALING, AS I FEEL THE MAJORITY OF MY MUSIC HAS ALWAYS ENCOMPASSED. IF I WAS RELEASING A BOOK, I WOULD PUBLISH THE ENTIRE BOOK FROM BEGINNING TO END, OTHERWISE HOW WOULD THE READER TRULY BE ABLE TO APPRECIATE AND RECEIVE THE WISDOM IN THE MAGIC THAT BEGINS TO UNFOLD IN CHAPTER 11 UNLESS THEY HAVE FIRST DIGESTED THE DEPTH OF THE HEARTACHE THAT WAS EXPERIENCED PRIOR. WELL, THAT IS HOW I AM VIEWING THESE EP'S. AS AN IMPORTANT PART OF MY BEAUTIFUL CRAZY HEALING HUMAN EXPERIENCE JOURNEY THAT LED ME TO MY SPIRITUAL AWAKENING AND REMEMBERING WHY I CAME HERE IN DEC OF 2018. SINCE THEN I HAVE BEGUN UNLOCKING MY TRUE DIVINE SOUL PURPOSE ON THIS EXTRAORDINARY PLANET AND HAVE WRITTEN ALMOST ALL OF MY 3RD ALBUM ON MY PIANO IN MY HOME IN PASADENA, CA, WHICH I WILL BE RELEASING NEXT YEAR. BUT UNTIL THEN, HERE ARE SOME B-SIDES FROM MY SECOND ALBUM "TAKE ME TO THE DISCO"; SPRINKLED WITH A COUPLE NEWER SONGS SUCH AS MY NEW SINGLE "ANY WAY YOU WANNA LOVE" AND A DUET I COLLABORATED ON WITH MY VERY TALENTED LIGHTWORKER STARSEED FRIEND MORGXN TITLED "I HOPE YOU CRY". SO, WITHOUT FURTHER ADO, I HOPE YOU ENJOY THESE MONUMENTAL CHAPTERS OF MY LIFE, THANK U 4 TAKING ME 2 THE DISCO + I'D LIKE 2 GO HOME NOW, AND I'M LOOKING FORWARD TO SHARING WITH YOU A VERY VULNERABLE, EMPOWERING AND LIBERATING CHAPTER 11. MANY BLESSINGS TO YOU ALL!"

4LYFE LOVE, MEG

COLD WEATHER COMPANY

WARMTH IN WINTER

For fans of Tall Heights, Sufjan Stevens, & Indie Folk!

As the band states, "We're called **Cold Weather Company**, so it was only a matter of time until a holiday song was written. We're very excited to share 'Warmth in Winter' with you, a song about the nostalgia of wintertime and the memories shared with loved ones, wherever you or they are."

This release is being limited to 300 copies and was mastered by Grammy-winning engineer **Alan Douches** (*Sufjan Stevens, Beirut, Grizzly Bear*).

MIRAGES

For fans of Ryuichi Sakamoto, Boards of Canada, Linda May Han Oh, Supersilent, Nels Cline, Makaya McCraven, and Haruka Nakamura!

Born in Pinsk, Belarus in 1984 and immigrating to Canada in 1992 with the collapse of the USSR; **Alexei Orechin** has been actively shaping musical environments with his current projects **No Seas**, a solo project for guitar and tape, and leading his own ensemble incorporating jazz, chamber, and experimental elements into his compositional work.

A diverse talent that is reflected in the company he has shared the stage with: **Nas, Akae Beka, Rana Mansour, Shad, Yaadcore**, and **Sina Bathaie**. He has played in USA, Mexico, Europe, and Russia. Performances include the **TD** and **Montreal Jazz Festivals, Caribana, Irie Music Festival, Tirgan Festival**, and **Pride Toronto**. His music for film has been featured at **TIFF, CFC, NFB** and the **Warsaw Jewish Film Festival**. He has been featured on **CBC, Noisey, Global News, The Star, Dub Rockers, Huffpost, Afropunk**, and **Relix** magazine.

2020 saw the premier of '1992 Ambient', a 45-minute long composition that is a 'therapeutic experiment in slowly melting sound and colour; representing the acculturation and restructuring oneself through emigrating from Russia to Canada in 1992'.

2020 will also see the release of his debut full length album **Mirages**; an album that showcases his diverse and ever evolving style of composition, ranging from moments of melodic solitude to fractal experimentalism.
