**THE JIMI HENDRIX EXPERIENCE  
ARE YOU EXPERIENCED?**

**STREET DATE: 12/27/2019**

### DESCRIPTION

Analogue Productions presents the SACDs Jimi Hendrix fans have asked for: Hybrid SACDs of both Axis: Bold As Love, as well as Are You Experienced, the 1967 debut full-length studio release by the Jimi Hendrix Experience. Newly remastered by Bernie Grundman from the original analog master tapes, each disc contains the mono and stereo mixes for each of these historic albums. This is pure DSD sound to applaud!

When first released in 1967 in the U.S., Are You Experienced turned the music world upside down as Hendrix showed everyone exactly what it meant to be "experienced." This SACD returns to the original 11-song version that was originally released in August 1967. It contains such eternal classics as "Hey Joe," "Purple Haze," "The Wind Cries Mary," "Fire," and the title song, whose backward drum and guitar tracks and otherworldly guitar work still sound innovative almost a half-century later.

# ELECTRIC GUITARS

## 10 SONGS 10 CITIES

### ELECTRIC GUITARS ARE READY WITH A BRAND NEW LIVE ALBUM.

In the spring of 2018 Electric Guitars played a Danish tour, recording all the concerts. Now they have chosen 10 songs from 10 different cities, hence the record title „10 Songs 10 Cities“, and mixed it the old way by Soren Andersen (Glenn Hughes, Mike Tramp) in the Medley Studio in Copenhagen. Many have requested a live album from the band and the record offers songs from their entire back catalog of 3 studio recordings (Electric Guitars 2013, Streng Fever 2015 and Rock'n'Roll Radio 2017). The band has not been active for almost 2 years as both guitarists have been busy touring in Denmark and the rest of the world. Soren Andersen with Glenn Hughes & Jesper Binzer and Mika Vandborg with Ida Nielsen, Claus Hempler and Love Shop. However, this is about to change now. For the new live album marks the start of a series of concerts and several scheduled releases and touring activity starting in December 2019.

# JUNKYARD DRIVE

## SIN & TONIC

### FOR THE FIRST TIME ON VINYL: THE DEBUT ALBUM "SIN & TONIC" FROM DANISH HARD ROCK KINGS JUNKYARD DRIVE.

The debut album of Junkyard Drive from 2017 reflects Rock N' Roll from the 80's, with a modern twist. It is produced and mixed by Soren Andersen (Glenn Hughes, Electric Guitars, Mike Tramp), and is recorded live in the legendary Medley Studios, Copenhagen.

During the session a well-known American artist interrupted the band: "We were about to finish the album in Medley Studios, just a couple of weeks before heading to the States. We had just two days to record 4 tracks, everything was set up and we were ready to go. This is when Justin Bieber showed up in the studio with his whole entourage of bodyguards and men in suits and wanted to record a song! Bieber put us on a 6 hours hold, but when we got back in the studio we picked up the guitars and started shredding away, and we managed to stay inside our time limit." – Birk, lead guitar, Junkyard Drive The vision of the album is to bring honesty and dignity back to the music and get rid of things like X-Factor and DJ's. The lyrics are referring to a society where people are "experiencing" concerts through a smartphone instead of using their eyes, ears and brain.

Sin & Tonic includes the mega-hit "Geordie" and comes for the first time on vinyl with all new artwork by Roberto Toderico (Sodom, Sinister, Tygers of Pan Tang). Just in time for their upcoming European Tour with Eclipse from Sweden. See full dates on [FB.COM/JUNKYARDDRIVEOFFICIAL](https://www.facebook.com/junkyarddriveofficial). The LP will be released in only 300 copies.
