## AT THE MOVIES

The Soundtrack of Your Life - Vol. 1 (Re-release) – Release date: January 7th, 2022

The Soundtrack of Your Life - Vol. 2 – Release Date: January 7th, 2022

ATOMIC FIRE RECORDS / ADA

Everyone has their own memories and associations with the great songs of the classic films of the 80s and 90s! AT THE MOVIES put the Corona-related time in quarantine to good use and put their soft spot into action, creating unique new interpretations of these classic Soundtrack hymns. The initial spark for this project was ignited by Chris Laney (PRETTY MAIDS), who chatted about the idea with his musician colleagues Allan Sørensen (PRETTY MAIDS, ROYAL HUNT) and Morten Sandager (PRETTY MAIDS, MERCENARY) as well as Björn "Speed" Strid (THE NIGHT FLIGHT ORCHESTRA, SOILWORK) and AT THE MOVIES was born.

Metal-Heavyweights such as Pontus Norgren (HAMERFALL), Pontus Egberg (KING DIAMOND, WOLF) and Linnéa Vikström Egg (KAMELOT, THERION) as well as illustrious guests such as Ronnie Atkins (PRETTY MAIDS), Jacob Hansen (producer of VOLBEAT, PRIMAL FEAR) and Bruce Kulick (ex-KISS) completed the project, from which the albums "The Soundtrack Of Your Life" with Vol.1 (eighties) and Vol.2 (nineties) emerged. Featured are evergreens such "No Easy Way Out", "Maniac", "St. Elmo's Fire", "The Power Of Love", "The Heat Is On", "The Neverending Story", "The One And Only", "(I Just) Died In Your Arms", "(You Drive Me) Crazy", "Heaven Is A Place On Earth", "Crush", "I've Been Thinking About You" and "Venus"- all catchy tunes that you know and love, in a new, exciting and fascinating metal outfit.

Slinking out of the silky darkness of the midnight hour towards the blissed out champagne pinks and purples of twilight, **Angus Stone** returns with his beloved, intrepid **DOPE LEMON** project.

So say the people: the third album is the one to keep ears on & eyes peeled for, and we believe this is a true testimony for his **third heavy thinking Lemon album**, Stone steps away from the observatory of space from his earlier records and towards something glitzier and glammier but no less thoughtful.

This time, it's all about true love, manifesting the bright silver clouds that only exist in your deepest dreams, meeting that dream girl you thought was a figment of your imagination.

**The Rose Pink Cadillac has arrived right on time, and there's a ticket in your hot little hands to jump in and go for a ride.**

Far from a retread of his past lives — although, no doubt, the rich waters of 2019's **Smooth Big Cat** and 2016's **Honey Bones** are still ripe for exploration — this year sees Stone taking a running leap into the warm lagunas and restorative hot springs of glittering, gorgeous new love.

**Rose Pink Cadillac** was written and recorded by Stone under the spectre of global turmoil. Its sunkissed, unabashedly romantic outlook persists in spite of that: this is a paean to the spell that love puts us all under at one point or another, and an appeal to try and find that rarest of feelings even in times of strife. This is a record to put on with your loved ones, to let envelop and overtake you with its wash of feeling. There's a seat for all of us in the **Rose Pink Cadillac**.

**Dope Lemon will be touring for the first time in America in Summer 2022**

# POWER PALADIN

POWER PALADIN – „With The Magic Of Windfyre Steel“

Release date: January 7th, 2022

ATOMIC FIRE RECORDS / ADA

## With Great Power Comes Great Metal

Amongst metal circles, Iceland gets the seal of approval when it comes to the extreme field of music - acts like SÓLSTAFÍR, KONTINUUM and AUDN, but also young classic rockers such as THE VINTAGE CARAVAN have carried the music from the island state in the farthest corner of the European North West out into the world. POWER PALADIN, launched in Reykjavík in 2017 as Iceland's first and only Power Metal band, is now enriching the volcanic island. POWER PALADIN draw their influence from fantasy literature and the Heavy Metal greats of the 80s and 90s such as EDGUY, RHAPSODY, HELLOWEEN and BLIND GUARDIAN. The sextet holds a certain glam-touch and loves to ride past magical forests, castles and fire-breathing dragons at maximum speed. The mammoth hymn "Kraven The Hunter", POWER PALADIN's debut limited 7" single, simultaneously marks the first physical release on ATOMIC FIRE. It's quite a fitting debut for such an unparalleled catchy tune, which is in no way inferior to the full-length debut album, euphonically entitled "With The Magic Of Windfyre Steel". The band offers up hyper-melodic, fast, but always catchy Power Metal, all of the above reflecting one main topic: fun! Recorded in the summer of 2020, the nine numbers will finally be revealed to the metal community that has gained an absolute highlight. POWER PALADIN undoubtedly holds the future!

# DEXTER GORDON

## Daddy Plays The Horn

### 180-GRAM BLACK VINYL

Reissue of the 1955 Classic feat. “Confirmation,” “Autumn In New York” & “You Can Depend On Me.” **DEXTER GORDON** wasn’t quite THE Dexter Gordon when he made **DADDY PLAYS THE HORN**, but his unique, obtuse way of playing the saxophone and hitting his rhythm section’s playing at weird, swinging angles was already fully formed for this album. Recorded in between periods of tumult and distress—he was in and out of jail with a bear of a heroin addiction—Gordon is one of the finest men to ever put a reed in his mouth, and this album—particularly “Autumn in New York”—belongs in every discerning Jazzbo’s collection.
