## THE ART OF SURVIVAL

### Black Vinyl

Release Date: 3/10/23

#### BIO

After three decades, well over 20 million records sold, a GRAMMY® Award nomination, 1 billion streams, and a procession of #1 hits, **BUSH** stand tall as rock outliers whose imprint only widens as the years pass. Turn on rock radio, and it won't be long before you hear "Glycerine" or "Machinehead." On the big screen, their music courses through blockbuster franchises such as *John Wick*. On the road, they regularly pack amphitheaters and ignite festival stages. In 1994, the group delivered their seminal debut, *Sixteen Stone*. It notably achieved a six-times platinum certification, remaining a pillar of modern rock. *Rolling Stone* cited it among "1994: The 40 Best Records From Mainstream Alternative's Greatest Year," while *Stereogum* exclaimed, "It feels like music untethered from time, separate from its history." The triple-platinum follow-up, *Razorblade Suitcase*, bowed at #1 on the Billboard Top 200 and boasted "Swallowed," which garnered a GRAMMY® Award nomination in the category of "Best Hard Rock Performance." Their catalog spans the platinum *The Science of Things* [1999] through *Black and White Rainbows* [2017]. Most recently, 2020's *The Kingdom* arrived to acclaim highlighted by "Flowers On A Grave" and "Bullet Holes." Thus far, they have notched 23 straight Top 40 hits on the Modern Rock and Mainstream Rock charts, earning six #1 entries. As indefatigable as ever, they're still here too, which brings us to their ninth full-length offering, **THE ART OF SURVIVAL** [BMG]. These twelve tracks aren't just the sound of a band surviving though; they're the sound of a band bucking trends, breaking ground, and besting even their most celebrated canon.

#### MARKETING DRIVERS

- ★ **THE ART OF SURVIVAL** is the follow-up to 2020's critically acclaimed *THE KINGDOM*
- ★ "More Than Machines" Active Rock debut - most added track with 37 adds
- ★ **BUSH** has an AMA, a VMA, an MTV Movie Award, and a #1 album on Billboard

#### PRESS COVERAGE

"The group's incredible guitar riffs mixed with Rosedale vocals emphasizing the lyrics, created an impactful set that made the crowd go wild."

- **BLABBERMOUTH**

"ALT/ROCK HEROES" - **ROCK CELLAR MAGAZINE**

Additional coverage from...

- **CONSEQUENCE**
- **IHEART**
- **AUDACY**
- **ULTIMATE-GUITAR**
- **LOUDWIRE**

# FEVER RAY

## Radical Romantics

Street Date: 3/10/2023

Mute is excited to announce the release of Fever Ray's new album *Radical Romantics*, out March 10th on CD and digital formats. The limited edition red vinyl and black vinyl formats will follow on April 28th.

Radical Romantics presents Fever Ray's struggle with love, relationships, identity and self preservation. Featuring collaborations with Olof Dreijer (The Knife), Trent Reznor, Atticus Ross, Vessel, Aasthma and more, this album feels like the apex of their career, incorporating elements of The Knife and early Fever Ray, while looking steadfastly into the future. Includes the single "What They Call Us" which Pitchfork awarded with Best New Track. Fever Ray will tour worldwide in support of the album.

**FOR FANS OF:** The Knife, Perfume Genius, Bjork, Arca, iamamiwhoami, Yves Tumor, Eartheater

**PRAISE FOR "WHAT THEY CALL US":**

**THEM:** "What They Call Us' may be their most enigmatic output to date"

**SPIN:** "As foreboding and unusual sounding as what we've come to expect from Fever Ray, with fat electronic beats topped by wobbly, repeated synth figures."

**STEREOGUM:** "It's a thrill to have Fever Ray back in our lives again, intriguing and mystifying us in equal measure."

**PAPER :** "[What They Call Us] gives all the queer yearning, existential insecurity, enigmatic lyrics, spiraling synth arpeggios and cold formidable industrial beats we've come to love and expect from them."

## BIOGRAPHY

Born somewhere in the Arizona desert, Puscifer is an electro-rock band, multimedia experience, traveling circus, and alien abduction survivors. The group's catalog consists of three full-length studio albums—"V" is for Vagina [2007], Conditions of My Parole [2011], and Money \$hot [2015]—in addition to a series of EPs and remixes.

Beyond the core trio of Maynard James Keenan [vocals], Mat Mitchell [guitar, production], and Carina Round [vocals, songwriting], the group's ever-evolving ecosystem encompasses Greg Edwards (bass, guitar, keys), Gunnar Olsen (drums), as well as a

Agent Dick Merkin, and many more. Renowned for an immersive live show, the group's performances blur the lines between concert and theater, traversing the dusty American Southwest with Billy D and Hildy or the sweaty squared circle with Luchadores. They've brought this to life everywhere from Coachella to Bonnaroo.

## HIGHLIGHTS

- Super group featuring Maynard James Keenan (Tool, A Perfect Circle)
- Fan favorite album 'Money \$hot' available on vinyl for the first time in 7 years
- Over 115K total consumption albums for 'Money \$hot' sold in the US alone
- US touring in May 2023 around festivals including Sonic Temple, Welcome To Rockville and more

**ALI FARKA TOURÉ**  
**Voyageur**  
**RELEASE DATE: 10 Mar 2023**

Ali Farka Touré is well known as one of the most influential and talented guitarists that Africa has ever produced. His legacy and impact are hard to overstate: Ali's sound merged his much-loved traditional Malian musical styles with distinct elements of the blues, resulting in the creation of a ground-breaking new genre, now well known as the 'Desert Blues', earning him 3 Grammy awards and widespread reverence. 'Voyageur' is the first release of previously unheard music since 2010's Grammy-winning 'Ali & Toumani', and features a collection of recordings captured at various points in Ali's illustrious career. The album, which features fellow Malian superstar Oumou Sangaré on 3 tracks, reaffirms Ali's status as a globally revered legend of African music.

**TRACKLIST:**

1. Safari
2. Malahani
3. Sambadio (Acoustic)
4. Bandolobourou (feat. Oumou Sangaré)
5. Cherie (feat. Oumou Sangaré)
6. Kenouna
7. Sadjona (feat. Oumou Sangaré)
8. Sambadio (Electric)
9. Kombo Galia

# YOU ME AT SIX

## TRUTH DECAY

### BIOGRAPHY

As one of the biggest and most prolific British bands of the 21st century, You Me At Six are masters of their genre, representing Pop Rock & Emo on a global level, with two #1 UK Albums including 2021's SUCKAPUNCH, and a further 4 Top 10 records. With over half a billion streams across platforms, consistent past support from alternative and rock press, and proven mainstream appeal including 18 singles on the BBC Radio One playlist, Truth Decay sees the band return to their roots, with a proud homage to their peers and influences. As a living document of the genre and their own career to date, Truth Decay is a modern take on pop rock and emo, that cements You Me At Six as leaders of a scene currently enjoying its own renaissance, that continues to find mainstream appeal and a growing younger audience.

### SOCIAL REACH

### HIGHLIGHTS

- Over 212M streams in the US alone across entire catalog
- Recently wrapped Fall US tour supporting One OK Rock
- Radio support across campaign from BBC Radio One (Clara Amfo, Jack Saunders, Daniel P Carter, etc.) Absolute, Absolute Radio 20s (Playlist) and Kerrang! Radio (Playlist).
- Press coverage includes NME, Kerrang!, Rock Sounds, DORK, DIY, Daily Star and more, with Josh also appearing on the BBC World Service Podcast BBC Music Life. Equate shoot confirmed for 25th November.
- Extensive support from DSPs including playlist covers including The Rock List and Rock Rotation (Spotify), Fresh Rock and Rock Scene (Amazon) and Deezer's Hot New Rock.
- Across the campaign so far, monthly Spotify streams have grown by 28% to 7.2 million, and monthly listeners are now on 2.2 million (+20%).

**Overview:**

Death or Glory is the fifth studio album by German heavy metal band Running Wild, released 8 November 1989 through Noise Records. It is the band's last album with both guitarist Majk Moti and drummer Ian Finlay. Being one of their most successful releases, it contains the concert favourites "Riding the Storm" and "Bad to the Bone". This special silver vinyl version is limited edition.

**Barcode:** 4050538844672

**Territory:** World ex. China

**Overview:**

Under Jolly Roger is the third studio album by German heavy metal band Running Wild. It marked a stylistic turning point in which the group dropped the Satanic imagery they had previously used and adopted the pirate theme they would become known for, creating and influencing the later named pirate metal subgenre of heavy metal in the 2000s in the process. The album's title comes from the famous Jolly Roger, the flag used by pirates to identify their ships. This special grey vinyl version is limited edition.

**Title:** Under Jolly Roger

**Release Date:** 10-Mar-23

**Tracklist:**

1. Under Jolly Roger
2. War In The Gutter
3. Raw Ride
4. Beggar's Night
5. Raise Your Fist
6. Land Of Ice
7. Diamonds Of The Black Chest
8. Merciless Game

**The Mars Volta**  
**Landscape Tantrums**  
**(The Unfinished Original**  
**Recordings of De-Loused**  
**In The Comatorium)**  
**Black Vinyl**  
**March, 10<sup>th</sup> 2023**  
**4250795602699**  
**\$ 22.98**  
**Rock, Progressive;**  
**Alternative**

Lost for two decades, the recent rediscovery of Landscape Tantrums the first attempt at recording the music that would become The Mars Volta's De-Loused In The Comatorium revealed an important and hitherto missing chapter in the group's evolution. Selfrecorded by Omar (assisted by Jon DeBaun) at Burbank's Mad Dog Studios within a head spinning four days, Landscape Tantrums captures De-Loused in somewhat embryonic form, though much of what would make The Mars Volta's debut album such an electrifying, sublime experience was already in place: the fearless invention, the fusion of futurist rock elements and traditions from outside of the rock orthodoxy, the sense of virtuosity working in service of emotional effect. From a distance, The Mars Volta must have seemed as if they were on a high when they walked into the studio to record what they expected to be their debut album ("I didn't think of it as demos or a dry run," Omar says). The group had recently played the Coachella festival to rave reviews, a vindication of the quixotic risk Omar and Cedric had taken, quitting At The Drive In to lead such an uncompromising musical proposition ...

# CROOKED COLOURS

## LANGATA.

180 GRAM BLACK VINYL

IN 2019, PERTH BASED BAND CROOKED COLOURS RETURNED TO THE FOLD WITH THEIR SUPERB SOPHOMORE RELEASE 'LANGATA.'

ON THE ALBUM, CROOKED COLOURS HAVE CREATED A NEW WORLD; ATMOSPHERIC BEATS, SOFT VOCALS, SYNTHS AND GUITARS THAT MOVE HARMONIOUSLY THROUGHOUT - IT'S ADDICTIVE BLISS.

SINGLES "I'LL BE THERE," "DO IT LIKE YOU" AND "HOLD ON" ARE HIGHLIGHTS, BUT THERE IS SO MUCH MORE TO THIS RECORD - "NEVER DANCE ALONE" FEATURING THE FABULOUS LADYHAWKE IS MEDITATIVE, TENDER, AND SOFT, WHILE "I C LIGHT" IS DEEP AND HEAVY.

**A** I'LL BE THERE  
DO IT LIKE YOU  
HEART STRING  
JUST BREATHE  
I C LIGHT

# THE JEREMY EDGE PROJECT SAINTS AND SOULS VOL. 1

For fans of Joe Bonamassa, Eric Gales and Blues Rock!

After 4 top 50 Active Rock singles with Candlelight Red, Jeremy Edge launched The Jeremy Edge Project in 2020. Making a departure stylistically with more blues based, guitar based rock. According to Edge, this project has been brewing for a while and came by accident as personnel changes mid-recording session prompted him to make some tough choices about moving forward and finishing the record as a solo artist.

Now they are back with their sophomore effort **Saints and Souls**, being released in two volumes. This record was more than a year in the making and is in the spirit of the albums that inspired Jeremy to play. The album contains artwork and lyrical imagery inspired by New Orleans and some of the stories and folklore surrounding it. It is named as a tip of the hat to the Haitian traditions of "All Saints Day" and "All Souls Day" as a means of celebrating life and those who have passed. There is a recurring theme of light and dark and a struggle to overcome adversity. Some are personal stories, some about modern times and some based on fiction and folklore but all have this recurring theme.

The band features a guest appearance by **Derek Sherinian** (*Dream Theater, Black Country Communion*) playing keys on "Move On", with select tracks mixed by **Kevin "Caveman" Shirley** (*Aerosmith, The Black Crowes, Joe Bonamassa, etc...*), The band will be out on the road supporting this through 2023.

**The Jeremy Edge Project**

# M83 Fantasy

Street Date: 3/17/2023

Mute is excited to announce the release of M83's ninth studio album *Fantasy*, out March 17th on double black vinyl, CD and digital formats. The vinyl is packaged in a gatefold jacket and includes a lyric insert and m83 logo sticker.

Over the span of two decades, M83 mastermind Anthony Gonzalez has firmly established himself as an artist whose work transcends mere escapism in favor of full-on worldbuilding. Whether it be via his celebrated studio albums, film soundtracks, or compositions for stage productions, Gonzalez has proven that nothing surpasses his ability to perfectly encapsulate a specific time, emotion, or sense of place.

Now with *Fantasy*, the Platinum selling, GRAMMY-nominated artist returns with his most personal album to date. Featuring long-time collaborator Justin Meldal-Johnsen and Joe Berry, M83's touring keyboardist and sax player, the album was born out of extended jam sessions that lasted nearly a year. The result is an exuberant, live-sounding record where trademark M83 goosebump moments abound.

M83 will tour North America in 2023 in support of the new album.

### SALES POINTS

- First EGO TRIP worldwide release to all retailers
- Pop-Up EGO TRIP Roller Coaster Gatefold
- Standard Vinyl limited to 9,000 Units Worldwide

**PAPA ROACH** deliver their most diverse album yet, bringing together themes of rock, rap, alternative and pop in a style that is authentically their own, on their 11th full-length album in the 22nd year of their careers.

Tracks include the hard left turn of *“Swerve”* featuring **Jason Aalon of Fever 333** and **Sueco**, the 4-week-at-#1 Mainstream Rock Hit *“Kill The Noise”*, the anthemic *“Dying To Believe”*, and the latest #1 Mainstream Rock Hit *“No Apologies”*. The band continues to veer across traditional boundaries that most bands barely have the nerve to occupy, creating one of the most diverse and fearless discographies in Rock music.

# LEON RUSSELL

## SIGNATURE SONGS

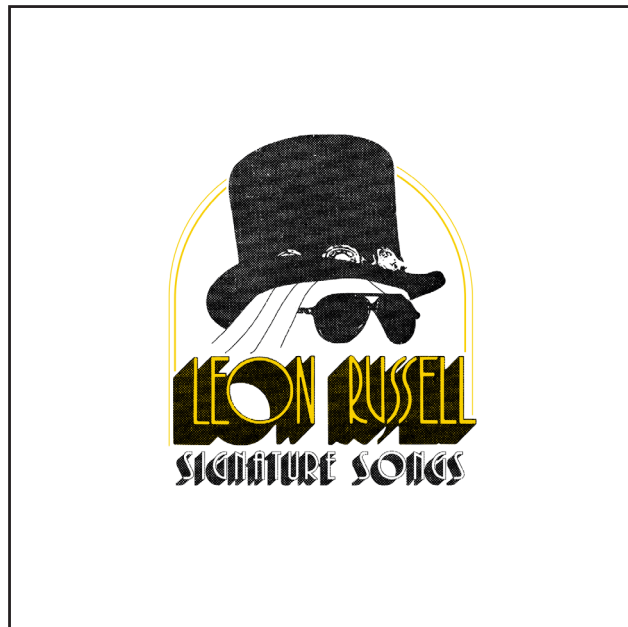

Release Date: 3/17/2023

Dark Horse Records is proud to release **LEON RUSSELL'S *Signature Songs***, a collection of intimate, stripped-down piano and vocal recordings, including takes on his timeless songs "A Song for You," "Tight Rope," "Stranger in a Strange Land" and "Hummingbird." Originally released in 2001 and long out of print, it is being reissued on CD and pressed for the very first time on vinyl. Leon's friendship with George Harrison is well documented, including his profound contribution to *Concert for Bangladesh*, so it's only appropriate that his catalog has found a home with Harrison's Dark Horse Records.

Leon Russell was one of the most prolific and respected rock musicians of the 20th century. His nickname, The Master of Space and Time, may help explain how he managed to appear on over 400 albums during his storied 50-year career. Leon has been inducted to both the Rock and Roll Hall of Fame and the Songwriter's Hall of Fame. Elton John has called him his "biggest influence as a piano player, a singer and a songwriter." With such a wide-ranging, varied discography, *Signature Songs* provides the perfect entry point for curious listeners – but his unique takes on classic songs like "Delta Lady" and "This Masquerade" are sure to please longtime fans as well.

### Tracklist:

1. A Song for You
2. One More Love Song
3. Tight Rope
4. Stranger in a Strange Land
5. Hummingbird
6. Back to the Island
7. Out in the Woods
8. Lady Blue
9. Delta Lady
10. Magic Mirror
11. This Masquerade

**Territory:** World ex. China

**Format:** CD Album

**Cat No.** BMGCAT763CD

**Barcode:** 4050538826074

**Territory:** World ex. China

**Overview:**

Marking their 15th studio album, We Are Motörhead features a cover of the Sex Pistols song 'God Save The Queen' for which the band recorded a video atop an open top London Routemaster bus. The album is indicative of the bands grimy attitude and is tight, blistering and typical of their long established sound. BMG are reissuing this album as transparent green vinyl and digipak.

**Title:** We Are Motörhead

**Release Date:** 17-Mar-23

**Tracklist:**

1. See Me Burning
2. Slow Dance
3. Stay Out Of Jail
4. God Save The Queen
5. Out To Lunch
6. Wake The Dead
7. One More Fucking Time
8. Stagefright / Crash And Burn
9. (Wearing Your) Heart On Your Sleeve
10. We Are Motörhead

**Cat No.** BMGCAT762CD

**Barcode:** 4050538826050

**Territory:** World ex. China

**Overview:**

Originally released on 10th March 1998, Snake Bite Love is Motörhead's 14th studio album. The album shows the less heavier side of the band, with several tracks that are slower than one might expect from Motörhead. However, Snake Bite Love still retains the classic mix of true heavy metal and rock n'roll that Motörhead do so well. BMG are reissuing this album as transparent red vinyl and digipak.

**Title:** Snake Bite Love

**Release Date:** 17-Mar-23

**Tracklist:**

1. Love For Sale
2. Dogs Of War
3. Snake Bite Love
4. Assassin
5. Take The Blame
6. Dead And Gone
7. Night Side
8. Don't Lie To Me
9. Joy Of Labour
10. Desperate For You
11. Better Off Dead

**Artist:** MESHUGGAH

**Title:** Koloss

**Pre-sale:** December 16<sup>th</sup>, 2022

**Release Date:** March 17<sup>th</sup>, 2023

**Label:** ATOMIC FIRE

**File Under:** METAL

**Description:**

Since forming in 1987, the Swedish sound architects known as **MESHUGGAH** developed into one of the most technically complex and virtuosic group of players the Metal realm has ever encountered, their distinctly unique brand of progressive groove-infused Death Metal inadvertently launching an entirely new subgenre!

Flashing back one decade:

After switch-flipping the Metal community upside down with “**obZen**” (2008) and continuously touring the entire globe, the iconic band had returned to their very own studio vault in early 2011 to record one giant monster of an album. The Swedish 5-piece have always dedicated their due time and utmost efforts to their music, and one always knows that it was more than worth the wait once they listen to the wonder of a new **MESHUGGAH** record for the first time.

As a result, “**Koloss**” once more showcased **MESHUGGAH** on top of the game that others in the field of math-, jazz-, djent- or whatever-you-wanna-call-it Metal, might come close to, but never will match.

Fast-forward to Present time, the year of 2022 now sees the re-release of this masterpiece in stunning new vinyl colors, (limited worldwide to 500 of each color) to complete every collector’s dream.

List Price: \$32.98

(Clear/red/transparent/blue vinyl)

**Release Date:** March 17<sup>th</sup>, 2023

**Label:** ATOMIC FIRE

**File Under:** METAL

#### Description:

Formed in 1987 in Umeå, Sweden, **Meshuggah** have gone on to be called “one of the ten most important hard and heavy bands” by **Rolling Stone** and have earned the respect and admiration from fans and musicians alike. The long journey from Sweden to **Ozzfest** began with their first release, usually referred to as **Psykisk Testbild** (roughly translated as “Psychological Test Picture”) even though it really has no title. Like their music, much of **Meshuggah’s** early history remains an enigma, but vocalist/guitarist **Jens Kidman**, guitarist **Fredrik Thordendal** and bassist **Peter Nordin** hammered out this vinyl-only release sometime around 1989. Drummer **Tomas Haake** joined shortly after, and the band began writing for their first full-length release, **Contradictions Collapse**.

A period of flux followed. **Kidman** put down the guitar to focus solely on his vocals, and **Haake’s** school chum **Mårten Hagström** joined. The band followed up **Contradictions Collapse** with two EPs (**None** and the now out-of-print **Selfcaged**), and the brilliant and critically acclaimed **Destroy, Erase, Improve** as well as the EP **True Human Design**. shortly thereafter. The next full length milestone by the band was the monumental 1998 release **Chaosphere**, which opened the door to extensive touring alongside big names and numerous prestigious festival appearances around the globe.

Although already planning to disappear into seclusion to work on the next studio record, the band landed a spot on possibly the most coveted tour every year - **OZZFEST** - while juggling dates with **System of a Down**, **P.O.D.**, **Down** and **Mushroomhead** on the off days. The band spent the months leading up the festival spending every waking moment working on nothing... literally. The most intense six weeks of the band’s professional and personal lives then spent recording in **Dug-Out Studios** with **Daniel Bergstrand (Stuck Mojo, In Flames)**, **Area 51** and **Fear and Loathing Studios** resulted in the masterpiece henceforth known as **Nothing**. After the mathematical precision presented on **Chaosphere**, the band offered up a more straightforward approach and created the heaviest album of their career.

Fast-forward to Present time, the year of 2022 now sees the re-release of this masterpiece in stunning new vinyl colors, (limited worldwide to 500 of each color) to complete every collector’s dream.

# The German Black Metal Force MYSTIC CIRCLE Returns With The Unholy New "ERZDÄMON" Masterpiece

**Artist:** Mystic Circle  
**Title:** Erzdämon  
**Pre-sale:** January 13th, 2023  
**VÖ-Datum:** March 17th, 2023  
**Label:** FIREFLASH RECORDS  
**Kategorie:** METAL

"2022 saw the unholy return of the German extrem metal band MYSTIC CIRCLE, releasing their self-titled new studio-album and marking a furious return, which even made them enter the official German album charts on a sensational #78. The inspiration kept flowing and the two main members Beelzebub and A. Blackwar created nine new tracks for their ninth studio album, which will be called ""Erzdämon"" (in English: archdemon) and see the light of day in March 2023 on their new label Fireflash Records.

„This new album is a logical continuation and further development of the previous album, more detailed and leading more into the world of horror. The satanic, demonic themes got combined with mystical legends of old stories that will make your blood run cold. Musically this is evoked with new and darker sounds and samples as well as classic heavy metal parts“, comments the band and describes their new journey as a mixture of their classics ""Drachenblut"" and ""Infernal Satanic Verses"" as well as their latest ""Mystic Circle"". „We gave the album a German title, because we want to close a circle and go back to our early days. ""Erzdämon"" sounds powerful and sublime and represents the album 100%.“

For the album cover, MYSTIC CIRCLE worked with Rafael Tavares again, who came up with the perfect artwork. The production with Nils Lesser continues seamlessly from the previous album: bombastic, brutal and massive! „The new record contains the fastest, but also the most doomy songs in the band's history“, the band sums up.

"Erzdämon" will be released on March, 17th 2023 on Fireflash Records, a sublabel of Atomic Fire Records.
