MAYDAY PARADE

What It Means To Fall Apart

Summary

Mayday Parade are an emo/rock band from Tallahassee, Florida. Over the course of the last 11 years, they've sold over 1,638,000 combined albums in the US alone. Four of their releases have sold over 100,000 units each, with their most successful album selling over 621,000. Mayday Parade has reached a staggering 709,000,000 streams in the US alone. Mayday Parade have headlined the Vans Warped Tour 6 times and started their own branded Sad Summer Tour. Their last headline tour did 96% sell-out business, playing 36 sold out shows in front of over 62,000 people. They have a rabid following that feels more like a family than a fanbase. Mayday Parade's highly anticipated 7th studio album "What It Means To Fall Apart" comes out on November 19th, 2021.

Selling Points

- Mayday Parade have sold over 1,638,000 combined albums (4 releases have sold over 100,000 units and 1 release has been certified Gold).
- Mayday Parade have over 60 videos on YouTube with over 1 million streams, and have recorded over 616,000,000 total streams on DSPs in the US.
- Produced by Zack Odom and Kenneth Mount (Jimmy Eat World, All Time Low) who also produced their certified gold album 'A Lesson In Romanticism' along with their self-titled album and most of their catalog
- Mayday Parade's last US headline tour did 96% sell out business, with 36 shows selling out, they played to over 62,000 people.
- Mayday Parade have headlined the Vans Warped Tour 5 times, and started their own branded touring festival Sad Summer.
- Single "Bad At Love" premiered on KROQ
- Band will be on the cover of Rock Sound in November/December
- Recent and upcoming festival appearances include Riot Fest (Chicago, IL), Four Chord Music Fest (Pittsburgh, PA), Furnace Fest (Alabama), Chain Fest (Orange County, CA), Emo Nite Vegas Vacation (Las Vegas, NV) and more.
- US tour planned Feb-March 2022

DARYL HALL & JOHN OATES

Marigold Sky

Release Date: 3/25/22

Rock & Roll Hall of Famers and legendary duo **DARYL HALL** and **JOHN OATES** are reissuing **MARIGOLD SKY**, their fifteenth studio album and their first to be released as independent artists back in 1997.

To celebrate the 25th Anniversary of the album, it is being made available for the first time on **double LP**, as well as an **expanded CD** format that includes three bonus tracks previously unavailable on the original album release. Regarded as a fan favourite, the album is a collection of exquisitely crafted soul-pop that is irresistibly smooth, laying bare the mastery of the duo's classic songwriting chops that has been prevalent throughout their career. Includes the singles "Promise Ain't Enough," "Romeo Is Bleeding" and "The Sky Is Falling."

Modern Thrash band INCITE from Phoenix, Arizona return with "Wake Up Dead",
a brandnew release, with 5 new tracks and 5 classics.

Artist: INCITE
Title: WAKE UP DEAD
Release Date: 03/25/2022

Label: ATOMIC FIRE RECORDS
File Under: METAL

Description:

Arizona groove metal hotheads Incite finally set fire to the Old World. After five relentless albums coming down like a ten ton hammer and with an insane touring schedule under their belts, Richie Cavallera and his gang of misfits gear up for their Atomic Fire debut "Wake up dead". This infectious collection of raucous new songs and remastered gems from their 15+ year career is once again proving that Incite indeed are the missing link between Machine Head and Lamb of God.

And no wonder, with a guy like this helming the enterprise: Richie Cavallera was simply born this way. He was baptized in a bar by Rob Halford's devil horns when only a few days old, he's the kid on the cover of legendary US thrashers Atrophy's groundbreaking "Violent by Nature" album. With legendary metal manager Gloria Cavallera as mom and thrash forefather Max Cavallera as stepdad, Richie was made for thrashing us. After starting Incite back in 2004, he gave it ample time to ripen and experimenting with a rotating cast of members before finally cooling off the forge and revealing the sizzling metallic beast that was years in the making.

For many years now, Incite are a visceral groove metal force to be reckoned with, the lovechild of Lamb Of God, Pantera and Machine Head. On their five albums "The Slaughter" (2009), "All Out War" (2012), "Up in Hell" (2014), "Oppression" (2016) and "Built to Destroy" (2019) they cemented their reputation as one of America's leading groove armadas, heavily hitting home with their blend of old school thrash majesty, timeless groove, frantic aggression, melody, skill, and bravado! What began as a band of greenhorns driving around the States in a shitty van thrashing small clubs has over time evolved into a band with the potential, the passion and the power to become one of groove metal's biggest acts.

Key Sales & Marketing Points:

- Well-established Thrash Metal band from Phoenix, Arizona
- Featuring Richie Cavallera on vocals
- Max Cavallera (Richie's father) performing guest vocals on single "Warsoup"
- Managed by Dez Fafara (DevilDriver) for Oracle Management (Cradle Of Filth, Wednesday 13 a.o.)
- Produced by Steve Everett (Suicide Silence, The Dillinger Escape Plan)
- Five brand new songs, plus 5 remastered classics from previous albums
- Advertising in all major magazines around the world in March
- Digital campaign and mediabuying on Youtube, Facebook, Instagram + 4 music videos
- Global PR by Atomic Fire team
- US Radio promotion by Skateboard Marketing (Motörhead, Black Sabbath, Anthrax a.o.) for all 4 singles, G/A/S radio promotion through Gordeon Music

RICHARD MARX

Stories To Tell: Greatest Hits And More (2LP 180-Gram Black Vinyl)

Release Date: 3/25/22

- ★ **SOUNDTRACK** to the best-selling book, *STORIES TO TELL: A MEMOIR*
- ★ **Includes never before released demos of his hits, live tracks & brand new recordings**
- ★ **Features Richard's Versions of his biggest hits!**

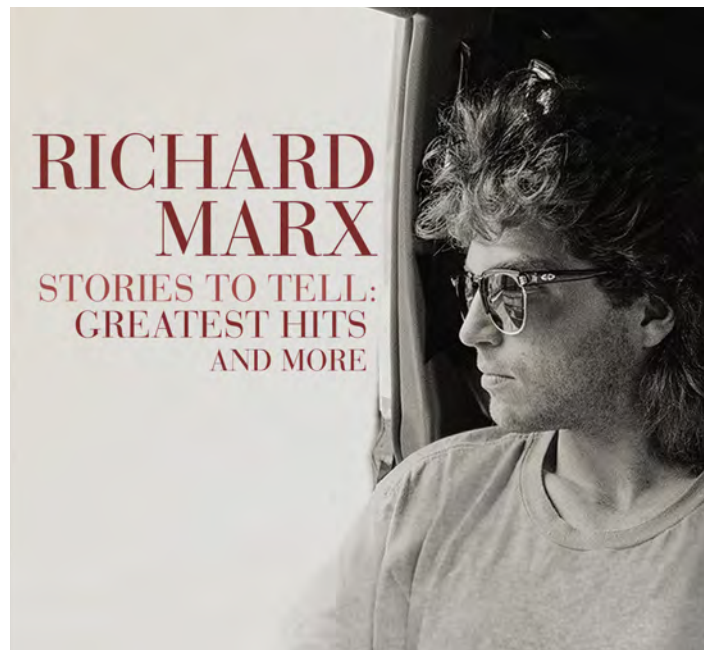

ABOUT THE BOOK:

Legendary musician **RICHARD MARX** offers an enlightening, entertaining look at his life and career.

Richard Marx is one of the most accomplished singer-songwriters in the history of popular music. His self-titled 1987 album went triple platinum and made him the first male solo artist (and second solo artist overall after Whitney Houston) to have four singles from their debut crack the top three on the Billboard Hot 100. His follow-up, 1989's *Repeat Offender*, was an even bigger smash, going quadruple platinum and landing two singles at number one. He has written fourteen number one songs in total, shared a Song of the Year Grammy with Luther Vandross, and collaborated with a variety of artists including NSYNC, Josh Groban, Natalie Cole, and Keith Urban. Lately, he's also become a Twitter celebrity thanks to his outspokenness on social issues and his ability to out-troll his trolls.

In *STORIES TO TELL*, Marx uses this same engaging, straight-talking style to look back on his life and career. He writes of how Kenny Rogers changed a single line of a song he'd written for him then asked for a 50% cut—which inspired Marx to write one of his biggest hits. He tells the uncanny story of how he wound up curled up on the couch of Olivia Newton-John, his childhood crush, watching *Xanadu*. He shares the tribulations of working with the all-female hair metal band Vixen and appearing in their video. Yet amid these entertaining celebrity encounters, Marx offers a more sobering assessment of the music business as he's experienced it over four decades—the challenges of navigating greedy executives and grueling tour schedules, and the rewards of connecting with thousands of fans at sold-out shows that make all the drama worthwhile. He also provides an illuminating look at his songwriting process and talks honestly about how his personal life has inspired his work, including finding love with wife Daisy Fuentes and the mystery illness that recently struck him—and that doctors haven't been able to solve.

STORIES TO TELL is a remarkably candid, wildly entertaining memoir about the art and business of music.

SUICIDE

Surrender: A Collection Limited Edition 2LP 140-Gram Blood Red Vinyl

Release Date: 3/25/22

“SUICIDE was the band that refused to die. The concept was so powerful that it kept Vega and Rev on a sporadic collision course of stages and studios for over forty years.”

—HENRY ROLLINS, *Surrender*

Mute / BMG announce **SURRENDER: A COLLECTION** by influential electronic-punk duo **SUICIDE** on 3/25/22.

This brand new, remastered collection spans Alan Vega & Marty Rev’s forty year career and serves as an introduction to their raw, eclectic and inspiring catalogue.

Although the band barely received any credit during their career, SUICIDE are cited as one of the most inspirational bands of the 1970s, influencing the likes Soft Cell, Depeche Mode and The Jesus And Mary Chain, whilst garnering fans in Nick Cave, Jim Thirlwell, M.I.A., Spiritualized, Lydia Lunch, Bobby Gillespie and Savages to name a few.

“SUICIDE made some of the coolest, most uncompromising music ever inflicted on our species. This gathering of songs is not a “best of” nor is it a “definitive” all-you-need-to-know compilation. It is an introduction that will hopefully compel you to explore the albums.” —HENRY ROLLINS, *Surrender*

Presented as a limited edition double album, on 140g Blood Red Vinyl in an embossed outer and mirror board inner gatefold, this unique package also contains a set of brand new, extensive and extraordinary liner notes by long serving fan/collaborator and NYC stalwart Henry Rollins.

The tracklisting, collated by Marty Rev, Vega’s partner, Liz Lamere, and Rollins, includes tracks from their classic debut album, SUICIDE (1977), to their final outing, AMERICAN SUPREME (2002). The LP also features two brand new, unheard tracks “Girl” (Unreleased Version) and “Frankie Teardrop” (First Version). The package has been full remastered by Denis Blackham at Skye Mastering and is also available as a 1CD digipack and digitally.

LP Tracklist:

- SIDE A**
1. Dominic Christ
 2. Diamonds, Fur Coat, Champagne
 3. Harlem
 4. Rocket USA

The Mars Volta
Octahedron
Colored double-vinyl
March, 25th 2022
4250795604976
\$ 32,98
Rock, Progressive;
Alternative

Each of the Mars Volta albums that preceded Octahedron had pushed the envelope further, their music growing larger, more intense, more complex. Each had delivered an implied, unspoken challenge to its makers within milliseconds of its final notes: “top this”. And with each subsequent album, Omar and Cedric had turned their creative dials up one more notch, a further step past “eleven”. With the addition of new drummer Thomas Pridgen, and their ranks swollen by extra guitarists, more percussion and a sax-player, the intensity of The Mars Volta’s sound had increased.

Octahedron, however, would follow The Bedlam In Goliath’s brilliant excesses with a sideways step few were expecting, even though the group had telegraphed their intentions to take this new direction for years. “This one didn’t have multi-layered sub-texts or any sinister spirits,” says Omar, referencing predecessor Goliath’s traumatic birth. “Octahedron was like an expression of will into reality. Like, ‘This one will be easy, this one will be fun’. Everything had a different process.”

“Octahedron was a rebellion,” adds Cedric. “Us saying, ‘This isn’t like anything we’ve done before. This is our “pop” album.’ We’d always promised we’d do a ‘pop’ album.’ This was it.”

DENNIS BOVELL

THE DuBMASTER: THE ESSENTIAL ANTHOLOGY

Release Date: 3/25/22

Since making his recording debut in the early Seventies with legendary British reggae band, Matumbi, DENNIS 'BLACKBEARD' BOVELL has repeatedly demonstrated his supreme talent and versatility in a variety of music fields. And yet enormity of his impact upon the UK's music scene over the past five decades has remained largely overlooked.

THE DuBMASTER - THE ESSENTIAL ANTHOLOGY sets to finally address this injustice by presenting the first serious retrospective of Dennis's output as both a performer and producer.

Charting his career from the Seventies up to the present day, this handsomely packaged double vinyl gate-folded album presents 24 of his most celebrated reggae works - including Janet Kay's seminal lovers rock classic, "Silly Games" - as well as rarities and previously unissued treasures from the vaults.

Compiled by the artist himself, the collection is further enhanced by Dennis's fascinating account of his life in the music business over the past half century, with his words enriched by rare photos.

8 Kalacas - The American Godfathers Of Skacore with their new hit album "Fronteras"

Artist: 8 KALACAS

Title: Fronteras

Release date: 03/25/2022

Label: ATOMIC FIRE RECORDS **File Under:** SKACORE

Description:

Formed in Orange County in 2003, the fertile soil of extremity that also brought us SOCIAL DISTORTION and AVENGED SEVENFOLD, 8 KALACAS are the harbingers of a new era. After establishing their unique brand of metallic hardcore, ska and traditional Mexican elements in California and the rest of the Divided States, the massive seven-piece brotherhood is ready to take on the rest of the world. »Fronteras«, their third full-length and first for brand-new label Atomic Fire Records, is like a curveball for the rest of the international metal/hardcore scene: an album so fierce and unique you simply can't resist succumbing to the thundering grooves, malicious riffs and infectious trumpet/trombone madness those guys are vigorously unleashing like there's no tomorrow. Taking their Latin roots and their Californian upbringing and ingeniously warping the two into this behemoth of an album, 8 KALACAS truly bring something new and exciting to the table.

Key Sales & Marketing Points:

- The Godfathers Of Skacore, from Orange County, CA
- Management by Dez Fafara (DevilDriver) for Orcacle Management (Cradle Of Filth, Wednesday 13 a.o.)
- Booking by TKO, Dan DeVita (Life Of Agony, Jinjer, Mr. Big a.o.)
- Cover Artwork by Crow Phantom (Friday 13th, Halloween a.o.)
- Video clips by Vicente Cordero (Cradle Of Filth, Queensryche, Kansas a.o.)
- Pictures by Stephanie Cabral (Alice Cooper, Five Finger Death Punch)
- Five Singles & Videos for the new album
- Bonus DVD with all videos, interviews and an 17-minute acoustic set incl. guest from a.o. Suicidal Tendencies
- Advertising in all major magazines in march/april around the world, along with new albums from Rise Of The Northstar and Incite
- Strong digital campaign on all DSPs and through Social Medias

Global PR by Focusion Promotion (In Flames, Cro-Mags, Moonspell a.o.)

- Radio PR for the songs „R2rito“, „Mutante“ and „Labios Negros“.

US Radio promotion by Skateboard Marketing (Motörhead, Black Sabbath, Anthrax a.o.)

LAIBACH

WIR SIND DAS VOLK (Ein Musical aus Deutschland)

Street Date: 4/1/2022

Mute is excited to announce Laibach's new album **WIR SIND DAS VOLK** (Ein Musical aus Deutschland). Out April 1st on deluxe CD and digital formats.

This album consists of the music from the band's political theatre production *Wir Sind das Volk* (We are the People), which premiered at HAU (Berlin) in 2020. The piece was based on the writings of Heiner Müller (1929-1995), who was observed as one of the most significant German-language playwrights and poets since Bertolt Brecht.

The artwork for the new album is by the acclaimed Austrian-Irish visual artist, Gottfried Helnwein, known for his narrative reflecting upon historical and political issues. The cover features his work *Epiphany I: Adoration of the Magi*, which reflects upon childhood and National Socialism.

The hardback CD book pack includes 44 pages of extensive sleeve notes and imagery about the production.

FOR FANS OF:

WAX TRAX!, Einstürzende Neubauten, Skinny Puppy, Cabaret Voltaire

April 1

ORDERS DUE FEBRUARY 25

Swedish extreme tech-metal pioneers MESHUGGAH return with their ninth studio manifest "Immutable", out on April 1st, 2022

Artist: MESHUGGAH
Title: IMMUTABLE
Pre-sale: 01/28/2022
Release Date: 04/01/2022
Label: ATOMIC FIRE
File Under: METAL

Mavericks. Pioneers. Unique. *Immutable*.

Destined to be one of 2022's most hailed and talked-about releases, "Immutable" once again showcases MESHUGGAH's collective brilliance, including some of the most jaw-dropping ensemble performances they have ever executed.

Since forming in 1987, the Swedish sound architects known as Meshuggah developed into one of the most technically complex and virtuosic group of players the metal realm has ever encountered, their distinctly unique brand of progressive groove-infused death metal inadvertently launching an entirely new subgenre. Recorded in Sweden's „Sweetspot Studios“, their ninth full-length album „Immutable“ is the follow-up to their highly acclaimed and **Grammy nominated album**, „The Violent Sleep Of Reason“. The new album and 2022 tour will see the return of Fredrik Thordendal.

Key Sales & Marketing Points:

- New and ninth studio album of the tech-metal pioneers from Sweden
- 3 animated video clips associated with single tracks
- Mastered by multiple **Grammy award winner** **Vlado Meller** (Metallica, Rage Against The Machine, Red Hot Chili Peppers, System Of A Down),
- European and US Headline Tour in 2022

Press Quotes:

- *"Thirty years on the throne and counting, Meshuggah can still ignite surprise after devastating surprise from within this beast of a genre. Between its brutally minimal grooves, bright cinematic vistas, slippery rhythmic sideswipes, disgusting bass bludgeoning, classic Thordendal solos and overall darker sonic presentation, "Immutable" pioneers new territory for the band as much as it lays claim to everything that made them great for the past nine records." -- Decibel, Dan Lake*
- *"On IMMUTABLE, Meshuggah's mission remains unchanged: to tunnel into the future, leaving metal's tired tropes in the dust. Polished to an obsidian sheen, they have crafted a widescreen journey of stripped-back bludgeon, contorted rhythms, and dynamic surprises. It confirms them, yet again, as one of the most important heavy bands in the world." --Knotfest.com, Dan Franklin*

THE UNRAVELING OF PUPTHEBAND

SUMMARY

Following their critically acclaimed 2019 album, *Morbid Stuff*, and 2020's raucous *This Place Sucks Ass* EP, PUP are back with their fourth album, their most ambitious release to date. Recorded with Grammy winning producer Peter Katis (Interpol, The National, Kurt Vile), the band spent five weeks in the summer of 2021, recording and mixing the typically furious and anthemic songs that would become *The Unraveling Of PUPTHEBAND*.

The critical darling band has been met with their share of success over the last eight years—winning a Juno Award for Alternative Album of the Year, being shortlisted for the Polaris Music Prize, write ups and accolades everywhere from the New York Times to Pitchfork to NPR and playing venues around the world packed with rabid fans. They have performed on *Late Night with Seth Meyers*, and played at major festivals like Lollapalooza, Boston Calling, Shaky Knees, and Riot Fest.

Every PUP record arrives with an implied “contents under pressure” warning; the tension between the band’s instinct for the melodic and its gift for chaos propels the songs forward while making them also seem close to flying apart in a horrifying spray of tears and gore. *The Unraveling Of PUPTHEBAND* is the sound of a band that is not just comfortable with but in command of that chaos.

SELLING POINTS

- Produced and mixed by Grammy award winner Peter Katis (Interpol, The National, Kurt Vile)
- US tour planned for April through May in 1000-3000 cap rooms including Coachella and Shaky Knees
- Latest album ‘*Morbid Stuff*’ made EOY lists from Pitchfork, NME, NPR, Stereogum, Consequence Of Sound and more
- ‘*Morbid Stuff*’ won Juno Award for Alternative Album Of the Year and was nominated for the Polaris Music Prize in 2019
- Have sold 166K total consumption albums across their catalog in the US alone
- 2019’s ‘*Morbid Stuff*’ has garnered over 60M global streams
- Performed on *Late Night with Seth Myers*, NPR’s *Tiny Desk*, and at CBC in Canada

Mike Campbell & The Dirty Knobs

BMG

EXTERNAL COMBUSTION

RELEASE DATE: APRIL 1, 2022

It's a classic rock & roll story: the chance encounter that becomes collaboration, then a band; the gathering of players and like-minded spirits that tightens and grows in songwriting, rehearsals and club dates; a debut album that finally arrives after all of the labor and waiting; the follow-up that beats a new set of odds and jumps ahead in vision and drive, proving the first record was no one-shot deal.

For **Mike Campbell**, **External Combustion** – the second album by his first band as a leader, **the Dirty Knobs** – is proof that lightning can strike twice. Campbell experienced all of the above and more with **Tom Petty and the Heartbreakers** – riding shotgun with his friend and captain as lead guitarist, co-producer and, at times, co-writer – when he met guitarist **Jason Sinay** at a session in Los Angeles in 2000. "I didn't like him at first because he had a green guitar and a mohawk," **Campbell** recalls with a laugh. "But when we started playing together, I realized he had good rhythm, good sound. And he worked really well with me."

"The first album was about the boogie," affirms co-producer **George Drakoulias**. But **External Combustion** "threw the net wider." Country firebird **Margo Price** sings backing vocals in "**Cheap Talk**," a bluesy march in smokey orchestration, and duets with Campbell in the country-soul ballad "**State of Mind**," decked out with strings and brass in the frontier-symphony image of the Band. That's the distinctive glam-Dylan bite of **Mott The Hoople** singer **Ian Hunter** in the second verse of "**Dirty Job**," while Heartbreakers pianist **Benmont Tench** brings the Jerry Lee Lewis in "**Lightning Boogie**."

And in "**It Is Written**," **Campbell** conjures ghostly wisps of Bob Dylan-like harmonica in a topical urgency that turns into a reflection "about the devotion to one person," **Campbell** says – his wife Marcie. "It's a true story about coming out to California, her taking me in." But that's not a harmonica – it's a piano riff run backwards.

The Dirty Knobs made **External Combustion** in three weeks over the summer of 2021, "a few days at a time," **Drakoulias** says. "Everything was coming off the floor – whatever they were playing, whatever felt good." That speed and raw commitment comes right out of the starting gate in the garage-rock torpedo "**Wicked Mind**"; jumps to a Howlin' Wolf-style shuffle in "**Brigitte Bardot**"; and is there at the finish in "**Electric Gypsy**," a blaze of guitars in waltz time that **Campbell** began writing in the morning and showed to the band in the afternoon. The Knobs cut the song – named after one of **Campbell's** guitars, a gorgeous instrument with a mosaic finish in mother-of-pearl and abalone – the same day in one pass.

The Dirty Knobs have now been a band for nearly two decades – and played about 20 gigs, by drummer **Matt Laug's** count, mostly "in the cracks between **Heartbreakers** tours." But **Drakoulias** says it was at the early club shows that **Campbell** became "a real bandleader with the patter, telling stories, communicating. That motivated him to work on the singing – to dig down, take it seriously.

"Both he and **Tom** – being in a band was what they really loved," the producer adds. **Campbell** now has "guys he loves playing with. He's trying to find his own world, one that feels like him.

"And he's achieving that."

MARKETING DRIVERS

- ★ For fans of: Tom Petty & The Heartbreakers, Mud Crutch, The Black Crowes, The Avett Brothers, Marcus King Band, and The Allman Betts Band
- ★ Has played on four Bob Dylan albums, the majority of Stevie Nicks albums, three Don Henley albums, and albums with Chris Stapleton, Linda Ronstadt, Joe Cocker, Rob Thomas, Mary J. Blige, Tracy Chapman, Randy Newman, and more
- ★ Lead guitarist of Tom Petty & The Heartbreakers from 1976 until Petty passed away in 2017

CAN

SOUNDTRACKS

(LIMITED EDITION CLEAR PURPLE VINYL)

Street Date: 4/1/2022

Mute is excited to announce the reissue of CAN's *Soundtracks* on limited edition clear purple vinyl, out April 1st.

Soundtracks, a compilation of songs CAN had composed for different movies, was released in 1970 before the band started work on their second album. This record said goodbye to the band's original vocalist Malcolm Mooney, who features on 'Soul Desert' and 'She Brings The Rain', to be replaced by Japanese singer Damo Suzuki. Bridging the gap between the improvisatory rock jams of their earlier recordings, *Monster Movie* and *Delay 1968*, *Soundtracks* also laid the foundations for their more electronic and experimental sounding work, such as *Tago Mago* and *Ege Bamyasi*.

CAN's powerful influence has never diminished, and their indelible mark is apparent in the bands who freely acknowledge their importance - from Portishead, James Murphy, Sonic Youth, New Order, Factory Floor, Public Image Ltd, Mogwai, Madlib and Radiohead - as well as across other disciplines such as visual art and literature.

PRAISE FOR SOUNDTRACKS:

"Often overlooked... A good sampling of their more straightforward experiments" - **PITCHFORK**

"Intricate and subtle" - **ALL MUSIC**

"phenomenal...Can at their most versatile" - **TREBLEZINE**

FOR FANS OF: Neu!, Faust, Cluster, Harmonia, Amon Düül II, Tangerine Dream

CAN

MONSTER MOVIE

(LIMITED EDITION MONSTER SKY BLUE VINYL)

Street Date: 4/1/2022

Mute is excited to announce the reissue of CAN's debut album *Monster Movie* on limited edition blue vinyl, out April 1st.

With the sounds of Jimi Hendrix, Captain Beefheart and The Velvet Underground ringing in their ears, Holger Czukay and Irmin Schmidt left behind their careers in academia to form the influential group in the late 60s. Together with Michael Karoli, Jaki Liebezeit and American singer Malcolm Mooney, they recorded their debut album *Monster Movie* in a castle near Cologne in 1968. The record was then remastered in 2004 from the original master tape for a CD release. It was overseen by Holger, Irmin and Jono Podmore to refine it to how it was always intended to be heard.

CAN's powerful influence has never diminished, and their indelible mark is apparent in the bands who freely acknowledge their importance - from Portishead, James Murphy, Sonic Youth, New Order, Factory Floor, Public Image Ltd, Mogwai, Madlib and Radiohead - as well as across other disciplines such as visual art and literature.

PRAISE FOR MONSTER MOVIE:

"Monster Movie is an amazing debut" - PITCHFORK

"Monster Movie, sounds like nothing else released in 1969 - and still acts as a template for the future" - SOUND AFFECTS

"Had Can's debut album, Monster Movie, been their only one, it would have assured their place in the history of German music and of rock as a whole" - SHINDIG MAGAZINE

FOR FANS OF:

Neu!, Faust, Cluster, Harmonia, Amon Düül II, Tangerine Dream

LIST PRICE: \$16.98

LABEL: Centricity Music, ADA

GENRE: Christian

PARENTAL ADVISORY: No

CD UPC:

RIYL: Tauren Wells, We Are Messengers, Hollyn, Lauren Daigle

PROJECT OVERVIEW

There is a subtle shift that happens in an artist's life when they achieve any measure of success. Their empty calendars fill up, they lose a significant amount of privacy, rest becomes obsolete, and the pressure felt increases drastically. Jordan Feliz experienced this firsthand after his chart-topping debut radio single "The River" was released in 2015.

The pressure of fast tracking his career alongside some major changes in his personal life caused his overnight success to feel more like a burden than a blessing. "It's like all your dreams kind of get handed to you, but there's really no fulfillment in it, and I realized it was because everything was out of alignment for me," the artist revealed. Jordan invited God into his anxiety and allowed him to realign his priorities before re-entering the studio to create his third full-length project "Say It."

"Before we started working on new music, I started asking the Lord to give me something to say, and I felt like he just said, 'Say everything that's on your heart. Say everything that you've been through. Be as vulnerable as possible. Tell the world the thing that you are terrified to tell the world,'" Feliz says "I think sometimes the things you're scared to bring to people are most likely the most impactful".

Co-produced by Feliz's longtime collaborator Colby Wedgeworth and Jordan Mohilowski, his latest studio effort serves up a healthy blend of pop, Gospel and soul and offers some of Feliz's most transparent lyrics to date.

US List Price **\$ 32,98**
File Under **Rock, Progressive;
Alternative**

And then everything went black, at least for a while, at least for The Mars Volta. In the months and years following their fifth full-length, *Octahedron*, Omar kept on at his usual fearsome creative pace. In fact, he ramped up his output considerably, starting up his own Rodriguez Lopez Productions label and releasing a slew of solo albums. It was a practice he'd begun shortly after *De-Loused's* release, with his solo debut *A Manual Dexterity: Soundtrack Volume One*, but as the decade reached its close, Omar grew to rely upon his solo recordings as an outlet for his prolific creativity, these albums often exploring musical pastures far beyond even The Mars Volta's wide-ranging parameters.

Before choosing to release music under his own name, Omar would always play it to Cedric first, to see if the frontman thought it had potential to become Mars Volta music. Shortly after *Octahedron's* completion, Cedric flagged one batch of tracks Omar had cut with Deantoni Parks, a brilliant drummer and composer who'd briefly occupied the Mars Volta drumstool in-between Jon Theodore and Thomas Pridgen's tenures, and whose volcanic creativity and unique, unpredictable approach to rhythm and composition had quickly made him one of Omar's favourite artistic foils.

Vinyl 1 - Side A
