The subversive beauty of the Virgin Prunes captured the imagination of a generation during a decade of extraordinary creative activity from 1977 to 1986. The band emerged from a closely knit group of young Dublin musicians called 'Lypton Village', some of whom formed U2. They all shared a vehemently anti-patriarchal, anti-establishment spirit and their different religious backgrounds strengthened their mutual interests. They released five albums between 1981 and 1986: A New Form of Beauty (1981), If I Die, I Die (1982), Heresie (1982), Over the Rainbow (a compilation of rarities 1981-1983) (1985) and The Moon Looked Down and Laughed (1986).

Following the 40th anniversary of '...If I Die, I Die' in 2022, BMG announce the reissue of their self-titled debut EPs, otherwise known as 'Twenty Tens (I've Been Smoking All Night)' and 'Moments & Mine (Despite Straight Lines)', available on vinyl for the first time since initial release in 1980/1981 respectively. The limited edition package contains two separate 10" EPs on White & Blue vinyl, wrapped in an obi-strip, and includes exclusive lyric sheets.

“The magical album #13: On ‘Death Of Darkness’, THE 69 EYES stay loyal to their unique style of goth ‘n roll”

Artist: THE 69 EYES

Title: Death Of Darkness **Pre-**

sale: February 10th, 2023

Release Date: April 21st, 2023

Label: ATOMIC FIRE RECORDS

File Under: ROCK

Goth 'n' Roll pioneers THE 69 EYES have been haunting stages all over the world for 33 years and seem to be a truly immortal part of the dark rock/metal scene. Widely known as the Helsinki Vampires, the quintet gained several platinum albums with "Blessed Be" and "Paris Kills" and not only reached #1 of the single and album charts in their home country of Finland, but also plunged the world into a sinful cosmos of love, death and melancholy, while outliving any other band emerging from the goth hype of the early 2000s.

By developing their sound further into sleaze rock on "Devils" (2004) and "Angels" (2007) and not shying away from pitch black Elvis allusions in singer Jyrki 69's dark voice and unique onstage dance moves, the band has established a worldwide following. Over the course of over three decades, the band has toured relentlessly throughout Europe, America, Asia and Australia and released 12 full-length studio albums. With "Death Of Darkness" they open a new hard rocking chapter of their career, including a refreshingly heavy title track and a duet with none less than Kat Von D on 'This Murder Takes Two'.

Key Sales & Marketing Points:

- Sales: approx. 15k worldwide on previous album
- one of the world's biggest gothic rock acts, and one of the few still active ones from the gothic hype around HIM, The Rasmus, Evanescence in the early 2000s
- multiple #1 albums in their home country Finland, latest album “West End” (2019) charted on #2 in Finland and #38 in Germany
- Previously released 3 stand-alone singles this year to keep delivering new music to the DSPs, which resulted in a significant rise in their streaming numbers:
444k listeners per month on Spotify, 1.7million monthly streams, 26% rise of listeners within the last month on Spotify
- singer Jyrki 69 is currently featured on famous Finnish reality TV show similar to “Best Singers”

TIGER ARMY

RETROFUTURE

SUMMARY

Over the past 23 years, Tiger Army has made themselves a household name in the sub-culture and punk rock communities. They've toured the world over countless times, sharing the stage with Morrissey, AFI, Social Distortion, Dropkick Murphys, and more. They've appeared on Jimmy Kimmel Live, and have headlined many punk rock/rockabilly festivals such as The Hootenanny. With five full-length albums and three EPs, Tiger Army has sold over 522,423 equivalent albums to date.

Tiger Army is back and stronger than ever with their massively anticipated new album, "Retrofuture" which includes 13 tracks that showcase the band doing what they do best; fusing elements of punk, rock, and rockabilly. "Retrofuture" is the album critics and fans have been craving. Tiger Army is alive and well, and "Retrofuture", proves that the band is still just getting started, even after 23 years.

SELLING POINTS

- TIGER ARMY has sold over 550,000 albums in the US.

Label: Reaper Entertainment

File Under: Metal

Description:

Four years after the world-wide released and critically acclaimed album **"Nucleus"** in 2019 (a re-recording of their classic hits with English lyrics), leading Japanese Heavy Metal band, **ANTHEM** have used the pandemic downtime wisely and are now ready to unleash their brand new studio album called **"Crimson & Jet Black"**. All songs are once again performed in English, and the album will see a global release.

After finishing not one, but two anniversary tours in 2021 (= the band's 35th anniversary tour, which had been postponed due to the pandemic restrictions, as well the 20th anniversary of their reunion tour entitled **"ANTHEM vs ANTHEM 2001"**), **ANTHEM** pursued this new album to jumpstart their next chapter. Originally scheduled to be completed in the Spring of 2022, the band's leader **Naoto Shibata**, being the perfectionist that he is, decided to enrich the songs' quality even more and pushed back the recording schedule to Summer / Autumn, so that pure brilliance may unfold. Just like on past albums, **Naoto** is the main producer of the album, but this time renowned Swedish producer **Jens Bogren**, (known for his work with the likes of Arch Enemy, Amon Amarth, Dimmu Borgir and Opeth, to name but a few) who had previously mixed and mastered **"Nucleus"**, is credited as a co-producer.

Topping each of their past works has been **ANTHEM's** goal for the 21st century, and they've outdone themselves yet again with this album! **"Crimson & Jet Black"** is unmistakably **"ANTHEM"**, yet it sounds fresh at the same time. The band has proven yet again that they are one of the world's most competitive Heavy Metal bands, and a force to be reckoned with. Don't miss their new chapter that has only just begun!!!

Key Sales & Marketing Points:

- The biggest Japanese Heavy Metal Band – active since 1980
- Big print marketing campaign in April 2023
- Big social media & YouTube Campaign in March/April 2023

LIARS

Sisterworld

(Limited Edition Recycled Color Vinyl)

Street Date: 4/21/2023

Sisterworld is the next album to be released in the Liars' limited edition recycled color vinyl reissue series. Includes an 8 page booklet and audio download code.

Originally released in 2010, *Sisterworld* is Liars' fifth studio album. It was their first record to be recorded in the US since 2004's *They Were Wrong, So We Drowned* and was created by Angus Andrew, Aaron Hemphill and Julian Gross, along with Tom Biller who is known for working with the likes of Fiona Apple, Elliot Smith, Silversun Pickups and many more. The dynamic rock album took inspiration from fringe characters lured to LA and the resulting subcultures and alternate spaces that they generate, exploring the underground support systems created to deal with loss of self to society.

PRAISE FOR SISTERWORLD:

"...stick with *Sisterworld* as it builds, let it seep into your brain while you wait for its bulging seams to burst, and you might find yourself unable to turn your ears away." - Pitchfork (8.1)

"...'Sisterworld' is an axe slicing through the neck of an ostrich that has its head buried deeply in the sand." - NME (4.5)

"With *Sisterworld*, the band have found a balance, providing both exceptional standalone moments and a unifying theme." - New York Magazine

THE NEVERLAND EXPRESS + CALEB JOHNSON
PARADISE FOUND: BAT OUT OF HELL REIGNITED

For fans of Meat Loaf and Classic Rock!

Paradise Found: Bat Out Of Hell Reignited reimagines the sound, passion, and fury of the original **Bat Out of Hell**, the 1977 release by **Meat Loaf** and composer **Jim Steinman** which remains in the top five best-selling albums of all time. It includes all seven songs performed in their original order. The song arrangements have developed over decades of touring and now the listener can hear these re-envisioned versions.

Paradise Found features performances by world-class alumni of the **Neverland Express** including, **Justin Avery**, (keyboard, vocals), **Tom Brislin** (orchestration), **Steve Buslowe** (bass), **Paul Crook** (guitar), **Randy Flowers** (guitar) , **David Luther** (saxophone), **Lyssa Lynne** ("Stop Right There!") , **John Miceli** (drums), and **Caleb Johnson** (**American Idol** winner, **season 13**) deliver powerful lead vocal performances across all seven songs.

"This album has been a labor of love for us," states Crook. "Meat Loaf's passing has left a huge hole in the hearts of millions around the world. We are committed to keeping the legacy alive by celebrating this incredible music. I felt there was no better way to honor our boss and Jim than to release our tribute to **Bat Out of Hell** on this special 45th anniversary."

The band will kick off 2023 and the release of the album at the Borgata in Atlantic City, NJ on January 27th with extensive touring to continue with a 6 date stop in the UK in May.

KELLY DECO CONSTELLATION

**For Fans of David Bowie, Van Morrison,
and 70's Rock!**

Steeped in the magic and mystery from an artist's life in the Hollywood movie machinery, vintage-futurism storyteller **Kelly Deco** moves through space and time with imaginary twists on figures we sometimes see in the sky and know in our hearts.

The stars first aligned in 1990 with the release of **'Big Fish'** and the independently-produced video for **"No Reality"** (directed by Wayne White, three-time Emmy award winning designer for 'Pee Wee's Playhouse' and Peter Gabriel's "Big Time") became widely publicized. The clip was played on numerous nationwide video programs, garnering national attention, and ultimately charting in **Billboard Magazine's Viewer's Top Request** on the nationwide program **'Night Tracks'** in 1991 for most requested video.

The stars aligned once again, and Kelly's most recent recording is with legendary and Grammy award winning music producer **Val Garay** (*Linda Ronstadt, James Taylor, Kim Carnes, etc...*). This current album, **'Constellation'**, has eleven brand new songs with standout tracks **"Automat Girl"** and **"David Bowie's Brain"**.

BIOGRAPHY

Born somewhere in the Arizona desert, Puscifer is an electro-rock band, multimedia experience, traveling circus, and alien abduction survivors. The group's catalog consists of three full-length studio albums—"V" is for Vagina [2007], Conditions of My Parole [2011], and Money \$hot [2015]—in addition to a series of EPs and remixes. Beyond the core trio of Maynard James Keenan [vocals], Mat Mitchell [guitar, production], and Carina Round [vocals, songwriting], the group's ever-evolving ecosystem encompasses Greg Edwards (bass, guitar, keys), Gunnar Olsen (drums), as well as a cast of characters such as Billy D and his wife Hildy Berger, Major Douche, Special Agent Dick Merkin, and many more. Renowned for an immersive live show, the group's performances blur the lines between concert and theater, traversing the dusty American Southwest with Billy D and Hildy or the sweaty squared circle with Luchadores. They've brought this to life everywhere from Coachella to Bonnaroo.

HIGHLIGHTS

- Super group featuring Maynard James Keenan (Tool, A Perfect Circle)
- Fan favorite album 'Money \$hot' available on vinyl for the first time in 6 years
- Over 140K total consumption albums sold between 'Money \$hot' and 'Money \$hot Your Re-Load' in the US alone
- US touring in May 2023 around festivals including Sonic Temple, Welcome To Rockville and more

THE MARS VOLTA

UPC: 4250795605584
Release: April, 21st 2023
Genre: Rock Acoustic
US List Price: US\$ 39.98

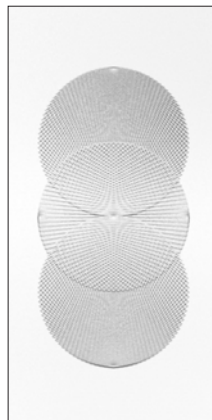

The Mars Volta Que Dios Te Maldiga Mi Corazon (acoustic album of The Mars Volta) – LP

After the successful worldwide release of the studio album „The Mars Volta“, the band also releases the album as an acoustic album. The harmonic album „Que Dios Te Maldiga Mi Corazon“.

The Mars Volta plays a similar game: it is subtly subversive – endlessly inventive, but never at the cost of the song. Many of the same values that made The Mars Volta’s previous albums so ground-breaking, so acclaimed, are still present here, but they are employed in different, adroit ways. The Caribbean rhythms that powered their blistering earlier records still flourish across The Mars Volta – they aren’t the foreground now, but they ripple underneath each of these tracks. Similarly, the big rock moves and proggy complexities of their landmark releases have given way for more sonic subtlety, for immediacy and directness. But while The Mars Volta shies away from Grand Guignol flourishes, it remains a dark, powerful and affecting listen, mature and deeply satisfying in its restraint.

TRACY NELSON

LIFE DON'T MISS NOBODY

Release Date: April 28, 2023

"Tracy Nelson proves that the human voice is the most expressive instrument in creation."

– *Rolling Stone*

First album in over a decade from the Grammy-nominated artist

Album features WILLIE NELSON, IRMA THOMAS and more

OVERVIEW

She has one of the signature voices of her generation. That natural gift has always guided **TRACY NELSON's** soul and allowed her to both write and seek out the deeper songs regardless of niche or genre. A fierce singer of truth and a fountain of the deepest heartache, she is an ultimate communicator and has regularly dissolved audiences across decades of performing. She is one of the few female singers who has had hit records in both the Blues and Country genres, performing with everyone from Willie Nelson to Marcia Ball and Irma Thomas, with Grammy nominations for both her Country and Blues efforts.

Now, with her first album in over a decade, she has collaborated once again with these artists. Her album new album features **Willie Nelson, Irma Thomas, Marcia Ball, Jontavious Willis, Charlie Musselwhite and many more.**

CROWN THE EMPIRE DOGMA

Biography

Crown the Empire have steadily established themselves over the past decade as a force of nature in the rock world. They have shared stages with Slipknot, A Day To Remember, Dance Gavin Dance, Black Veil Brides, Falling in Reverse, Underoath, and more. To date, the band has released four studio albums - The Fallout (2012), The Resistance: Rise of The Runaways (2014), Retrograde (2016), and Sudden Sky (2019) and has garnered praise from Alternative Press, Billboard, Kerrang!, Nylon, Rock Sound, and more. Their impressive catalog has earned them 825M paid streams worldwide.

DOGMA, produced and mixed by Zach Jones (Fever 333, Poorstacy, Scene Queen, Nova Twins), is their most diverse album yet fueled by angst, existential identity, isolation, and determination and includes features from Courtney LaPlante (Spiritbox) and Remington Leith (Palaye Royale).

In celebration of the release, Crown The Empire will hit the road this spring with Texas hard-rock band Nothing More. The tour follows the success of Crown The Empire's 2022 Fallout 10 Year Anniversary Tour, one of the band's most successful headline tours of their career, and the fall leg of Knotfest Roadshow, supporting Slipknot and Ice Nine Kills.

Highlights

- Produced by Zach Jones (Fever 333, Scene Queen, Nova Twins)
- Album includes features from Courtney LaPlante (Spiritbox) and Remington Leith (Palaye Royale)

FEVER RAY

Radical Romantics

Street Date: 4/28/2023

Mute is excited to announce the release of Fever Ray's new album *Radical Romantics*, out April 28th on limited edition red vinyl and black vinyl. Both vinyl formats are numbered and include an A2 folded poster and printed inner sleeve.

Radical Romantics presents Fever Ray's struggle with love, relationships, identity and self preservation. Featuring collaborations with Olof Dreijer (The Knife), Trent Reznor, Atticus Ross, Vessel, Aasthma and more, this album feels like the apex of their career, incorporating elements of The Knife and early Fever Ray, while looking steadfastly into the future. Includes the single "What They Call Us" which Pitchfork awarded with Best New Track. Fever Ray will tour worldwide in support of the album.

PRAISE FOR "WHAT THEY CALL US":

THEM: "What They Call Us' may be their most enigmatic output to date"

SPIN: "As foreboding and unusual sounding as what we've come to expect from Fever Ray, with fat electronic beats topped by wobbly, repeated synth figures."

STEREOGUM: "It's a thrill to have Fever Ray back in our lives again, intriguing and mystifying us in equal measure."

PAPER : "[What They Call Us] gives all the queer yearning, existential insecurity, enigmatic lyrics, spiraling synth arpeggios and cold formidable industrial beats we've come to love and expect from them."

PROJECT OVERVIEW

At just 21 years old, singer/songwriter Katy Nichole has quickly become a household name. Her debut single "In Jesus Name (God Of Possible)", was inspired by words taken from her prayer journal in the midst of a global health crisis, and has become an anthem to many around the world. The history making single hit No. 1 on both Billboard's Christian Airplay and AC Indicator charts in its 12th week, completing the quickest rise to No. 1 for a female artist's first entry in the chart's 19-year history.

Billboard magazine has named Katy "Top Christian Female Artist" of the year and her song "In Jesus Name (God Of Possible)" has been named the #1 Hot Christian Song and #1 Christian Airplay Song of the year.

About Katy Nichole:

Singer/songwriter and 2022 Billboard Chartbreaker Katy Nichole was singing in her church choir long before 150+ million people around the world heard her 2022 Dove Award-nominated, K-LOVE Fan Award-winning "In Jesus Name (God of Possible)," which is the first song this decade to reach 20-weeks at No. 1 on the Hot Christian Songs chart. Writing songs and leading worship by age 18, Nichole's relationship with both music and God is inextricably intertwined with her path to health and wholeness. Now 22, and having served as both an ambassador for the Shriners Hospitals for Children® and as a volunteer for Musicians On Call, Nichole made her Grand Ole Opry debut June 18, released her first EP June 24, and realized her second-straight No. 1 with "God Is In This Story." Breaking into the Top 5 on the Billboard Emerging Artist Chart and named a YouTube "Trending Artist On The Rise."

Title: Back To Attack

Pre-sale: February 24th, 2023

Release Date: April 28th, 2023

Label: Reaper Entertainment

File Under: Metal, Heavy Metal

Description:

They thought we're dead but now we are....."BACK TO ATTACK"

It's been quiet around the metal heroes of **MAJESTY** for more than 3 years. After the band only wanted to take a one-year break after their **Legends Tour** at the end of 2019 to recharge their batteries, they, like the rest of the world, were pushed into a much longer hiatus by the pandemic.

But the guys used this time extensively and worked on an album that perfectly combines all the things that the band stands for: Catchy, big heavy metal anthems that catch you the first time you hear them and let you put your fist in the air paired with lyrics about the eternal fight for freedom and your way to live.

"**Back To Attack**" is an album that lives up to its title. A pounding production with 11 songs and an intro that literally beg to be performed on the big heavy metal stages of the world.

"**Back To Attack**" is the band's tenth studio album and will not disappoint any **MAJESTY** fan because it covers the entire spectrum of the band in a perfect way, from hard-hitting up-tempo songs to anthemic mid-tempo stompers to a soulful ballad.

The artwork of the album also fits perfectly with the message of the music and the lyrics of **MAJESTY**: "*Never let yourself be defeated and fight for your way to live. A way which means freedom*"

In order to celebrate the band's return properly, there will be a big release show on April 28th, 2023 in the Posthalle in Wuerzburg (GER), where **MAJESTY** will play not only new songs from "**Back To Attack**" but also a huge "Best Of" of their songs .

MAJESTY is back. The years of waiting are over and it's time for True Fucking Heavy Metal again!!!

Key Sales & Marketing Points:

In 2018, Tommy made the great album, *Accomplice One*, a series of duets with musicians great and varied, and all at his level. It's a concept that worked, as the range of artists reflected Tommy's expansive love of all kinds of music, including Rodney Crowell, Mark Knopfler, Amanda Shires, Jason Isbell, Jerry Douglas, Jake Shimabukuro and more. Each of his accomplices seemed as inspired by his energy and passion as much as Tommy was by theirs, and he played with effortless grace.

Now in 2023 comes the long-awaited sequel, *Accomplice Two*. It shares the same exuberance, diversity, and sense of adventure as the first album, with a great range of artists. This album features rock legends Michael McDonald, Jorma Kaukonen, and Little Feat; bluegrass superstars such as Billy Strings, The Del McCoury Band, Sam Bush, Jerry Douglas, Sierra Hull, and David Grisman; country icons such as Nitty Gritty Dirt Band, Jamey Johnson, and Raul Malo; and guitar heavyweights like Yasmin Williams, Larry Campbell, and Richard Smith. The first single "*White Freight Liner Blues*" features the recent Grammy Award Winner and claw hammer guitarist, Molly Tuttle.

1. Doc's Guitar / Black Mountain Rag featuring **Billy Strings**
2. White Freight Liner Blues featuring **Molly Tuttle**
3. Daddy Frank (The Guitar Man) featuring **Jamey Johnson, Jimmie Fadden & Bill Payne**
4. Precious Time featuring **Sierra Hull**
5. Cajun Girl featuring **Little Feat & Sam Bush**
6. Another Man Done a Full Go Round featuring **Jorma Kaukonen**
7. Son of a Gun featuring **Richard Smith**

HACKEDEPICCIOTTO

Menetekel

Street Date: 4/28/2023

Mute is excited to announce the reissue of experimental duo hackedepicciotto's third studio album *Menetekel*. Out April 28th on double black vinyl and CD formats.

hackedepicciotto are married couple Alexander Hacke and Danielle de Picciotto. Both are legends of their own making: Danielle the lead singer of the band Space Cowboys and the co-initiator of the Love Parade, and Alexander a founding member of the seminal German group Einstürzende Neubauten, known for working with the likes of Crime & the City Solution (1987 – 1991) and Phew.

Originally released in 2017, *Menetekel* is a darker album than its predecessor *PERSEVERANTIA*. The album sees the artistic partnership convert the collective worldwide despair felt at the time into a “monumental symphony of sound, twirling and twisting it into a biblical frenzy.” Side D of the double LP is a sound installation that hackedepicciotto were invited to compose in an archaic church in Austria. Here the two artists sing “the echo depends on where you stand,” channelling the philosophical thoughts inspired by architectural influence of the ancient walls, shedding light onto the shadowy depths of modern times.

hackedepicciotto are married couple Alexander Hacke and Danielle de Picciotto. Both are legends of their own making: Danielle the lead singer of the band Space Cowboys and the co-initiator of the Love Parade, and Alexander a founding member of the seminal German group Einstürzende Neubauten, known for working with the likes of Crime & the City Solution (1987 – 1991) and Phew.

Originally released in 2020, **THE CURRENT** sees **hackedepicciotto** gaining speed and energy from their previous albums, with the band expressing “we had the urge to include more percussive elements and electronic sounds to create a powerful rhythmic feel. A wilder and more danceable element. Something to get all of us on our feet, and moving. Away from depression and hopelessness.” Beautiful violin harmonies and choirs can be heard throughout the entire record, creating the perfect soundtrack for what the band describe as “an apocalyptic feature-length film, hopefully with a happy ending.”

HACKEDEPICCIOTTO

PERSEVERANTIA

Street Date: 4/28/2023

Mute is excited to announce the reissue of experimental duo hackedepicciotto's second studio album *PERSEVERANTIA*. Out April 28th on black vinyl and CD formats.

hackedepicciotto are married couple Alexander Hacke and Danielle de Picciotto. Both are legends of their own making: Danielle the lead singer of the band Space Cowboys and the co-initiator of the Love Parade, and Alexander a founding member of the seminal German group Einstürzende Neubauten, known for working with the likes of Crime & the City Solution (1987 – 1991) and Phew.

PERSEVERANTIA, meaning endurance and persistence, was recorded in the California Mojave desert and originally released in 2016. The album unveils the essence of the duo's truisms, with mesmerizing soundscapes created by Alexander's throat-singing, the hypnotic hurdy-gurdy, ether-plucking harp, eerie violin and gritty bass and guitar. This is paired with spoken words from Danielle carefully scattered throughout the album, with the main lyrical focus being "*Perseverantia ad finem optatum*" which is chanted on the title track and emphasizes that "to successfully achieve a positive goal we need one thing above all, endurance."

SHADOW'S SYMPHONY

BENEATH THE DARK

For Fans of Horror, Halloween, and Haunted Attractions!

Shadow's Symphony creator **Grant Smoker** has loved everything to do with **Halloween** since he was a kid and always wanted to be able to contribute or be a part of **Halloween** in some way. Hearing music at **Haunted Attractions** inspired him to start writing and recording. He writes this instrumental music with haunted attractions, films, and gaming in mind. Since 2014 **Shadow's Symphony** is played in haunts around the world. Each album that he writes has a different theme, which means different instrumentation as well as style that pertain to the theme of the album. There's a bit of everything from melancholy piano to full blown dark orchestral strings and creepy ambient synth over the course of an album.

For this release, **Beneath the Dark** immediately transports you to a time when pirates sailed the seas and legends of ghostships were on the rise. Dark organs, and eerie synths will take you aboard a ghostship doomed to sail the seas forever.
