TONY ALLEN

Secret Agent

2LP 2022 Remaster on
180g Heavyweight Vinyl

Release Date: 5/20/22

TONY ALLEN (1940 – 2020) has long been acknowledged as Africa’s finest drummer and one of the continent’s most influential musicians. Together with Fela Kuti (with whom he played for 15 years) Allen co-created Afrobeat—the hard-driving, horns-rich, funk-infused, politically insurrectionary style which became such a dominant force in African music and such an influence world-wide. His iconic drumming has since underpinned an extensive catalogue of solo works as well as collaborations with the likes of Damon Albarn (as part of The Good, The Bad and The Queen), Charlotte Gainsbourg, Sebastien Tellier, Grace Jones, Malian superstar Oumou Sangaré, Jeff Mills and Hugh Masekela.

His 2009 World Circuit debut, the raw and uncut **SECRET AGENT**, has all the ingredients that combine to make Afrobeat so special—fat, full-throated, hard riffing horns; nagging tenor guitars; jazz—and funk-informed saxophone and trumpet work outs; effervescent chicken-shack keyboards; lyrics rich in folk metaphors and proverbs, some of which confront state corruption and oppression (Kuti’s most frequent targets); deep-soul call and response vocals; and, of course, energising everything around it, Allen’s majestic drumming.

To mark the 2nd anniversary of TONY ALLEN’s passing at the age of 80, World Circuit will re-release this classic album on 2 x 180g heavyweight vinyl. The audio has been remastered and the package features the original 2009 sleeve notes in a 4p 12” booklet.

“If you’re wondering why Afrobeat is hip, start here.”
–OBSERVER MUSIC MONTHLY

“There is no question that Tony Allen is a genius, one of the greatest percussionists in the history of popular music”
–THE GUARDIAN

“While seeking to revive Afrobeat from the roots, Tony Allen imposes here a modernist vision and achieves the best possible synthesis between Yoruba foundations, Blue Note jazz arrangements and electro sound resolution.” –LES INROCKUPTIBLES

LEVIATHAN PROJECT

THE FINAL WAR

For fans of Judas Priest, Iced Earth, Yngwie Malmsteen, Death and Heavy Metal!

Leviathan Project is a powerful new Metal ensemble, who on their debut release featured, **Bobby Koeble** (*Death*), **Matt Nardo** (*Producer*), **Tk** (*Britny Fox*) and **Tim "Ripper" Owens** (*guest vox, x-Judas Priest*). Exploring the ongoing study of our human condition through music, writings, and visual communication, the result was an aggressive and captivating sound that combines traditional Heavy Metal with catchy melodies, haunting vocals and other worldly guitars.

Leviathan Project is now set to release "The Final War" as a Limited Edition CD (only 300 copies) with the current line-up of **Matt Nardo** (*Producer*), **Tk** (*Britny Fox*) and **James Nathan Lowe**. Continuing their sonic assault and even going heavier than before, this is sure to please fans of all genres of metal. The band have released a lyric video for the track "The Origin of Life" and the first official single "Trapped" will be out on April 15th.

The band will kick of some live shows in Philadelphia in mid-summer and main songwriter/founder **Tk** had this to say about the new release, "The Final War" goes beyond the traditional sound of metal blending elements of black metal, melodic guitars and horror."

Description:

There are few rock guitarists on this planet who have had such a lasting influence on so many renowned musicians as Michael Schenker. With his outstandingly fluid style, inexhaustible wealth of ideas and instinctive feel for hooks and melodies, Michael Schenker is a living legend who, despite his longstanding and distinguished history, still impresses with his unflagging energy and drive. The blond axeman from Sarstedt began his international career in the early 1970s with the Scorpions, achieved worldwide fame after joining British rock group UFO and then seamlessly continued his exceptional global success story under his own name, as well as with acts such as Michael Schenker Group (MSG for short), Temple Of Rock and Michael Schenker Fest. SUNDOWN

For fans of Bad Company, FM & classic rock!

The Band is:

Steve Overland (FM): Vocals

Simon Kirke (Bad Company): Drums

Steve Morris (Ian Gillan Band): Guitars, Keyboards and Hammond

Chris Childs (Thunder): Bass

Since **Bad Company** has gone on hiatus, drummer **Simon Kirke** has been working with his brand new band delivering up a heavy slab of Classic Rock in only the way this legendary drummer can. From his early days with **Free** and the chart topping *“All Right Now”* to the massive catalog of **Bad Company**, with hits like *“Can’t Get Enough”*, *“Shooting Star”*, *“Rock N Roll Fantasy”*, *“Feel Like Makin’ Love”* and countless others.

In 2019 the debut album *“Attitude”* by **Lonerider** was released, which features **Steve Overland** (FM, Shadowman), **Steve Morris** (Heartland, Shadowman) and **Chris Childs** (Thunder). The band came across like **Bad Company** mixed with **Shadowman** and their debut *“Attitude”* was loved by many. **Lonerider** has the feel of that classic **Bad Company** that we know and love, yet the songs are modern, fresh and vibrant.

Since 2019 the band have been working on a new release entitled **“Sundown”**. This new album boasts 12 new tracks of classic rock in the same vein as *“Attitude”*.

The vinyl version is a numbered edition of 500 and to make it special it has two different tracks to the CD, namely *“Love to Love”* and *“Long Time Gone”*.
