WRLD ALBUM

VINYL

The Rose (더로즈) is a Korean alt-pop indie band made up of four talented members: vocalist and guitarist Woosung, vocalist/multi-instrumentalist Dojoon, bassist Jaehyeong, and drummer Hajoon.

Their upcoming album, WRLD, promises to blend familiar early sounds with fresh sonic landscapes and genres. Fans can look forward to country-inspired melodies and themes of reflection and coming of age.

Sometimes, life moves too fast. WRLD is an invitation to slow down, a warm hug wrapped in melodies, a gentle pat on the shoulder that whispers, It's okay. We're in this together. With this album, The Rose takes a heartfelt step back to the essence of their early sound —raw, honest, and deeply emotional-while fearlessly exploring new sonic landscapes. Songs like Slowly and Tomorrow push boundaries, weaving in fresh influences, including country-inspired melodies that add a new layer of warmth and nostalgia. More than just music, this album carries a message of hope —a reminder that even in uncertain times, we have each other. It's a comforting embrace for the world, urging us not to lose sight of our shared humanity. Together, we have a voice, and that voice matters. If we dare to dream again, if we hold onto love and hope, tomorrow can be brighter than today. Blending various genres, WRLD is both tender and uplifting - an album for reflection, for dreaming, and for simply embracing the journey.

VINCE GUARALDI

OH GOOD GRIEF!

SIDE ONE:	SIDE TWO:
Linus And Lucy	It's Your Dog, Charlie Brown
You're In Love, Charlie Brown	Oh, Good Grief!
Peppermint Patty	Red Baron
Great Pumpkin Waltz	Rain, Rain Go Away

BUY! HERE'S WHY!

- Limited yellow vinyl pressing, mastered by Kevin Gray.
- Now available on CD, mastered by Grammy®-winning engineer Michael Graves.

Many people got to know Vince Guaraldi through his 1963 Grammy®-winning song, "Cast Your Fate To The Wind," or via the group Sounds Orchestral's Top-10 cover of it two years later. Lee Mendelson heard Guaraldi's version when working on a *Peanuts* documentary, and contacted Guaraldi, asking him to score the upcoming *Peanuts Christmas* special. It was a match made in television and musical history. With songs like "Linus And Lucy," the special was a hit and for over five decades not a holiday season goes by without an airing of the television classic. So potent and successful was the *Peanuts*/Guaraldi combination that Guaraldi went on to score a total of 15 *Peanuts* television specials and the first feature film.

In 1968, Vince made a label switch from his long-time home, Fantasy Records, to his new label, Warner Bros. Records. For his inaugural album, he decided to re-interpret his *Peanuts* classics on *Oh, Good Grief!* In addition to the instantly recognizable Guaraldi sound of piano, bass, and drums, this time he added electric guitar and electric harpsichord to the mix. The record was a smash hit.

Omnivore Recordings is proud to, once again, present the album the way the world first heard it—as stated on the original album's back cover, "on shiny black vinyl." Well, actually, this special pressing is "on shiny yellow vinyl!" Mastered by Kevin Gray this timeless album has never sounded better. In addition to this special vinyl pressing, we now have this classic album available on CD for all shiny disc lovers.

Join Charlie Brown and his friends on this classic release, once again on vinyl—*Oh, Good Grief!*

M83

Saturdays = Youth + Junk
[Color Vinyl Represses]

Street Date: 5/30/2025

Mute is excited to announce new color vinyl represses of M83's fifth studio album *Saturdays = Youth* on Yellow vinyl and seventh studio album *Junk* on Galaxy Blue vinyl.

Originally released in 2008, *Saturdays = Youth* features the singles "We Own The Sky," "Kim & Jessie" and "Graveyard Girl." It's a shimmering, nostalgic pop ode to the '80s and M83's most explicit celebration of how it feels to be dazed, confused and 15 years old.

With *Junk* (2016), the GRAMMY-nominated, Platinum-selling artist set out to craft what they called "an organized mess"—a collection of songs that shouldn't belong together but somehow do. The album spans from the fractured yet infectious opener "Do It, Try It," blending old-school house pianos with pop-art hooks, to "Solitude," a cinematic, melancholic epic that has since gone viral on TikTok.

These color represses follow M83's acclaimed 2023 studio album *Fantasy*.

TONY CHRISTIE

We Still Shine

Track Listing:

Side A

1. Home, Home, Home
2. Early Morning Memphis
3. Just Like Yesterday
4. Angel Eyes
5. Hangin' Around

Side B

1. We Still Shine
2. In The Times Of My Weakness
3. It's Been A While Since I Missed You
4. Sail Away
5. Once Upon A Time
6. That's What Friends Are For

Tony Christie is proud to announce his first new album in over 12 years - 'We Still Shine'. Released on 16th February 2024, it is from the heart and sees Tony go back to his love of country music, something he has been planning to do with long-time producer and close friend Graeme Pleeth for many years. Now available on WHITE vinyl, this record has been half-speed mastered to DMM for ultimate audio quality and pressed on heavyweight vinyl contained within a printed inner sleeve and gatefold outer sleeve.

Street Date: 30/05/2025

Hometown: Conisbrough, South Yorkshire, UK

Biography:

Tony Christie is a celebrated singer known for his smooth vocals and timeless hits. Rising to fame in the 1970s, he achieved success with songs like "(Is This the Way to) Amarillo" and "I Did What I Did for Maria." His career spans pop, easy listening, and country. After a resurgence in the 2000s, he remains a beloved figure in British music, admired for his rich voice and enduring appeal selling over 10 million records over his 40-year career.

SLAUGHTER

REVOLUTION

For Fans of, Def Leppard, Tesla, Winger, and 80's Hard Rock!

Slaughter was formed in Las Vegas, Nevada in 1988. The group was founded by lead vocalist and rhythm guitarist **Mark Slaughter** and bassist **Dana Strum**, who previously played together in the band **Vinnie Vincent Invasion**. The addition of guitarist **Tim Kelly** and drummer **Blas Elias** allowed **Slaughter** to quickly gain attention for their lively performances, catchy hooks, and melodic guitar solos.

Slaughter's debut album *Stick It to Ya* had three singles released that hit the **Billboard Hot 100**: the hit "Fly to the Angels" (US#19), and the moderate hits "Up All Night" (US#27) and "Spend My Life" (US#39). In 1992, the band released their second album, titled *The Wild Life*. It reached number eight on the **US Billboard Top 200 Album Chart** and was certified gold, but did not produce any Top 40 hits on the US Hot 100. The only single to reach the **Hot 100** was the first single "Real Love" (US#69).

The band would go on to release *Fear No Evil* in 1995, followed up by *Revolution* in 1997 and their last studio album *Back To Reality* in 1999. Now *Revolution* is getting a makeover, being release for the first time on Vinyl, fully remastered and on 180g vinyl in updated packaging by original artist **Ioannis (Deep Purple, Allman Brothers, BOC, etc...)**, including a 6-Panel Digipak CD.

FRANK DIMINO

OLD HABITS DIE HARD

For fans of Angel, Starz, KISS and 70's Rock!

Best known for being the front-man of legendary US Hard Rock band **ANGEL**, **Frank Dimino** is now leading his own solo project and debuts with a fine Melodic Hard Rock album aptly titled **Old Habits Die Hard**. **ANGEL** is a band that was discovered (similarly to **VAN HALEN**) by **KISS** bass player **Gene Simmons**, who got them signed to **Casablanca Records**. With that label **ANGEL** released 5 critically acclaimed studio and one live album in the second half of the 70's. After the band's demise, Dimino went on to work with **UFO's Paul Raymond** and worked as singer for Soundtracks, scoring a Platinum album for the inclusion of his **Cycle V** song "**Seduce Me Tonight**" on the "**Flashdance**" soundtrack.

While Frank is undoubtedly the brainchild of **DIMINO**, the new album sees him collaborate with some heavyweights of the Vegas music scene, which is where he currently resides. Under the production of **Paul Crook (MEAT LOAF)**, **DIMINO** sees the participation – among others - of **Oz Fox (STRYPER)**, **Eddie Ojeda (TWISTED SISTER)**, **Rickey Medlocke (BLACKFOOT, LYNRYD SKYNYRD)**, **Jeff Labansky (ARMORED SAINT)**, and former **ANGEL** bandmates **Punky Meadows** (on guitar) and **Barry Brandt** (co-writing with Frank the song "Even Now").

Old Habits Die Hard has reached its **10th Anniversary** and is being re-issued with the bonus acoustic track "**Even Now**" and being made available on **180g White Vinyl** for the first time.

- No Longer Accepting Commands
- Not Gonna Do It Alone
- Batter Up! feat. Tim Henson
- Sacrifice
- A List Of Hopes

Mutant, in conjunction with Netflix, are proud to present the premiere physical release of Scot Stafford's score to the film, *Ultraman: Rising*. *Ultraman: Rising* follows Ken Sato, an all-star athlete who reluctantly returns home to take on the mantle of Ultraman in the wake of rising monster attacks in Tokyo, discovering that his greatest challenge isn't fighting giant monsters: it's raising one. Stafford's score for *Rising* takes influence from the original Ultraman theme, while simultaneously ushering in a new era for the character and his fans.

The soundtrack album features 48 tracks, including the Diplo and Oliver Tree title track "ULTRAMAN" and the Alicia Creti track "No Better", and a score that features an 80-piece orchestra recorded at London's AIR Studios, 8-bit sounds from a custom-hacked Commodore 64, Japanese percussion, and multiple tracks featuring modern guitar legend Tim Henson. "Ultraman: Rising is a multigenerational and multicultural story about family," Stafford says of the album and his work. "That is reflected in the score, which I put all my heart into. There's a lot in there for both new fans of Ultraman, as well as fans of the classic Hollywood scores I grew up with."

This limited edition physical release features original artwork by Yuko Shimizu, and is pressed on 2x 140 gram color vinyl, with all new liner notes by Drew Taylor

INFO

Songs with captivating depth, impressive vocals in floating harmony, coming of age in reverb. So Soon, formed by multi-instrumentalists, songwriters and producers David Stöbener and Marco Braun, create music that develops tremendous size and strength despite an impressionistic approach to sound design and storytelling. Indie pop and folk merge with electronica and post-rock to create a moving entity - both on the recordings and in electrifying concerts with the full band.

So Soon have not only been friends since their youth, they have also been making music together for years and have invested in their art. You can hear that in their compositions and production: multi-layered songwriting, precise vocals, impressive sound and tremendous playing quality combine to create a magical whole.

After releasing their debut LP in November 2024, now also their highly acclaimed debut EP from June 2022 will be available on vinyl for the first time.

AMONG THE EVERGREENS

AN ALBUM OF MUSIC BY

SUZIE UNGERLEIDER

AVAILABLE JUNE 6 2025

Artist: Suzie Ungerleider
Title: Among the Evergreens
Label: MVKA
Genre: Americana / Singer-Songwriter
Release date: June 6th 2025

UNCUT magazine
Americana Album Of The Month
June 2025

1. The Prize
2. Cicadas
3. Real Estate
4. Juniper
5. College Street
6. Mount Shasta
7. I'm Sorry & You're Right
8. Sirens
9. Golden
10. The Wilds

Among the Evergreens is the latest chapter in the revered Americana singer-songwriter's own story. Emerging under her own name in 2021 after retiring her long-time moniker, Oh Susanna, this album marks her most personal work to date. The thrice JUNO nominated artist continues her tradition of storytelling on her eleventh release.

"At the beginning of my musical journey, I was afraid to show myself, so I took on a persona, and I wrote songs in a fictionalised way," Suzie reflects of her lifelong journey towards becoming more comfortable with the vulnerability of revealing herself. "It is this idea of trying to merge the musical person and the human being that I am and get closer to what is important to me. And it's interesting, because the more specific I get, the more universal it is."

Indeed, Suzie's beautifully evocative and atmospheric songs may draw the listener into her world, but they are universally relatable, traversing the typical chapters of a person's life. These are tales about teenagehood, the loss of innocence, the breakdown of relationships, young love, marriage, motherhood, survival and second chances, fights and forgiveness. And they are utterly captivating.

Among The Evergreens is divided into two parts: "Then" and "Now" – songs inspired by the past and by the present. Suzie reflects on what it means to be in the middle of life, seeking answers to who she was and who she is now. "It's about being like a tree with all those rings around you, the layers of your life telling you who you were and where you've been," she says.

Imagery of the outdoors, of green valleys and trees shedding their leaves, infuses this new collection. It was written in America-born, Canada-raised Suzie's hometown of Vancouver, a city among the evergreens – the cherished place to which she returned after being lured by the thrill and promise of Toronto.

THE SOUTHERN PART 2

For fans of ZZ Top, Dirty Honey, Rival Sons and Blues Rock!

The Cold Stares are from Evansville, Indiana, formed in 2009. The duo (now recently a trio) has released seven studio albums. The band's 2012 release *A Cold Wet Night and a Howling Wind* sold 25,000 copies and reached **#1 on Amazon Music's Blues Rock** albums chart.

For almost ten years, **The Cold Stares** had toured the world relentlessly as a duo, blowing away audiences across the US and Europe with a fierce, blistering live show that belied their bare bones, guitar-and-drums setup. In 2023 the band began embracing a whole new kind of chemistry and launched into their next chapter, adding a third member and channeling the classic power trio sound they grew up on with their explosive acclaimed album, *Voices*.

Working off the international success of *Voices* which was voted one of the best albums of **2023** by **Classic Rock Magazine**, **The Cold Stares** went into **Memphis Magnetic Studio** in Memphis Tennessee and recorded the band's next chapter and progression, the sprawling album *The Southern*. Now they are back with *The Southern Part 2* which has already bolstered the blues rocking tracks "Automobile" and "Little More Rope".
