**PRE-ORDER: APRIL 7, 2023 | RELEASE: JUNE 16, 2023**

Guitarist and composer **PAT METHENY** was born in Kansas City on August 12, 1954 into a musical family. Starting on trumpet at the age of 8, Metheny switched to guitar at age 12. By the age of 15, he was working regularly with the best jazz musicians in Kansas City, receiving valuable on-the-bandstand experience at an unusually young age. He has won 20 Grammy Awards in 12 different categories including Best Rock Instrumental, Best Contemporary Jazz Recording, Best Jazz Instrumental Solo, Best Instrumental Composition. The Pat Metheny Group won an unprecedented seven consecutive Grammys for seven consecutive albums. Metheny has spent most of his life on tour, averaging between 120-240 shows a year since 1974.

*Dream Box* is an unusual recording for me. A compilation of tracks recorded across a few years.

While on tour this past year (2022), I discovered a forgotten folder on my drive. I often make quick recordings of things; a new tune, a new (or old) guitar, a standard tune, or just to try something out. I have a folder where I stash these things, truthfully, usually never to be heard again.

The only time I listen to my own stuff is while on the road. I often say I live on output, with little or no time for input. That changes on tour, where suddenly there seems to be more free hours in the day, albeit on a bus or in some far-flung hotel room. Occasionally, those moments offer a chance to rummage around in the files to see if anything interesting may lie there.

This past year was a particularly busy travel year for me, with about 160 performances worldwide. In the course of all that travel, I found myself returning to that discovered folder again and again. From those listening sessions, I was surprised to find this program emerging as a coherent whole. I found that I had unintentionally gotten to a destination I had not planned for, and I am excited to share what I found there.

These nine tracks were my favorites and added up to something unique for me. I never played anything more than once. These are really moments in time, and in fact, I have almost no memory of having recorded most of them. They just kind of showed up.

Music exists for me in an elusive state, often at its best when discovered apart from any particular intention. I hope folks might find some dreams of their own in this music.

**Overview:**

Motörhead loved playing live and never ever judged their audiences. Everyone was encouraged, all were welcome. And that included people who like jazz! So when the Montreux Festival called requesting them, it made perfect sense in its own, unique way. 'Tis worth noting, too, that the Festival has always been about stepping beyond the boundaries of that 'J' word, and embracing unique artists of all genres, styles and sensibilities, the only true consistent requirement being that they represent the best and most adventurous of their ilk. This now legendary performance from 2007 is now released to the world in all its greasy-biker glory and includes the first official release of their cover of Thin Lizzy's, 'Rosalie'.

## TOKYO TAPES

US Release Date: 06/16/2023

12" YELLOW 2LP

LIMITED TO – 2.000 UNITS FOR N. AMERICA

- ★ 1<sup>st</sup> Live Album originally released in 1978  
by multi-million selling band SCORPIONS
- ★ First time on yellow 2LP in Soft Touch Sleeve
- ★ All tracks remastered in 2015

While the Scorpions were still slowly trudging their way up in Europe, they were already a recognised force in Japan, and „Virgin Killer“ was the first album to be gilded in the land of the rising sun. So it was high time for the first trip to the Far East. Four months after the release of TAKEN BY FORCE, the group arrived in Tokyo in 1978. Four concerts were scheduled, one each in Osaka and Nagoya and two in Tokyo's Nakano Sun Plaza. These two shows were recorded for the live double album TOKYO TAPES, which was also intended as a farewell gift for the departing Uli Jon Roth. TOKYO TAPES impressively documents what has always distinguished the Scorpions: Their rousing and electrifying live presence, immense joy in playing, an intimacy with their audience that produces goosebumps, and of course musical and technical brilliance. In Tokyo, the classic line-up with the two outstanding guitarists Rudolf Schenker and Uli Jon Roth and the charismatic front man Klaus Meine was in the form of their lives. They played with the songs, changed them as they pleased, involved the audience and took the freedom to improvise. A good example is „Fly To The Rainbow“. The band changes the song as they play, and Uli Jon Roth amuses himself to the best of his ability with his effects board. He lets the guitar roar, scream, wail and sing and then sets off on a solo that must be one of the best solos in rock history. TOKYO TAPES is a terrific live album that captures the band's energy and joy of playing almost perfectly. It offers those who are not so familiar with the early years of the Scorpions an excellent opportunity to rediscover the great music they wrote before they became worldwide superstars.

TOKYO TAPES is now released as a 180g gatefold 2LP, pressed on yellow vinyl.

## VIRGIN KILLER

**US Release Date: 06/16/2023**

**12" SKY BLUE 1LP**

**LIMITED TO – 2.000 UNITS FOR N. AMERICA**

- ★ 4th Studio Album originally released in 1976 by multi-selling band SCORPIONS
- ★ First SCORPIONS' album that was certified Gold in Japan
- ★ All tracks remastered from the original tapes

VIRGIN KILLER is the fourth studio album by the Scorpions, released at the end of 1976, and is the band's shortest album with a length of 35 minutes. It is the second album made in collaboration with producer Dieter Dierks and was another step away from psychedelic influences and towards hard rock. The title VIRGIN KILLER refers to the idea that time is the „killer“ of innocence. The album reached #32 on the Japanese album charts and was the first Scorpions album to be certified gold in Japan.

VIRGIN KILLER was remastered with special sensitivity from the original tapes and is now released as a 180g 1LP, pressed on sky-blue vinyl.

In addition to VIRGIN KILLER, FLY TO THE RAINBOW, TOKYO TAPES, IN TRANCE and TAKEN BY FORCE will also be released in new coloured vinyl versions.

## IN TRANCE

**US Release Date: 06/16/2023**

**12" CLEAR 1LP**

**LIMITED TO – 2.000 UNITS FOR N. AMERICA**

- ★ 3<sup>rd</sup> Studio Album originally released in 1975 by multi-million selling band SCORPIONS
- ★ First SCORPIONS album produced by Dieter Dierks
- ★ All tracks remastered from the original tapes

IN TRANCE is the Scorpions' third studio album and the first album the band recorded together with producer Dieter Dierks, who later turned out to be a long-time companion of the Scorpions. The album was released on 17 September 1975 and provided the band's big breakthrough in Japan. Besides Klaus Meine, Uli Jon Roth can also be heard as a singer on the songs „Dark Lady“ and „Sun in My Hand“, which he wrote himself. Besides the eponymous hit „In Trance“, the album contains „Night Lights“, the band's first purely instrumental piece composed by Uli Jon Roth. The legendary artwork of IN TRANCE was created by photographer Michael von Gimbut.

IN TRANCE was remastered with special sensitivity from the original tapes and is now released as a 180g 1LP, pressed on transparent vinyl.

In addition to IN TRANCE, FLY TO THE RAINBOW, TOKYO TAPES, VIRGIN KILLER and TAKEN BY FORCE will also be released in new coloured vinyl versions.

# SCORPIONS TAKEN BY FORCE

**US Release Date: 06/16/2023**

**12" WHITE 1LP**

**LIMITED TO – 1.500 UNITS FOR N. AMERICA**

- ★ 5<sup>th</sup> Studio Album originally released in 1977  
by multi-million selling band SCORPIONS
- ★ Second album to be certified Gold in Japan
- ★ All tracks remastered in 2015

TAKEN BY FORCE was released on 4 December 1977 and was the last studio album with Uli Jon Roth and the first with the new drummer Herman Rarebell. The newcomer also introduced himself as a songwriter and contributed the lyrics to „He’s A Woman - She’s A Man“. TAKEN BY FORCE features a number of songs that have since become classics. „Steamrock Fever“ is one of them, a typical live hit that was an absolute hit with the audience for many years. Then we have „I’ve Got To Be Free“, written by Uli Jon Roth; a high-energy and hard-rocking piece with great riffs and some guitar magic that once again demonstrates Roth’s exceptional class. Ultra-heavy riffs and a catchy chorus, on the other hand, are the trademarks of the aforementioned „He’s A Woman - She’s A Man“. The masterpiece „The Sails Of Charon“, another song by Uli Jon Roth, is a caliber on its own. The most unusual, and often criminally underrated, track on the album, however, is „Your Light“. A funky bass introduces the track and the song grooves almost like a Motown production. „Your Light“ is the perfect counterpart and balance to the rather dark and oppressive „The Sails Of Charon“ or „The Riot Of Your Time“. The ballad „Born To Touch Your Feelings“ represents the romantic side of the Scorpions, which has established them as the ‚Masters of Ballads‘ over the years. The song is of the same class as the later monster hits „Still Loving You“ or „Holiday“. Although the musical differences between Uli Jon Roth and the other band members had already become apparent during the recording process, TAKEN BY FORCE has become a fascinating album that does not have the slightest weak spot. It is the exquisite culmination of the era with Uli Jon Roth and at the same time a work that should have a significant influence on the future development of heavy metal.

TAKEN BY FORCE is now released as a 180g 1LP, pressed on white vinyl.

In addition to TAKEN BY FORCE, FLY TO THE RAINBOW, IN TRANCE, VIRGIN KILLER and TOKYO TAPES will also be released in new coloured vinyl versions.

## FLY TO THE RAINBOW

**US Release Date: 06/16/2023**

**12" TRANSPARENT PURPLE 1LP**

**LIMITED TO – 1.500 UNITS FOR N. AMERICA**

- ★ First time on LP in North America in over 30 Years!
- ★ 2<sup>nd</sup> Studio Album originally released in 1974 by multi-million selling band SCORPIONS
- ★ First self produced album by the SCORPIONS
- ★ All tracks remastered from the original tapes

The Scorpions' second studio album, FLY TO THE RAINBOW, was released on 01 November 1974 and is the first album produced by the members of the band themselves. The album was produced shortly after their LONESOME CROW tour, after which Michael Schenker left the band and was replaced by Uli Jon Roth. Stylistically, FLY TO THE RAINBOW deviated strongly from their debut album LONESOME CROW and moved in a more experimental direction, which nevertheless already showed strong hard rock influences at that time and already foreshadowed where the band would later go. Besides lead singer Klaus Meine, the album also features the voices of Rudolf Schenker („They Need a Million“) and Uli Jon Roth („Drifting Sun“). To date, the album has sold more than a million copies worldwide.

FLY TO THE RAINBOW was remastered with special care from the original tapes and is now released as a 180g 1LP, pressed on transparent purple vinyl.

In addition to FLY TO THE RAINBOW, TOKYO TAPES, IN TRANCE, VIRGIN KILLER and TAKEN BY FORCE will also be released in new coloured vinyl versions.

### PRODUCT DESCRIPTION – 1LP transparent yellow coloured vinyl

Sophomore album from GRAMMY-nominated, live phenomenon Elderbrook. Little Love's 11 tracks showcase the UK artist's soulful and melodic take on house music, while delving into the life-changing impact of parenthood. The result is a positive and uplifting dance-focused LP, full of music that is uniquely Elderbrook. Album follows packed-out Coachella performances, expansive headline US tour, run of arena shows supporting ODESZA in 2022, as well as two sold-out shows at Red Rocks with Louis the Child in 2021. His previous full-length (2020's Why Do We Shake in the Cold?) received critical acclaim, including from NPR + Billboard ("...lush, emotionally evocative melodic house...").

# JASON MRAZ

8TH STUDIO ALBUM OUT JUNE 23RD  
FT. "I FEEL LIKE DANCING"

**JASON MRAZ** is living full spiral. It's not full circle, exactly, because he's changed and his experiences have changed, but on his 8th studio album, **MYSTICAL MAGICAL RHYTHMICAL RADICAL RIDE**, the musician has found himself returning to a familiar junction in space. Throughout the album, there are hints of **MRAZ**'s formative releases, including his 2002 debut **Waiting For My Rocket to Come** and 2005's **Mr. A-Z**, but it ultimately finds a kinship with 2008's **We Sing. We Dance. We Steal Things**. The new songs, which are unabashedly pop, see **MRAZ** reuniting with numerous collaborators, including L.A. band **Raining Jane** and producer **Martin Terefe**, who helmed the 2008 breakout album. The songs grapple with the emotions and experiences that come with being in your mid-life, a time that is often ignored by pop songwriters. Its optimistic, inspiring sensibility reflects the musician's overall approach to being in the world. It is, in fact, full spiral, reflecting the past but becoming something new.

Fourteen-time Grammy® award winning singer, songwriter and multi-instrumentalist **Dan Tyminski** will release, “**God Fearing Heathen**,” his first new album of original music in over a decade. The self-produced 10-track album drops in June 2023 and showcases Dan’s musicianship and unrivalled artistry. Complete with hot-picking and undeniable passion, Tyminski’s full-bodied signature vocals authentically deliver on each of the self-penned tracks.

For more than 30 years, his combination of skill and spirit has led Tyminski from one success to the next, bringing 14 Grammys and four Male Vocalist of the Year awards from the International Bluegrass Music Association, plus an unlikely Hollywood hit, “Hey Brother,” a globe-spanning EDM smash with DJ Avicii, and more

Tyminski’s voice famously accompanies George Clooney’s performance of the Stanley Brother’s Classic song, “I’m A Man of Constant Sorrow,” in the film, Oh Brother, Where Art Thou and as the male lead singer in Alison Krauss and Union Station, his vocals and musicianship have graced multi-platinum records, television shows and concert stages all over North America and Europe.

**Long awaited new studio album of the legendary American Power Metal act JAG PANZER!**

**Artist:** JAG PANZER

**Title:** The Hallowed

**Pre-sale:** March 24<sup>th</sup>, 2023

**Release Date:** June 23<sup>rd</sup>, 2023

**Label:** ATOMIC FIRE RECORDS

**File Under:** METAL

**Description:**

JAG PANZER not only are one of the most important US Heavy Metal bands, but also one of the first ones. The band was formed in 1981 in Colorado, and released their debut album entitled "Ample Destruction" just 3 years later, in 1984. Today, almost 40 years later, the album – which already presented the band's very own and unique style - is known as one of the pillars of American Heavy Metal, and is often referred to as the trailblazer of the Power Metal scene.

In the last few decades the Heavy Metal scene was going through ups and downs, and so was the band's career. Nevertheless, JAG PANZER managed to release 10 more studio albums, and earned the status of an absolute legend of the genre. Yes, they are being called legends, they are being called veterans – but it absolutely doesn't mean that the band sounds outdated. Exactly the opposite applies: Their new concept studio album entitled "The Hallowed" of course includes all trademarks and sounds like a classic JAG PANZER album. But it also includes an impressive dose of energy and high-octane in-your-face attitude that will please both old school die hard fans and young enthusiasts of the genre alike!

**For fans of:**

IRON MAIDEN, METAL CHURCH, DIO, '80s era SAVATAGE

**Key Sales & Marketing Points:**

- glorious comeback album of the American Heavy Metal legends

# SHADOW'S SYMPHONY

## DESOLATE HORROR

**For Fans of Horror, Halloween, and Haunted Attractions!**

**Shadow's Symphony** creator **Grant Smoker** has loved everything to do with **Halloween** since he was a kid and always wanted to be able to contribute or be a part of **Halloween** in some way. Hearing music at **Haunted Attractions** inspired him to start writing and recording. He writes this instrumental music with haunted attractions, films, and gaming in mind. Since 2014 **Shadow's Symphony** is played in haunts around the world. Each album that he writes has a different theme, which means different instrumentation as well as style that pertain to the theme of the album. There's a bit of everything from melancholy piano to full blown dark orchestral strings and creepy ambient synth over the course of an album.

For this release, **Desolate Horror** was written to capture the feeling of a haunted cabin in the woods in the dead of winter. Driven predominantly by eerie synths and strings you'll immediately feel the chill from a dark winter night and a foreboding sense of a haunting loneliness.

# GABY MORENO

X MÍ (VOL. 1)

DIGITAL ALBUM RELEASE DATE: 5/5/2023

CD RELEASE DATE: 6/23/2023

X Mí (Vol. 1), pronounced “Por Mi”, houses a collection of rich and soulful acoustic songs that have remained dear to Gaby’s heart for years now in both English and Spanish. It is lined with Gaby’s one-of-a-kind sound that has garnered large critical acclaim and the attention of some of today’s most esteemed artists, which has led her to share the stage with the likes of Andrea Bocelli, Tracy Chapman, Ani DiFranco, Punch Brothers, Hugh Laurie, Buena Vista Social Club, Caexico, David Gray, and many more.

## About Gaby

Armed with a warm, soulful sound, Gaby Moreno creates music that offers an intoxicating invitation into her musical world for English and Spanish speakers alike. Since moving to Los Angeles from her native Guatemala, singer-songwriter-producer Gaby Moreno has released 7 albums, earned a Grammy nomination for her albums Alegoría (Best Latin Rock or Alternative Album, 2023) and Illusion (Best Latin Pop Album, 2017), and won a Latin Grammy (Best New Artist, 2013). Moreno has shared the international stage with pop music luminaries such as Bono, Andrea Bocelli, Tracy Chapman, Ani DiFranco, Punch Brothers, Hugh Laurie, Buena Vista Social Club, Caexico, David Gray, and many more. In addition to her critical acclaim within the music industry, Moreno has also amassed a long list of accolades within the TV and film worlds. Most famously, she co-wrote the seminal theme song for cult classic TV show, ‘Parks and Recreation’. Her moving version of the classic song “Cucurrucucú Paloma” was chosen to play at the end of the emotional episode “God Bless America” for the last season of Netflix’s original show, “Orange Is The New Black”. Recently in 2022 her music was featured in Guillermo Del Toro’s new Netflix show ‘Cabinet of Curiosities.’ Gaby was also chosen to sing the theme song and voice a character (Marlena) on the multiple Emmy Award-winning Disney children’s television series, “Elena of Avalor,” which features Disney’s first Latina princess. In 2022, Moreno released her 7th album, “Alegoría”, produced by herself, featuring among others her guitar heroes Marc Ribot and David Garza. The album comprises 11 songs both in English and Spanish, exploring themes of hope, love, nostalgia, and desolation. In addition to her dynamic work within entertainment, Moreno has cemented a long trajectory as a champion for immigration rights and social issues dear to her. She was recently named the first Unicef Goodwill Ambassador from Guatemala. She is focused on mentoring young female artists and creatives.

## TRACK LISTING

1. Fronteras
2. Intento
3. Garrick
4. Ave Que Emigra
5. Luna de Xelajú (Feat. Oscar Isaac)
6. Little Sorrow
7. Juegos y Miedos

Includes the lead single titled “**Luna de Xelajú**” featuring Golden Globe-winning and Emmy-nominated actor, producer, and musician **Oscar Isaac** and its striking companion video. The collaboration sees the two artists coming together to celebrate their shared roots, honoring their beloved country of Guatemala and their families, through a combined love for music. Directed by Diego Contreras via his production company Fireland, the moving visual captures the two friends bringing to life the spirit of their motherland through the song which has long been adopted by many as an honorary anthem for Guatemala.
