RECOIL

Unsound Methods

Street Date: 8/11/2023

Mute is excited to announce the repress of Recoil's *Unsound Methods*, available August 11th on black vinyl. Follows the sold out green & clear vinyl reissue, released in November 2022. The vinyl is packaged in a wide spine jacket with printed inner sleeves and a high definition download code.

Recoil is the musical project of former Depeche Mode member, Alan Wilder. Originally a solo venture for Alan's more experimental work outside of Depeche, Recoil became his primary music project once he announced his departure from the band in 1995.

Recorded at Alan Wilder's home studio, *Unsound Methods* is Recoil's fourth studio album. The record included a number of collaborators, with four separate solo vocalists: Douglas McCarthy of Nitzer Ebb, Siobhan Lynch, New York spoken word artist and poet Maggie Estep, and Hildia Cambell, who Wilder worked with on his final Depeche Mode album. Although all collaborators were allowed free range, *Unsound Methods* still reverberates as the epitome of Recoil's dark and atmospheric sound.

RECOIL

Liquid

Street Date: 8/11/2023

Mute is excited to announce the repress of Recoil's *Liquid*, available August 11th on black vinyl. Follows the sold out silver vinyl reissue, released in November 2022. The vinyl is packaged in a wide spine jacket with printed inner sleeves and a high definition download code.

Recoil is the musical project of former Depeche Mode member, Alan Wilder. Originally a solo venture for Alan's more experimental work outside of Depeche, Recoil became his primary music project once he announced his departure from the band in 1995.

The Golden Gate Jubilee Quartet, Rosa Torras, Diamanda Galás, Nicole Blackman, Samantha Coerbell, and others power Alan Wilder's passionate yet unsettling Recoil album, *Liquid*. Originally released in 2000, *Liquid* possesses a hypnotic and deeply charged allure drawn from its intense tapestry of desire, fury and violence. An exceptional piece of work for self-reflection in the company of the darker side of yourself, the record is intended to drill holes into your psyche in a genuinely unhinged way.

PRAISE FOR LIQUID:

"Liquid is a concept album that serves as a look into the mind of a warped and jaded man who's life is flashing in front of his eyes." - AllMusic

"Meticulous musical sculpting and a filmic sense of creepiness combine to form an intensely dramatic album" - Sputnik Music

RECOIL

SubHuman

Street Date: 8/11/2023

Mute is excited to announce the repress of Recoil's *SubHuman*, available August 11th on black vinyl. Follows the sold out blue vinyl reissue, released in November 2022. The vinyl is packaged in a gatefold sleeve and includes a high definition download code.

Recoil is the musical project of former Depeche Mode member, Alan Wilder. Originally a solo venture for Alan's more experimental work outside of Depeche, Recoil became his primary music project once he announced his departure from the band in 1995.

After a 6-year break from recording, Alan Wilder returned with Recoil's fifth studio album, *SubHuman*. This dark electronic album, which sets the listener a challenge to analyze what makes us human and *SubHuman*, is a collaboration with bluesman Koe Richardson, who Wilder came across via a Google search. Richardson provided guitar, harmonica and eerie vocals dealing with themes of murder, death, and religion. Singer Carla Trevaskis lent her ethereal vocals on 'Allelujah.'

PRAISE FOR SUBHUMAN:

"A perfect way to reintroduce Recoil back into the consciousness of underground music fans every where." - Treble

"...skillfully polished and best suited for lovers of dark, incongruous genre blending." - AllMusic

"subHuman traffics in the thick, surging, hip-hop-inspired beats, sweeping strings, and grandiose arrangements..." - PopMatters

THE GUESS WHO

PLEIN D'AMOUR

For Fans of The Guess Who, Bachman-Turner Overdrive, and Classic Rock!

The Guess Who is a legendary Canadian band who enjoyed chart-topping hits in the late 60s and early 70s with an impressive catalog of songs including "American Woman," "These Eyes," and "No Time." During the course of its career, the band has released 11 studio albums, all of which charted in Canada and the United States. **The Guess Who** is best known internationally for its 1970 album, **American Woman**, which hit number one in Canada and number nine in the United States, with five other albums also hitting the top ten in Canada. All in all, **the Guess Who** boasts **14 top-40 singles** in the United States and more than 30 in Canada.

The band released its first single "The King" on February 10 and it immediately landed on multiple Spotify playlists racking up over 50,000 streams, making it the highest new release in the band's history. The band is now gearing up to release its latest creation, **Plein D'Amour**. Band members **Derek Sharp, Michael Staertow, Leonard Shaw, Michael Devin,** and founding member **Garry Peterson** have crafted a collection of songs that raises the bar and continues to take it up a notch both musically and sonically.

The album **Plein D'Amour** was recorded at **Villa Sound** in Singhampton, Ontario, Canada, with **Adam Fair**, featuring other stand out tracks such as "Headline" and "Across the Line". Artwork for the release is provided by world renowned graphic designer **Ioannis (Deep Purple, Allman Brothers Band, Led Zeppelin, etc.)** The band has already embarked on a full North American tour that will take them through the end of 2023.

BIG TIME RUSH

4TH STUDIO ALBUM **ANOTHER LIFE** FT. WAVES + CAN'T GET ENOUGH

BIG TIME RUSH became an overnight sensation in 2009 when the eponymous TV show launched on Nickelodeon. Following the huge success of the show, **Carlos PenaVega**, **Kendall Schmidt**, **James Maslow**, and **Logan Henderson** came to life as a band off the screen releasing 3 studio albums and performing at sold-out arenas across the globe. After the show's conclusion and a 7 year hiatus, the band reunited in 2020 in an effort to bring joy to their fans during quarantine. This was soon followed by an acoustic version of their smash hit, **WORLDWIDE**. These appearances resulted in hysteria amongst fans and in the media, followed by **BTR** receiving **10M+** streams in 2020 alone. Their 4th studio album, **ANOTHER LIFE** ft. **WAVES**, **CAN'T GET ENOUGH**, and **SUPERSTITIOUS** in partnership with **BMG** is **OUT JUNE 2ND**. **35+US TOUR** dates kick off Summer 2023.

PRESS

"BETWEEN THE MUSIC & SONGWRITING, THE ALBUM COMES TOGETHER IN A MAGNIFICENT FORM THAT WILL BLOW FANS AWAY & MAKE EVERYONE SAY THEY'RE BACK AND BETTER THAN EVER!" - **YOUNG HOLLYWOOD**

"THE PRODUCTION OF 'ANOTHER LIFE' AS A WHOLE IS INCREDIBLE - YOU CAN HEAR HOW EACH SONG HAS SOMETHING THAT MAKES IT UNIQUE" - **GALAXY MAGAZINE**

JOE STRUMMER & THE MESCALEROS LIVE AT ACTON TOWN HALL

Release Date: 8/18/2023

- ★ Dark Horse Records releases **Joe Strummer & the Mescaleros** iconic *Live at Acton Town Hall* concert, remastered by Grammy Award Winner Paul Hicks (The Beatles, The Rolling Stones, George Harrison) and available on 2LP clear vinyl and CD.
- ★ Recorded on November 15, 2002, the concert was a benefit for striking firefighters and would be one of Joe's last performances (he passed away a month later.)
- ★ The performance features a 3-song reunion with Strummer's former bandmate from **The Clash**, **Mick Jones**, who reunited on stage for the first time in almost twenty years. It would also be their last time on stage together.
- ★ Vinyl is packaged in a gatefold sleeve featuring never-before-seen photos from the show, plus new liner notes from former Fire Brigade Union Secretary Andy Gilchrist, who introduced the band at the show and led the strikes Joe was supporting.
- ★ This will be the first time the concert has been properly released with full packaging on vinyl, with its extremely limited previous incarnation as a Record Store Day exclusive in 2012 featuring just a DIY-inspired clear sleeve, and the first time it has ever been released on CD.

"A ravishing, uplifting, primal love letter to Finland and its thousand wonders."

Artist: Valkeat
Title: Fireborn
Pre-sale: June 2nd, 2023
Release Date: August 18th, 2023
Label: Reaper Entertainment
File Under: METAL

Description:

There is a sense of magic and wonder that is an exclusive thread of Finnish metal. It's the sound of falling snow, running wolves, shining stars and the flickering spirits that are the Northern Lights – and Valkeat are its latest and most fervent ambassadors. Born in 2014 in Espoo, hometown of the almighty Children Of Bodom, the six-piece boasting two kantele players are about to set the world of pagan metal ablaze with their second call of the wild "Fireborn", a haunting, enchanted piece of Finnish metal history that will go a long way. You can quote us on that.

Densely packed with soaring anthems and musical majesty, Valkeat – consisting of singer Miikka Virtapuro, guitarist Alekski Kulmala, bassist Juho Aarnio, kantele players Eppu Puhjo and Iida-Maria Kuronen as well as drummer and percussionist Vesa Laamanen – continue the great tradition of epic Finnish metal sagas. With jubilant chants, primordial melodies and pagan spirit, the band echoes the great stories of all those before them – of Nightwish, Amorphis, Korpiklaani, Turisas, or Moonsorrow. Not by copying them, mind you. But by writing hymns to Finland, its forests, legends and otherworldly creatures. "Representing and modernising the traditional Finnish music culture is important to us, which is why we have two kantele players in our band," says vocalist Miikka Virtapuro about the use of Finland's cherished national instrument with its unmistakably forlorn and bittersweet sound. "We are trying to modernise it for a big audience with our country's biggest instrument maker Koistinen Kantele. We hope to create something that will interest people in our culture and traditions, but also something that will give them strength and vitality in the challenges of life that we all face."

Something big is coming. "Fireborn" is the album that will make Finnish folk metal great again, a new beginning, a real perspective on these magical, otherworldly melodies. We can't really believe what these guys have done here – a ravishing, uplifting, primal love letter to Finland and its thousand wonders.

"The new album of the Finnish powerhouse WARMEN - including some solid surprises!"

Artist: Warmen
Titel: Here For None
Pre-Sale: June 16th 2023
Releasedate: August 18th, 2023
Label: Reaper Entertainment
File Under: Metal / Death Metal

Description:

WARMEN was something like a solo project with band character of the former Children Of Bodom keyboardist Janne "Warman" Wirman for many years. WARMEN's musical reorientation in 2023 provides a maximum of variety - and unexpected harshness.

While WARMEN used to have guest singers, the new band claim and the new musical direction should also be made clear vocally. The new man at the mic, who fits like a glove, is none other than Petri Lindroos from Ensiferum!

List Price: 16,98 \$

4 255698 500097

HERE FOR NONE heralds a new era - according to the motto "The king is dead, long live the king" WARMEN are not only musically setting out for new, heavier shores - due to the new line-up, it is fair to say that WARMEN are now spectacularly taking on the musical legacy of Janne's former band. "I will always be Janne from Bodom. That's okay for me, I'm happy about it and I don't have to hide my past. I also see it as a positive thing for WARMEN", Janne knows about his good reputation and the attention allotted to him in the scene. The band will also present this legacy live at selected events, such as the release show at Summer Breeze Open Air. Until then, the brutally varied, yet extremely coherent HERE FOR NONE is the new reference work in terms of melodic hardness from Finland!

WARMEN are:

At its best, prog can be a safe haven from the storm outside, a soothing experience with healing and escapist qualities. Genuine musicianship, pure emotion and a penchant for supreme melody make this music a journey, an experience for which records and headphones were invented in the first place. At the forefront of prog music stands Richard West, renowned keyboard wizard and songwriter for British prog metal pioneers Threshold for over 30 years. Six years after their epic masterpiece 'Legends of the Shires', West returns to these shores to deliver a long-awaited sequel. Not under the Threshold moniker, mind you. But with a brand new supergroup. Prog fans far and wide, rejoice: Oblivion Protocol are here. And they bring us "The Fall of the Shires".

"When my Threshold bandmates decided not to record a sequel to the 'Legends of the Shires' story," explains Richard West, "I knew I wanted to stay in that world a little longer, so I wrote my own sequel called 'The Fall of the Shires'. I just did it for myself at first, but when it was finished I started to wonder about releasing it." We can be very thankful for that: Oblivion Protocol will immediately claim a place in the hearts of every prog connoisseur, delivering a dense, climactic sound somewhere between Rush, Steven Wilson, 'Dark Side of the Moon' era Pink Floyd and occult hard rock masters Ghost.

OBLIVION PROTOCOL are:

Richard West - vocals, keyboards
Ruud Jolie - guitars
Simon Andersson - bass
Darby Todd - drums

Track Listing:

Side A

- 1) The Fall (Part 1)
- 2) Tormented
- 3) Public Safety Broadcast
- 4) This Is Not a Test

Side B

- 5) Storm Warning
- 6) Vertigo
- 7) Forests in the Fallout
- 8) The Fall (Part 2)

Selling points:

- * the album is a sequel to Threshold's "Legends of the Shires", which charted on #13 in Germany in 2017
- * catchy and melodic progressive metal in the style of Ghost and Rush
- * written and produced by Threshold's Richard West, the album was recorded with other internationally renowned musicians: Ruud Jolie (Within Temptation), Darby Todd (Devin Townsend) and Simon Andersson (Darkwater)
- * concept album with 2 music videos and single/radio edits for each track
- * social support from Threshold and the other band members' pages
- * music video for 'This Is Not a Test' by Patric Ullaeus (In Flames, Arch Enemy, Amorphis...)
