# NRBQ

## Honest Dollar

**NRBQ founder Terry Adams once said he isn't happy with a live performance unless something he hadn't expected happens. And that's a big reason why this release is such a treat. It's a collection of recordings from various shows that are chock full of welcome surprises.**

—John DeAngelis (from his liner notes)

Nearly a quarter century after bursting onto the scene in 1969 with their self-titled debut album, NRBQ delivered another patented mix of carefree musicianship and joyful spontaneity with 1992's live *Honest Dollar*. (It's been over 50 years now, and they're still delivering!)

*Honest Dollar* gave listeners a special treat (and we're not talking about the signed one-dollar bills the band inserted randomly into the copies of the original CD). Not only are there NRBQ classics like "Ridin' In My Car" and "Wacky Tobacky," but two "State" songs—"Deep In The Heart Of Texas" and Carl Perkins' "Tennessee" (with new lyrics by Terry, added with Perkins' consent.) And how about two distinct versions of "The Dummy Song," which wouldn't penetrate the public's conscious until the 1998 film *You've Got Mail*. Plus the Lovin' Spoonful's "Amy's Theme" with a guest appearance from John Sebastian himself. Add in rip-roaring versions of Little Richard's "Lucille," Len Barry's "1-2-3," and Neil Hefti's "Batman Theme," and this was as close to experiencing the excitement of an NRBQ show as you could get in the comfort of your own home. And the fact that the material comes from nearly a dozen venues demonstrates the unpredictability that always makes an NRBQ show uniquely memorable.

This 2025 remastered reissue adds even more fun to the mix. There are previously unissued versions of Duke Ellington's "Rockin' In Rhythm" and the Doc Pomus/Mort Shuman classic "Turn Me Loose," which coincides nicely with 2025 marking the celebration of Doc's 100th birthday.

Newly remastered by Grammy winning engineer Michael Graves, with updated artwork and new liner notes from John DeAngelis, *Honest Dollar* is ready to wow again.

### BUY! HERE'S WHY!

- Remastered reissue of their 1992 live collection.
- Expanded with two previously unissued performances.
- Updated artwork contains new liner notes from John DeAngelis.

1. Ridin' In My Car
2. Batman Theme
3. That I Get Back Home
4. Ain't It Good
5. Amy's Theme
6. Tennessee
7. Deep In The Heart Of Texas
8. Green Lights
9. Wacky Tobacky
10. New Tune
11. Lucille
12. 1-2-3
13. I Love Air Conditioning
14. Never Take The Place Of You
15. The Dummy Song
16. The Dummy Song
17. It's A Sin To Tell A Lie

Bonus Tracks:

18. Turn Me Loose
19. Rockin' In Rhythm

## By Venna

Street Date: 5 Sep 2025

'Spellbinding' – **Wonderland**

'Excellent' – **Jamie Cullum**

After two EPs and an illuminating start to his career, Grammy Award-winning saxophonist Venna releases his debut album, *Malik*.

Not wanting to be rooted in jazz alone, *Malik* embodies the melting pot of sounds that reflects Venna's environment. Bossa Nova influences can be heard across the album, as well as a deep love for Soul, R&B, and Rap. Venna's broad range shines bright in his choice of collaborators, including vocalists Jorja Smith, Leon Thomas, MIKE, and Smino, as well as instrumentalists such as Yussef Dayes and Marco Bernardis.

It's a beautiful rarity when an artist sees themselves as a vessel of the music, and though *Malik* is a manifestation of his experiences and how he sees the world and years of craft, Venna wants *Malik* to be an invitation. An invitation to let go, be present and submit to sensory experiences.

### MARKETING DRIVERS:

- Venna is a **Grammy-winning artist**, having won a Grammy in 2020 for Best World Album as part of Burna Boy's album 'Twice As Tall'
- Featured artists include **Leon Thomas, MIKE, Yussef Dayes, Jorja Smith, Smino** and more
- Non-featured performers include the upper echelon musicians, including **Rocco Palladino, Elijah Fox, Brian Hargrove, Marco Bernardis, AoD, Immanuel Simelane, Alexander Bourt** and more
- Radio support from **KCRW, KEXP, BBC R1 (Benji B), 1Xtra (Casskid), 6Music, NTS**, and more
- Previous online coverage from **GQ, Vogue, Wonderland, 1883**, and more
- Social following: Spotify 1.1m listeners | IG 59k | TikTok: 18k | YouTube: 14.1k
- COLORS Session** confirmed
- Performing at the **Central Park Summer Stage** as part of the Summer Days festival

**Artist: Faithless**

**Title: Champion Sound**

**Label: Faithless**

**Genre: Dance**

**Release date: 5 September 2025**

**Pre-order date: ASAP**

UK dance legends Faithless announce their hotly anticipated eighth album *Champion Sound*, to be released in four parts. Kicking off 6th June via ADA, Part 1 - *Forever Free* - features the final recorded vocal of iconic frontman Maxi Jazz. Part 2 (*Phone Number*) drops in July, followed by *Book of*

*Hours* in August, before the full album lands this September.

One of the world's most recognisable dance acts, with three No.1 albums, numerous Top 10 singles, album sales in excess of 20 million and streaming figures touching the billion mark, Faithless stand in a class of their own as one of the world's most celebrated dance acts. A leading force in electronic music for three decades, their distinctive style, powerful messaging, unforgettable live shows and continued ability to push the sonic envelope has seen them straddle the underground and mainstream like no-one else. They are a case in point that success can be achieved without ever diluting your message, ethos, or integrity with topics such as social justice and spiritual searching becoming a golden thread through their music. Few maintain the balance between depth and accessibility, while elevating a culture like Faithless continue to do.

# HOLDING ABSENCE

We all make mistakes. We all have regrets. We all look back on the loves and losses life brings and lament on how things might have been different. In these deeply personal moments of reflection our emotions can run wild as we contemplate our choices and come to terms with what's next. Hindsight is a powerful and complex thing, and a phenomenon whose intricacies are explored in captivating fashion on *The Greatest Mistake Of My Life*, the second album from Cardiff's **HOLDING ABSENCE**.

*The Greatest Mistake Of My Life* soundtracks the journey of our lives via all of its despair, elation, joy and pain, but never once tells the listener how they should be feeling.

The 2025 pressing of *The Greatest Mistake Of My Life* is a Green Ripple double LP with an etching on side D. Both LPs are housed in a Gatefold jacket that slides into a plastic slip sleeve with the band name and album titles printed on a rugged plastic sleeve. Limited to 1,000 units worldwide

**ARTIST:** Holding Absence  
**ALBUM TITLE:** The Greatest Mistake Of My Life  
**STREET DATE:** Sep 5, 2025  
**PRE-ORDER DATE:** June 11, 2025

# NAILED TO OBSCURITY

ARTIST: Nailed to Obscurity  
ALBUM TITLE: Generation of the Void  
STREET DATE: September 5, 2025  
GENRE: Metal  
LABEL: Nuclear Blast

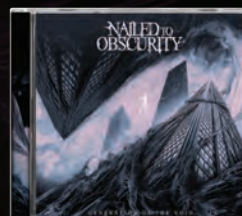

With *Generation Of The Void*, NAILED TO OBSCURITY have crafted their most mature and expansive album to date. Set for release on September 5th, 2025, the album reflects the turmoil of the post-pandemic era, the shadows of war in Europe, and the relentless changes affecting all humanity. Beyond its political and social commentary, the album also dives deep into personal struggles, confronting themes of dark emotions, depression, and fear. Every note, every lyric carries the weight of uncertainty and disillusionment, while no one knows what one will find within the void or beyond. The first single 'Overcast' drips with a brutal, melancholic, apocalyptic intensity which the band have perfected over their 25 years together. After sharing the stage with legends **DARK TRANQUILITY**, **AMORPHIS**, **JINJER**, **ARCH ENEMY** and **AT THE GATES**, NAILED TO OBSCURITY will embark on their first EU headline tour at the end of this year.

# INTERNATIONAL POP OVERTHROW 26

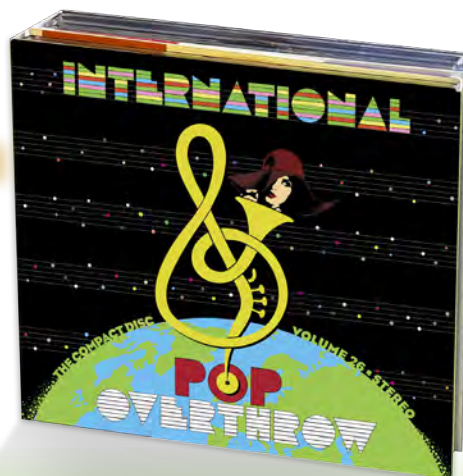

## BUY! HERE'S WHY!

- 66 tracks on 3 CDs at a specially discounted price
- Artists include Tsar, The Beckies (Michael Brown of The Left Banke), Kimberley Rew (The Soft Boys, Katrina And The Waves), The Pranks (featuring Jeffrey Fosskett from the Brian Wilson Band), and more
- CDs available at International Pop Overthrow events, with a very limited amount available for retail.

Omnivore Recordings and The International Pop Overthrow Music Festival are proud to present *International Pop Overthrow: Vol. 26*, a three-disc compilation featuring 66 tracks by artists from all over the world who have played the International Pop Overthrow (IPO) festival, along with some who haven't—at least, not yet! The IPO compilations go back as far as the festival, to 1998 when *Vol. 1* was a single disc. Since then, the collection expanded to two discs the following year, and then three discs in 2002 for *Vol. 5*, and it has remained a three-disc set since. *International Pop Overthrow: Vol. 26* showcases artists from across the globe, doing just about every sub-genre of pop music, including power pop, pop/rock, folk/pop, psychedelic pop, garage, indie-rock, modern rock, etc., making it one of the most well-rounded compilations available to the general public.

Although the International Pop Overthrow festival is essentially a showcase for unsigned bands, the compilations have featured signed acts including Jason Falkner (Jellyfish, Beck), Brendan Benson (The Raconteurs), Roger Joseph Manning, Jr. (Jellyfish, Beck, St. Vincent), Peter Holsapple (The dB's), Marvin Etzioni (Lone Justice), and Shoes. This year's release includes Tsar, The Beckies (Michael Brown of The Left Banke), Kimberley Rew (The Soft Boys, Katrina And The Waves), The Pranks (featuring Jeffrey Fosskett from the Brian Wilson Band), and more. Per IPO founder and compilation producer David Bash, "I think this is one of the better compilations we've done; I want to thank every artist who contributed their tracks, and Omnivore Recordings for being our label since 2019!"

When mainstream pop/rock fans are played any volume of the IPO compilations, their first response is invariably, "This is great – I had no idea people were still making music like this!" Well, they certainly are, and you can find some of the best examples of it on *International Pop Overthrow: Volume 26*!

### DISC ONE:

1. Forre Sterra – Jennifer Says
2. The Pranks – Tell Me
3. The Sonny Wilsons – Miss Kinetic
4. Grace Crugnale – Merry Xmas Everybody
5. Thom Hell – All Good Things
6. The Numbers – The Coast Is Clear
7. Orbis Max – The Light From Other Windows
8. TV Pins – Bye Bye Reseda
9. The Flower Machine – Wensleydale Road
10. Telejet – Waiting On The Singularity
11. The Transference – Drown In The Sound
12. Your Academy – Ms. Monroe
13. Andrew Stonehome – Then You Fly
14. Micah Gilbert – Fly Away
15. Kerry Tucker – Emily
16. Lora & The Stalkers – Reason That I Can't Explain
17. Robin Schell – Falling Down The Stairs
18. Modafferi – Illusion of Bliss
19. The Love Gamblers – Accursed Love
20. Log Island – Color Me
21. Street Duo – Thought
22. Andras Jones – Hating The Haters

### DISC TWO:

1. Yorick van Norden – The Keepers Of The Gates
2. The Bablers – Could It Be You
3. Tsar – Ordinary Gurl (Demo)
4. Minuscule 605 – I Cried All Night Long
5. Joe Dilillo – When It Comes To Us
6. 20/20 – Why Do I Hurt Myself
7. Danny Wilkerson, Lannie Flowers and Nick Frater – On The Radio
8. The General Store – Makes No Difference
9. The Strange Encounters – Recognize
10. The PoZers – The Separation (IPO 26 Final Mix)
11. Cosmo Topper – Just Say Know

12. Caper Clowns – Behind The Waterfall (Ayayahoo)
13. Plasticsoul – Virulent Rich Boys (IPO Mix)
14. Falling Doves – Love On The Runway
15. ZigZag Road – Don't Let The Music Stop
16. Mrs. Smith And The Present – Round And Around
17. ATHANOR – If You Want To Know The Truth
18. The Arcadeans – Duplicity
19. The Dreambots – Pity The Fool
20. Refestramus – Lakeview Samurai
21. Zombies Of The Stratosphere – Shot An Arrow
22. The Parlophonics – Hurdy Gurdy Man

### DISC THREE:

1. The Society Of Rockets – Doors Are Opening
2. Steve Rosenbaum (with Maya Rosenbaum) – Aerodeliria
3. The Lemon Clocks – Seventh Wave
4. The Becikies – River Song (Demo)
5. The Viewers – Around And Around
6. The Samurai Seven – Duck & Cover
7. For Sale – En Vela
8. Kimberley Rew and Lee Cave-Berry – Listen In Colour
9. Captain Storm – Too Much Fun
10. Dynamic Duo – Morning Light
11. Blake Jones & The Trike Shop – Fascist Bumblebee Winter Formal
12. GeezLouise – Mexico
13. Circus Guy – Trip To Life
14. Hotel Saturn – Can't Be Wrong (This Time)
15. Curtis Suburban – Sharon's Room
16. Sue Hedges – Yesterday You Loved Me
17. The Underwhelmed – Change Direction
18. The Faith Irons – Afflictions
19. Peter Baldachi – Tomorrow
20. Talking With Hands – #1 Record
21. Vegas With Randolph – Show Me How
22. The Nobodies – By My Side

**Listen here!**

With Cold Flare Eternal, Finnish melodic death metal masters BEFORE THE DAWN deliver their strongest and heaviest album to date. Led by Tuomas Saukkonen (Wolfheart, Dawn Of Solace), the band follows up their celebrated comeback Stormbringers (2023) with a powerful new chapter of Karelian melancholy and crushing metal anthems.

The chemistry within the band – now featuring vocalist Paavo Laapotti and the seasoned lineup of Juho Räihä (guitars) and Pyyr Hanski (bass) – has reached an all-time high. Capturing the momentum of their first European tour in 14 years, the band recorded Cold Flare Eternal with intense live energy and emotional depth. Produced at SoundSpiral Studios by guitarist Juho Räihä, mixed and mastered by Jacob Hansen, the album showcases BEFORE THE DAWN's signature blend of furious heaviness, soaring melodies, and Nordic atmosphere.

The lead single "As Above, So Below" sets the tone with its Hermetic themes and sweeping dynamics. Cold Flare Eternal cements BEFORE THE DAWN's rebirth as a fully-fledged band, delivering some of the most cohesive and anthemic songs of their career.

After 20 albums across his career, Saukkonen is more determined than ever — with Cold Flare Eternal, BEFORE THE DAWN stand ready to conquer new stages and further build on their legacy as one of Finland's premier melodic death metal exports.

**Origin:** Finland

**For Fans from:** Insomnium, Omnium Gatherum, Swallow The Sun

**Key Sales Facts:**

**Most successful single launch to date:**

## JADED

**For Fans of Joe Satriani, Tony MacAlpine, Ron 'Bumblefoot' Thal, and Instrumental Guitar!**

Shouse was born **Michael Stephen Shouse** on September 27th, 1970 in Jackson, KY. In 1992 he moved to LA and attended the **Guitar Institute of Technology** in **Hollywood, CA**. He returned to Kentucky where he taught art for 28 years. He has written articles and lessons for online sites such as **chopsfromhell.com** and **guitar9.com**, and has been featured in magazines like **Progression**, **Fireworks** and **The Sound** guitar magazines.

Mike taught guitar at Willis Music in Lexington, Louisville and Cincinnati. He also taught at the **Music Institute of Lexington, KY** and wrote a monthly article in the **Music Entertainment Magazine**. He released "**Enter the Soul**" in 2001 and the song "**Man**" was on a compilation cd "**International Anthems: Volume 1**" in 2002. His second release *Alone on the Sun* was released in June 2010 and got rave reviews worldwide. The title track "**Alone on the Sun**" was featured on the new compilation cd "**Gods of Indie Guitar 2011**" and premiered on the Australian tv show "**Guitar Gods and Masterpieces.**"

*Jaded* is his first release in 15 years and he's back....with friends! Featuring guest solos from legends **Michael Angelo Batio**, **Ron "Bumblefoot" Thal** and **Tony MacAlpine**. Filling out the band on drums, the best of the best, from NY, **Charlie Zeleny** (*Drumageddon*, *Jordan Rudess* and *Terry Bozzio*). Playing bass, from Los Angeles, **James Amelio Pulli** (*Metal Hall of Fame* *bassist for Impellitteri*). Mixed and mastered by Nashville legend **Billy Decker**.

# françoise hardy

## le premier bonheur du jour

Françoise Hardy's Vogue years have left a mark on the history of French and international music. Even today, the 5 years between 1962–67 remain an exceptional moment in her career, the one when she exploded in the eyes of a generation that was born during or just after the World War II, the generation that would be part of the May 1968 Paris protests.

Hardy exploded not only in France alongside her fellow “Yéyés,” but also internationally, where she became the symbol of French elegance, talent and charm. The United States, Japan, United Kingdom, Germany, Italy, Spain—no one could resist Françoise, who recorded most of her hits in English, Italian, and German.

On Hardy's second album she teams with Marcel Hendrix as arranger and producer resulting in an album with a broader and more international feel. While a number of the songs here were composed by outside songwriters, Françoise shows here great songwriting ability on the majority of the album's songs.

All tracks have been fully remastered and are available on CD and LP on opaque red vinyl.

### BUY! HERE'S WHY!

- Celebrating Françoise Hardy's indelible mark on the history of modern music.
- Hardy's second album, newly remastered.
- CD & LP include 5 bonus tracks.

### BUY! HERE'S WHY!

- Celebrating Françoise Hardy's indelible mark on the history of modern music.
- Hardy's 1964 album, newly remastered.
- CD & LP include 10 bonus tracks including 3 live recordings.
- Double LP pressed on opaque orange vinyl.

Françoise Hardy's Vogue years have left a mark on the history of French and international music. Even today, the 5 years between 1962–67 remain an exceptional moment in her career, the one when she exploded in the eyes of a generation that was born during or just after the World War II, the generation that would be part of the May 1968 Paris protests.

Hardy exploded not only in France alongside her fellow "Yéyés," but also internationally, where she became the symbol of French elegance, talent and charm. The United States, Japan, United Kingdom, Germany, Italy, Spain—no one could resist Françoise, who recorded most of her hits in English, Italian, and German.

Working with arranger Charles Blackwell, a former protégé of Joe Meek, Françoise wrote the majority of the album's songs herself. This edition also includes ten bonus tracks, among them three live recordings.

All tracks have been fully remastered and are available on CD and LP on opaque orange vinyl.

1. Je Veux Qu'il Revienne
2. Tu N'as Qu'un Mot À Dire
3. Tu Ne Dis Rien
4. Et Même...
5. Pourtant Tu M'aimes
6. Pars
7. Je N'attends Plus Personne
8. La Nuit Est Sur La Ville
9. Pas Gentille
10. Dans Le Monde Entier
11. Nous Étions Amies
12. Mon Amie La Rose

#### BONUS TRACKS:

13. Jaloux
14. On Se Quitte Toujours
15. C'est La Première Fois
16. Et Même... (Single Version)
17. Tout Me Ramène À Toi
18. C'est Le Passé
19. Apprends-le Moi
20. La Nuit Est Sur La Ville (Live Paris 8/1/1965)
21. Mon Amie La Rose (Live Paris 8/1/1965)
22. Dans Le Monde Entier (Live Paris 8/1/1965)

## BUY! HERE'S WHY!

- Celebrating Françoise Hardy's indelible mark on the history of modern music.
- Hardy's 1962 debut, newly remastered.
- CD & LP include 6 bonus tracks recorded live in Paris.
- LP pressed on opaque yellow vinyl.

Françoise Hardy's Vogue years have left a mark on the history of French and international music. Even today, the 5 years between 1962–67 remain an exceptional moment in her career, the one when she exploded in the eyes of a generation that was born during or just after the World War II, the generation that would be part of the May 1968 Paris protests.

Hardy exploded not only in France alongside her fellow "Yéyés," but also internationally, where she became the symbol of French elegance, talent and charm. The United States, Japan, United Kingdom, Germany, Italy, Spain—no one could resist Françoise, who recorded most of her hits in English, Italian, and German.

*Tous Les Garçons Et Les Filles* is an album that combines elements of rockabilly, folk, jazz and blues. Although the album followed the formula of the yé-yé movement—characterized by attractive teenage girls singing innocent pop songs about adolescence—Hardy set herself apart from her peers by writing most of her own material.

All tracks have been fully remastered and are available on CD and LP on opaque yellow vinyl.

1. Tous Les Garçons Et Les Filles
2. Ça A Raté
3. La Fille Avec Toi
4. Oh Oh Chéri
5. Le Temps De L'amour
6. Il Est Tout Pour Moi
7. On Se Plaît
8. Ton Meilleur Ami
9. J'ai Jeté Mon Coeur
10. Il Est Parti Un Jour
11. Je Suis D'accord
12. C'est `A L'amour Auquel Je Pense

### BONUS TRACKS – LIVE À L'OLYMPIA 1963:

13. Ça A Raté
14. J'ai Jeté Mon Coeur
15. J'suis D'accord
16. Ton Meilleur Ami
17. Présentation Des Musiciens
18. Le Temps De L'amour

# CARVIN WINANS COOL GOSPEL

## TRACK LIST

1. Shining Star
2. God's Still Working On Me
3. No Feeling
4. You Gotta Believe
5. Blessings
6. Faithful
7. He Who Know God - Ft. Sean Garrett
8. Joy
9. Family is Family
10. Main Event

Prepare to be inspired. The legendary Carvin Winans returns with *Cool Gospel*, a soul-stirring, genre-blending 11-track collection that redefines contemporary inspirational music.

Released via Blackground Records 2.0, this highly anticipated album showcases Carvin's unmistakable vocals, heartfelt songwriting, and timeless message of faith, hope, and love.

Leading the way is the Billboard-charting single "God Still Working On Me," a powerful declaration of grace that's already resonating with audiences worldwide. From the vibrant Afrobeat energy of "Blessings" to the rich harmonies of "Faithful" and "Sing Forever," *Cool Gospel* blends classic soul, modern R&B, and gospel roots with effortless finesse.

With no skips and a message that transcends generations, *Cool Gospel* isn't just an album—it's an experience. Carvin Winans once again raises the bar, delivering a project that uplifts the spirit and speaks directly to the heart.

- Don't fuck with my marriage again
- Feet first
- Of course

Mutant, in partnership with Back Lot Music and Focus Features are proud to present the premiere physical release of David Holmes masterful score to Steven Soderbergh's latest thriller BLACK BAG. Ever since their first collaboration on OUT OF SIGHT, and throughout their OCEANS-trilogy, Holmes and Soderbergh create an energy and verve with their productions. BLACK BAG is no outlier; percussive and inventive, and vibey throughout, this score is equal parts pulse-pounding and seductive. Playfully underscoring spy-tropes with kitchy 60's intrigue instrumentation and modern electronic sensibilities, Holmes has crafted something truly unique.

Pressed on 140gm red vinyl - limited to 500 copies.

The John Peel Sessions

A BBC recording

# SWELL MAPS

The John Peel Sessions

Street Date: 9/12/2025

**Swell Maps** unveils the CD of *The John Peel Sessions*, remastered and available officially for the first time in over 40 years.

Noisy, chaotic, and defiantly experimental, **Swell Maps** may not have found commercial success in their time, but their impact on music is undeniable. An inspiration to bands such as R.E.M., Sonic Youth, Dinosaur Jr., Pavement and Nirvana, with Kurt Cobain famously being a fan and often seen sporting a Swell Maps T-Shirt. A democracy within the confines of punk's anything is possible, members **Biggles Books**, **Jowe Head** and brothers **Nikki Sudden** and **Epic Soundtracks**—helped shape the landscape of post-punk and DIY music. Now, for the first time in over 40 years, *The John Peel Sessions* brings together all three of their recordings for **John Peel**, a figure instrumental in championing their sound.

Formed in the early '70s and fully realised by 1976, Swell Maps embodied the DIY ethos, launching their own label and self-releasing the jagged, frenetic debut single "Read About Seymour" in 1977. Peel was an early supporter, playing their record as soon as it landed on his desk—a moment the band described as one of disbelief and elation. His regular airplay of their music helped solidify their cult status, and these sessions capture the raw energy, off-kilter melodies, and boundary-pushing creativity that defined them.

*The John Peel Sessions* is a vital document of Swell Maps at their most unfiltered—three sessions of unpredictable, exhilarating noise.
