PRICE: \$34.98 TBD QUANTITY: 3,500

NOTE: THIS TITLE IS NOT LIMITED AND WILL BE PRODUCED GOING FORWARD

Eric Clapton's *UNPLUGGED* was responsible for making acoustic-based music, and "unplugged" albums in particular, a hot trend in the early '90s. Clapton's concert was not only one of the finest *Unplugged* episodes, but was also some of the most genuine, heartfelt music the guitarist has ever committed to tape. And some of his most popular: The album sold more than 10 million copies in the U.S. and won several Grammy® Awards, including "Album Of The Year."

TOM PETTY AND THE HEARTBREAKERS, the band's debut album, was originally released in 1976. The album is best known for introducing the world to the classic tracks "American Girl" and "Breakdown." *YOU'RE GONNA GET IT!* Tom Petty and The Heartbreakers' second album was released in 1978. Building on the edgy yet always melodic sonic template created on their debut, this album features the hits "Listen To Her Heart" and "I Need To Know" which remain staples in the classic rock songbook.
