**ARTIST & INFO**

Hometown: Atlanta, GA

Known far and wide as one half of Grammy Award-winning superstar duo Gnarls Barkley, Cee Lo Green is a true 21st Century renaissance man. Having first made his bones as a member of southern hip-hop pioneers, Goodie Mob, Green soon struck out on his own with 2002's Cee Lo Green And His Perfect Imperfections, highlighted by the Timbaland-produced hit single, "Closet Freak." The acclaimed Cee Lo Green...Is The Soul Machine followed two years later, again featuring a Timbaland-produced hit single in "I'll Be Around." Cee Lo also became one of R&B/hip-hop's most in-demand collaborators, penning and producing tracks for such like-minded artists as Jennifer Hudson, Brandy, Amerie, and Solange. In 2006, Green teamed with producer/DJ Danger Mouse as Gnarls Barkley and quickly made history with the international #1 smash, "Crazy" (later named as "Song of the Decade" by Rolling Stone). The duo's kaleidoscopic debut, St. Elsewhere, proved a critical triumph and chart-topping blockbuster, ultimately earning RIAA platinum certification in the US for sales exceeding 1 million.
